# COMMUNITY FOOTBALL

## From The CEO

With junior finals now under way and the senior finals series almost upon us, it is a good time to recognise the enormous contribution made to the community fabric of the Western Region by WRFL football clubs, their members and supporters.

More than 20,000 players, officials and supporters attend every weekend at 110 home & away games. That adds up to well over 300,000 attendances across the home & away season alone. A further 25,000 plus attendances are expected over the combined junior and senior final series. Since our new website was launched in April this year, almost 58,000 "absolute unique visitors" have recorded 570,000 page views across the site.

The WRFL and its clubs contribute between \$5 million and \$ 10 million each year to the economic activity of Melbourne's west, not to mention the massive contributions to social cohesion and identity.

Unlike many other community football leagues, WRFL clubs do not charge admission fees to their home & away games. Our clubs pay their way through fund-raising, sponsorship and member fees. However, with direct costs of venue hire, security, umpires, awards etc totalling more than \$80,000 incurred across the junior and senior finals, the modest admission fees charged for entry to finals games are essential to meet those costs.

All admission fees raised from the finals series are directed to the payment of costs; and to reducing fees that would otherwise be charged to clubs by the League.

We thank our loyal supporters for their involvement in

their respective clubs, and for their individual contributions through admission fees.

Community spirit and activity extends far wider than the games of football. Gatekeepers at all WRFL finals are unpaid volunteers who give their time and effort to raise funds for local service and sporting clubs. Gatekeepers this year include volunteers from Altona North Cricket Club, West Footscray and Hoppers Crossing Rotary Clubs, North Sunshine Football Club and Old Westbourne Football Club. Patrons are asked to extend cooperation and understanding to these volunteers who perform vital roles without personal reward.

Finals venue host clubs also perform essential catering and ground management roles, again through the unpaid efforts of volunteers. Our thanks to Old Westbourne, Laverton Magpies, Sunshine Heights, Altona and Yarraville Seddon Eagles Football Clubs for their efforts in hosting at various venues for the 2011 finals series.

Congratulation to all WRFL clubs, not only for a successful season of football in 2011 but also for the wider contributions to community development in the West. While we will honour the premiership teams and individual award winners with trophies and pennants, the contributions of every individual should be recognised and applauded.

# PADDY'S PROFILES

## *Pele Manivong (Altona Juniors)*

Pele Manivong grew up playing many sports but struggled to find one he was good at. He tried many and didn't enjoy any, until he started to play Auskick at the age of eight. From there he was hooked and his love of the game quickly evolved.

A current member of the Altona Vikings Under-16A side, Manivong recalls those early days as some of his favourite seasons as a footballer.

"Those first few years I had some really good times," Manivong explains.

"Like so many others my age I loved to kick goals, and I remember this one day in particular I kicked sixteen goals playing full-back and the coach thought I was a little hero so he gave me a challenge and put me on a really tight angle on the boundary line."

"I remember his exact words 'only champions can kick these goals'. Funnily enough I used to practice snap goals in my hallway everyday and when I put it right through the middle he didn't know where to look!"

Over the past few seasons Manivong has evolved from a good player to a great player and it was around Under-11 level where he started to emerge as one of the league's premier junior players.

"I wouldn't say I've always been a very strong player, but I started to develop at Under-11's when I won my first WRFL Best & Fairest Award," says Manivong.

From there Manivong has achieved many club & league accolades, and in 2009 was part of Altona's Under-14A Premiership side. It was his first flag, and after many had written-off his beloved Vikings they ended up sneaking home in the decider by a solitary point.

On top of his club successes is his three WRFL Best & Fairest Awards, and yet again this season Manivong has lit up the Under-16A competition. Living up to the reputation he has forged over the past six years, Manivong has no doubt secured votes in nearly all of the Vikings' matches, leading his side through an undefeated home & away season in the league's premier junior competition. And this year, like his early days, he also has no hesitation slotting goals from any angle! Manivong is both a humble and hardworking footballer, and explains that his family has been the main contributor to his success on the football field.

"My family has given me so much support in my life, in particular my parents for all the encouragement and sacrifices they've made driving me throughout the state sometimes at six in the morning," says Manivong.

"I really owe them so much. Especially my father who has given up so much time to go down to the local park over the years and help develop my strengths and work on my weaknesses. Sometimes we would spend hours on end doing the same drill. I used hate it but as I got older I look back and love everything he did for me. He is a really great father and it shows that all he wants me to do is succeed."

In the next few weeks Manivong aims to guide his Vikings to another Premiership, and then aims to progress through the ranks to eventually play in the AFL. And based on his form, training ethic and his natural ability – there is little doubt Manivong's already well on his way to making it at the highest level possible.

# NATIONAL SUCCESS

## *Pele Manivong Makes His Mark*

**H**e's got a name made for football greatness. Possibly not with an oval shaped ball, but young Pele Manivong has long been aware that his given name resonates worldwide with footballing excellence. However rather than living in the shadow of his namesake, the Altona Juniors youngster is quickly starting to forge his own name in the football world, and following his selection on the Victorian side at the National Championships last month, the fifteen year-old may well also become a household name in the not to distant future.

One of five Maribyrnong Secondary College students to make the School Sport Victoria Metropolitan Football Squad, Manivong travelled to Canberra a fortnight ago to represent Victoria in the Under-15 competition. The Championships has been a great career launching pad for some of the AFL's best players such as Chris Judd, Luke Ball and Jobe Watson, and yet again a number of potential draftees were in action in the nation's capital.

All the successful players were originally nominated by their schools in April, and after a series of tryouts a preliminary squad of sixty was released before being culled to twenty-five over a series of practice games. The Championships involved state teams from all over Australia competing against each other in a round-robin format, while providing players the opportunity to showcase their abilities in front of AFL talent scouts.

Manivong contributes part of his selection on the team to his tutelage in the Maribyrnong Secondary College accelerated sports program, and explains that the school's elite AFL program has played a major part in his development as a footballer.

"My involvement with the Maribyrnong College program has assisted with my football in so many ways," Manivong explains.

"It has given me the skills that I've always wanted to develop, and the classes that we have there are highly rated in developing not only our physical side of the game but our mental state as well. Even the little things like thinking about what your thought process when taking a shot for goal, helps you so much on the field."

"I'll always be grateful to Maribyrnong for what they've done for me and I advise any kid who's willing to go that step further and wants to make it to the highest level of footy should go there."

The involvement of some elite current & former players at the school has also guided the youngster on his quest to play football at the highest level possible, and Manivong credits Mitch Hahn, Leon Harris, Andrew Komp & Brad Johnson as key mentors in his footballing journey.

As well as getting the opportunity to put himself on display to AFL talent scouts at the recently completed Championships, his participation has also helped Manivong develop as a footballer through invaluable gametime playing on the best junior footballers in the land.

"Playing at this high level of football has given me the opportunity to play with future draft prospects, and I absorbed everything I could during my time in Canberra," Manivong explains.

Now back in Melbourne, Manivong is back at training and is even more motivated to try to make it all the way to the top.

"Now that I'm back from the Championships I'm back doing the thing in my life which I love the most, which is playing football," says Manivong.

"I know it's going to be a long road but I'm prepared for every challenge along this exciting journey. I'm sure this experience will teach me a lot of what I have to be prepared for and will have to set some more goals to achieve my dream."

## Finals Series (Week Two)

**A**ltona continued their flawless record in Season 2011, pushing aside Werribee Districts by 50 points last weekend enroute to a Grand Final appearance. It was one-way traffic in the second semi final as the class of Altona outshone a gallant Tigers outfit, with Zennon Skliros, Mitch Norton & big Bradley Moore amongst the best. Werribee will now aim to regroup against a fired-up St Bernards outfit, who are on the march after dishing out a 95 point win in a fiery first semi final.

Western Region Football League juniors' reporter Patrick Comerford was at Old Westbourne, and said St Bernards were shaping up to be genuine contenders to challenge the Altona juggernaut.

"Last weekend St Bernards showed they truly deserve their spot in the finals, and could well do some damage to Altona's chances if they overcome a tough preliminary final this week," said Comerford.

"Last weekend both St Bernards & Hoppers Crossing had periods of dominance in the early stages, however St Bernards really took the reins after quarter time to run out comfortable winners."

"The game started in great spirits but some tension on the field may see a couple of trips to the tribunal midweek. These two teams have had an exciting rivalry this season having played two very close games, and unfortunately this sporting rivalry ventured into the unsportsmanlike at times."

"For the winners Sam Woods, Tom Delzoppo, Marcus Deleur, Will Considine, Joshua Wallis, Tom Saundry & Claude Issa all stood up, and all will

have to fire yet again next weekend if they are to knock off a well-regarded Werribee outfit."

"Lachlan Wright, Angus Holmes & Liam McMahon showed great sportsmanship in defeat, and continued to play right to the final siren despite the result being well beyond doubt."

"The Bernard's boys will now readjust their focus to their game against the Tigers this weekend, while the Warriors will enjoy a well deserved break. We wish the boys all the best next season wherever their footy takes them."

## Finals Series (Week Two)

Last week the Under-16B division was labelled one of the closest competitions in the league, and the results in week one of the finals series definitely didn't disappoint. In the elimination final a nail-biter was played out between Deer Park and St Albans, with the Lions almost kicking themselves out of the game with an inaccurate 9.21 in front of goal. Luckily it was just enough to get over St Albans by a solitary kick, resulting in heartbreak for the gallant Saints who did take a five point lead into the final change. Akat Mayoum, Tim Please & Wayde McEwan were amongst the best for the winners, with the Lions now facing Caroline Springs in yet another knockout final.

Despite finishing second Caroline Springs now face the reality that a loss today will see their season brought to an abrupt end, and while they showed so much promise in the opening three quarters against Yarraville in last weekend's qualifying final, a late charge by the Eagles saw Yarraville home by 19 points. Caroline Springs will be ruing missed opportunities after they led at every change, and will be desperate to avenge that loss and stay alive for at least another week against Deer Park. However the Lions have form against the Lakers, winning their one and only encounter so far this year, and a classic contest is on the cards at Grant Reserve on Sunday afternoon.

For Yarraville, it's Albion that awaits with the Cats fresh from a week off and looking to book their spot in the Grand Final in a fortnight's time.

Coach Ray Allister said he was proud with the side's achievements to date, and is confident that this side is prepared and ready for a tilt at the 2011 flag.

"After a solid preseason and a full list of players, we struck some injuries and some players being absent, which caused some indifferent form early in the season," said Allister.

"Since the half way mark we have regained a full list and slowly built momentum heading into the finals. We are really happy to be playing good footy at the right time of

the season with everybody fit and in form. We are really looking forward to the finals and we have no excuses, if we don't perform to our best."

"Some of our top age players including Dylan Sloman, Matty Serafin, James Taylor, Tyler Havard and Jamie Day have had exceptional seasons. They have been complimented by the form of some bottom age boys including Cale Bethune, Mohamad Dibb, Adrian Sachua and Cameron Holdsworth. We have also been happy with the improvement of Josh Michetti, Aron Mifsud, Tim Mahoney and Matty Fisher."

The side's one 'bogey-team' St Albans is already out of the finals race, meaning the Cats have a flawless record against all potential opponents to come. That said, junior football is a funny game, and often form means nothing when a grand final berth or premiership is on the line.

## Finals Series (Week Two)

Glenorden's only finals side will start their campaign this weekend in one of the closest divisions across the junior finals series. Despite finishing two games clear on top the Hawks will definitely be given a good run today from a Vikings side that upset the second-placed Spotswood in last week's qualifying final.

Altona coach Noel Menadue, said it was a close contest where both sides played an attacking fast moving style of game.

"The game was played in a very good spirit with Jake Febey & Connor Scott prominent up forward for the Vikings," said Menadue."

"Jye Comeadow had a significant influence in attack and the Altona on-ballers gave the forwards plenty of opportunities. The Spotswood on-ballers were extremely dangerous out of the centre square kicking the ball long to their big marking forwards."

"Both sides improved defensively with man on man contested football after half time with Ben Fisher playing a superb quarter of football. Andrew Aquilina and Tyler Padgett got on top across the half back line repelling Spotswood and starting a number of attacking moves."

"Despite the margin blowing out to over 30 points, this certainly wasn't a reflection of the overall game which had been hard fought all day. A credit to both sides for the brand of football played."

Spotswood now face Flemington Juniors who kept their season alive with a 25 point win over Hoppers Crossing.

Flemington coach Greg Sutton said it was another outstanding team performance by Flemington, who had now won their last eleven games in a row.

"The colts were off to great start, however not making

the most of their forward opportunities and our inaccuracy started to prove costly, allowing Hoppers to stay in touch at the half time break," said Sutton.

"We were able to maintain the lead for the whole game and managed to withhold a late charge from Hoppers, coming out victors by 25 points."

"While it was yet another terrific total team effort there were some outstanding performances from midfielders Ben Dimattina & Omar Boro, continuing to rack up quality possessions. Not to mention some fine forward pressure from Charlie Craig and spearhead Joel McClure booting six goals and rock solid defense, led by captain Toby Kruisheer. A special mention goes to Hussian Farah, who continues to show his amazing skills in just his first season playing AFL rules. Born in Somalia, Hussian celebrated his 16<sup>th</sup> birthday in true style with a great game on the wing."

# GIRLS COMPETITION KICKS-OFF

## *Junior Girls Enjoying Inaugural Season*

The Western Region Football League's Under-12 Girls Competition is up and running, with over fifty juniors currently taking part in the league's first-ever 'girls only' competition.

Two rounds into a six round season, the league has four teams now in action with players representing Wyndhamvale, Altona Juniors, Deer Park & Melbourne University. Junior females from all throughout the west have been involved, with new players assigned a 'home' club based on their residential location.

All clubs taking part have a Youth Girls team, and these girls have been heavily involved in the pilot program in roles as coaches & mentors. Similarly the WRFL umpiring department has supplied two senior umpires each week, who have been specifically chosen for their knowledge of junior football and their ability to impart their advice and assistance to all girls while officiating in an enthusiastic and supportive manner.

David Newton, Football Operations Manager for the Western Region Football League, said the pilot program was an important step in the league's push to make Australian Rules Football inclusive for all juniors.

"The Western Region Football League is one of only five suburban football leagues to run a competition targeted specifically towards junior girls, and its great to see so many first-time participants in action over the past fortnight," said Newton.

"This is the first time junior girls in the west have been given the opportunity to play in a female-only environment, and we believe this will encourage a considerable number of females to take up the game in future years."

"Our aim is to have an Under-12 female competition as part of the Western Region Football League, and this pilot program will hopefully lead into the establishment of a competition in 2012."

Chyloie Kurdas, Female Football Development Manager at AFL Victoria, said the league's Under-12 competition was an important part of an all-inclusive footballing strategy.

"This competition completes the female pathway for girls & women to play our game," said Kurdas.

"AFL Victoria believes it's important to provide girls with an all female space to play & enjoy the game."

"This competition is primarily geared towards developing our game to a standard where in ten

years time we have a national televised female competition, and these girls will be the foundation of this competition."

The competition was launched following the 'Girls Come & Try Day' last month, and is aimed at junior girls aged between 9-12 years. The girls play modified games, with rules, ground sizes & team sizes adjusted to cater for playing numbers & standards.

Players are still welcome to join the league for the remaining four rounds, with games running on Saturday afternoons at JJ Holland Park in Kensington from 1.00pm.

For further information please contact the WRFL on 9315 5400 or contact Football Operations Manager, David Newton ([d.newton@wrfl.asn.au](mailto:d.newton@wrfl.asn.au)).

# UNDER 15A

## Finals Series (Week Two)

**H**oppers Crossing flexed their muscle as the dominant Under-15 side last weekend, powering home in the second semi-final to knock off Werribee Districts by 86 points. At the end of the home & away season Hoppers Crossing finished four games clear on top, yet last weekend still managed to shift up a gear as they comfortably won their way through to next week's Grand Final.

While disappointed with their showing, the Tigers earned the right to a second change throughout the season, and will aim to avenge last week's loss with a preliminary final against Caroline Springs at Crofts Reserve.

Werribee coach Gary Sheppard said the boys had already shifted their focus to the game against the Lakers, and are keen on having another chance to derail the Warriors premiership aspirations.

"We are looking forward to the challenge this week in taking on Caroline Springs for the right to play Hoppers Crossing in the grand final," said Sheppard.

"We can bounce back this week after being outplayed by Hoppers last game. We have had a great season and think that if we play to our best we can take it up to any side that we meet. Caroline Springs are playing great footy as well and I believe that this will be a great game to watch and we will have a couple of plans in place to stop their play makers."

"Our team is a very even team this season and we hope that this will help us in the finals and play as a team to get us over the line. We would love to have another opportunity against Hoppers as we did not play our best footy and have a lot to prove against

them. This will give us the motivation this week and I expect big games out of our captain Pat Esposito, Jessie Shell, Wes De Jong & Mat Norton who comes back into the side after missing last week."

The Lakers however will be tough opponents, coming off a 94 point win over St Bernard's in last weekend's first semi final. Zac Grabovic & Josh Dukakis kicked eight goals between them, and the Tigers will need to shut down these two boys if they want to have another crack at the Warriors in a week's time. The Lakers are 2-0 against the Tigers despite finishing below them on the ladder, mind you St Bernard's were 2-0 for the season against the Lakers before last weekend and that record proved irrelevant after four quarters of good footy.

# TRUE TEAM LOYALTY

## *Youngster Chooses Mates Over Malthouse*

**W**hen it comes to commitment to your teammates, it's hard to look past young Luka Domic who runs around on a Sunday morning for the West Footscray Under 10's.

A couple of weeks ago the youngster won the opportunity to spend a day at the MCG with Mick Malthouse & Alastair Clarkson – two premiership coaches who will no doubt be in action deep into September.

Unfortunately the event clashed with the side's Sunday morning match, and as the team's assistant coach Greg Parsons explains, the side was expecting to be one down for the morning.

"We haven't 'won' a game all season & have hardly kicked any goals, and we knew that Luka had won this opportunity to go to the MCG so we presumed that he wouldn't be able to play," says Parsons.

"Our coach & I were then gob smacked when we arrived at our game to see Luka there."

"We asked his father if it the day with the coaches had been cancelled and he shrugged his shoulders and said 'no, he just wants to play footy with the boys'."

"All week he had been undecided what he wanted to do, but in the end he decided to play with us! We could not believe it!"

"Luka is in his first season of footy, has not missed a training session all season, is the first kid there every night, never mucks around and is one of our players that sticks to his player in a game."

It is this loyalty and commitment to his side that typifies the positive influence the ten year-old has on the rest of his team, and despite their lack of success on the field the entire team has thoroughly enjoyed their season of football.

With many young players in the side, the team looks to build on what for many has been their first season of football, and along with Luka aim to post a few more wins on the board in Season 2012.

# UNDER 14A

## Finals Series (Week Two)

Hoppers Crossing have exposed the gap between the top two sides in the Under-14A competition this season, storming over the top of second placed St Bernards by 81 points last weekend. Heading straight into the week off after booking a berth in the Grand Final, the Warriors will be close to unbackable favourites heading into the big decider in a fortnight's time.

Warriors coach Matt Williams said he was wrapped with the side's display and was confident the side can go on and win the big one in their next and final match of the season.

"Our final was a one-sided affair as Hoppers Crossing absolutely dominated the game," said Williams.

"Had we have kicked straight we could have won by more. It was a total team effort with every player winning their position. Standouts were Rhys Keegan, Kane Galley, Joshua Grech & Riley Buckley."

St Bernards now need to regroup as they enter a knockout preliminary final against a Werribee Districts side who have all the momentum after knocking Altona out of the junior finals series. The Tigers had the ascendancy for all four quarters against the Vikings, their five goal opening term and six goal final quarter the key in their 51 point win. Jye King & Yossef Afif both kicked three for the winners with Sean Cross, Mitch Huxtable and Connor Jago amongst the best.

**GOALS:** L. Moroney, L. Allen, J. Menadue, T. Knox, Y. El Hawli  
**BEST:** H. Kennedy, M. Didolis, J. Menadue, J. Mountney, J. Zammit, J. Moore

While the Warriors appear to have one hand already on the Under-14 crown, both St Bernards & Werribee will be keen to at least earn a crack at the flag on that final day of the season. St Bernards are 2-0 against the Tigers this season and will be slight favourites to make it three from three, however their form is against them having dropped two of their past three games compared to the Tiger's who are on a four game winning streak.

# UNDER 14B

## Finals Series (Week Two)

Two big surprises in the Under-14B competition last weekend, as third-placed Albion & fifth-placed Yarraville knocked off their higher placed opposition.

Albion put their premiership credentials on display with a comfortable 38 point win over North Footscray, a result that is all the more remarkable given the Red Devils towed them up by 124 points way back in Round One. With a winning streak that now extends to nine games, the Cats should give St Albans a real run in this weekend's second semi final, and may just find themselves preparing for a grand final in a fortnight's time.

North Footscray now faces a tough assignment against Yarraville Seddon who provided the other big upset of the round amassing 21.16.142 in a 99-point win over Deer Park. Steele Aburrow kicked eight majors in the rout, with ten other players joining the forward on the score sheet. The Eagles have now pieced together three fifteen goal wins in a row, and after being in the box seat on top of the ladder just one round from the end of the season, North Footscray now face the stark reality of being bumped out of the final series in straight sets.

Yarraville coach Charlie Kopa said the result was a great start to their campaign as his side attempt to do the near-impossible and claim a flag from fifth place.

"The weekend's match against Deer Park was a good test for the start for our finals campaign as we beat them recently by a substantial margin but knew they were out of form and down on numbers," said Kopa.

#### NORTH FOOTSCRAY

**GOALS:** J. Grieves 2, A. Dardha, D. Crosato

**BEST:** N. Ryan, A. Dardha, J. Hanns, A. Gauci, B. Lester, D. Crosato

"It was a great win for the boys and a great confidence booster. However having finished fifth at the end of the home and away season, we are all well aware of the tough road ahead."

"We have made finals twice over the last four years but have not managed to get past the elimination round and so this coming week will see us in new territory, firstly in a Semi Final and secondly against a good opponent in North Footscray, that spent most of the season at the top of the table."

"We will go in underdogs but will relish the challenge that will get us to our ultimate goal!"

## Finals Series (Week Two)

The undefeated Old Westbourne will kick-off their finals campaign with a home fixture against Williamstown Juniors this weekend, with the Seagulls putting together four of their best quarters of the season last weekend to run out 67 point winners over Altona in the qualifying final.

Having lost at home to the Vikings just under a month ago, Williamstown looked like a completely different outfit last weekend, leading at every change and restricting Altona to just one scoring shot for the entire second half of football. Aiden Miller bagged four for the winners, with Hugo Bienvenu, Brad Tucker & Ben Connolly all contributing two apiece. Bienvenu also claimed best on ground honours, with Will Taylor & Jack Van Wyngaarden amongst the best.

The stage is now set for a classic rematch between the Seagulls & Warriors, with the winner of today's second semi-final to earn a week off and a grand final berth. The one and only time the sides met Old Westbourne got home in a thriller, kicking 4.9 to Williamstown's 3.14 to sneak home by just one point.

Westbourne Secretary Val Lear said that the Warriors had enjoyed great success so far in season 2011, and expects the side's key playmakers to step up as the business end of the season approaches.

"Our group of players have had a great year," said Lear. "After being re-graded into the 14C's, the boys, most of whom came through a winless season in the 12B's last year, have found confidence in themselves and each other and have come together well as a team. The top age players have provided great guidance for the younger boys and the results so far have shown on the scoreboard."

Some of the boys who will lead Westbourne in the

finals include Kyle Penaluna, a hard working on-baller whose ferocious attack on the ball continuously lifts his team mates; Mitchell 'Mad Dog' Case who loves the physical stuff in close and his strong tackling and hard bumps will be a great asset in the finals; Lachlan 'Mr Fix-It' Fox who can go anywhere on the ground and play any role asked of him; Dylan Riiitano, our key forward who provides a great target for the players down the ground; and Liam Joyce, a smart backman who's ability to read the play belies his years."

In the other semi-final Altona will attempt to avenge last week's loss in a do-or-die clash against Hoppers Crossing, who cruised past Wyndhamvale by 38 points with Brayden May & Trent Janovski kicking ten goals between them.

# JUNIOR FUN DAY

## *End Of Season Celebrations*

The football season came to a close for more than one-thousand Western Region Football League juniors last weekend, when the league staged its annual Junior Fun Day simultaneously at three venues across the western suburbs.

An end of season celebration for parents & kids after many early morning starts throughout the winter months, the events were staged at North Footscray, North Sunshine & Flemington Juniors, with nearly fifty teams taking part. Each team played three games each in a round-robin format, with some extra activities and BBQ's adding to the festival atmosphere.

Tim Shellcot, WRFL Club Development Officer, said the day was a great success, mainly as a result of the great effort of the hosting clubs.

"Without the input of all three clubs, two of which put their hands up at the last minute, the day would not have been able to go ahead," said Shellcot.

"Flemington Juniors & North Sunshine stepped in at very late notice, and all clubs involved put an innovative spin on their own event."

"Flemington Juniors structured the day with four simultaneous games, keeping twice as many kids engaged throughout the morning."

"North Footscray yet again put their hand up to host the event - and the extras such as face-painting & fairy floss were very well received by all participants."

"North Sunshine had the biggest day of all with clubs arriving early in the morning to setup their marquees and BBQ's, with each club making it a real end of season celebration."

The Western Region Football League's junior competition has seen significant growth over the past decade, and the number of juniors involved on the day is testament to the success of local Auskick programs in the west.

"A decade ago the league had less than ten Under-9 teams running around on a Sunday

morning, whereas this season we've got more than 25 teams in action," said Shellcot.

"It is great to see so many juniors continuing to take up our game in a time when kids have such a range of sports to choose from."

# PADDY'S PROFILES

*By Patrick Comerford*

**THOMAS MADDEN** is a footballer that everyone looks to for pointers. The way he handles the ball with such skill, as well as his strength when kicking and marking is amazing. He truly can dominate any part of the field. Tom has been playing since Under 9's, this year being his eighth season.

When people see how well he plays the game, many people ask is Tom Madden any relation to Simon & Justin Madden? He isn't, but he does come from good footballing pedigree with his brother Luke Madden part of the Calder Cannons TAC Cup Premiership side last year.

Tom also looks certain to follow his brother's path, and completed the short Under 16 season with the Calder Cannons last week. He had been selected as a wingman and played commendably throughout the three practice and two metropolitan festival matches.

When I look at Tom play, I see confidence and belief and that's how I think he gets through the pack, every single time. That, and his thinking ability. Another factor in his success is his trademarked weaving run. Dodging players left and right, he is a player that is rarely caught.

Playing as a permanent ruck-rover last year, he blitzed the opposition and the vote count, winning the Competition Best & Fairest by one vote and winning the Club Best & Fairest by an astonishing 217 votes.

I have had two seasons of football playing with Tom Madden in my team and let me tell you, nothing feels better than leading out of the pocket and knowing Tom is kicking to

you. Just keep a steady run and it will just be there for you to grab. Not only is his kicking accuracy good, but for a boy his size he can kick long distances and slots long goals that most boys his age and size couldn't.

Whenever I hear someone admiring him for his long kick, I tell them of the amazing goal he kicked at the Yarraville-Seddon ground last year. The spectators and his teammates watched in awe as Tom nailed a goal from outside fifty, into the wind, splitting the posts in two.

Tom is a pleasure to play with and a pleasure to watch and I can definitely see him playing for big cash in the near future.

## Finals Series (Week Two)

The results in the Under-13A competition were overshadowed last weekend by the passing of one of Hoppers Crossing's most loyal supporters, Arthur Koutsogiannis.

Western Region Football League CEO, Bob Tregear, extended his condolences to the family & friends of the Koutsogiannis family on behalf of the league, in what was a tragic set of circumstances last Sunday.

"The league was saddened to hear of the tragic passing of Arthur Koutsogiannis, and the entire Western Region Football League community sends their condolences to his family and the Hoppers Crossing 13A side," said Tregear.

"Koutsogiannis was a great supporter of the Hoppers Crossing Football Club, and will be missed by many throughout the league."

"The Hoppers Crossing 13A side showed courage beyond their years to play out last weekend's game – and while sometimes we underestimate the mental resolve of our juniors – these boys showed a remarkable ability to play on in extreme adversity."

"The league is now doing all they can to ensure the welfare of all of these boys who obviously now have much greater priorities than what happens on the football field."

A brave Hoppers Crossing went down by nine points to Yarraville Seddon in the second semi final, while Werribee Districts ended St Bernard's finals aspirations with a 16 point win in the second semi-final. Callum O'Malley was best on ground for the winners with Milad Almatrah kicking two

majors, while Henry Jaggard finished the season as he started with another strong performance for St Bernards, capping off another stellar season by one of the competition's premier junior players.

This weekend Hoppers Crossing face across-town rivals Werribee Districts in a knockout preliminary final, with the winner earning a Grand Final berth against Yarraville Seddon in a week's time. Last time they met the Warriors ran out 19 point winners, however this weekend the boys will already be winners as the find the inner courage to play on in season 2011 in such trying & difficult circumstances.

## Finals Series (Week Two)

The Point Cook juggernaut rolls on this weekend, as the Bulldogs start their finals campaign with a second semi final clash against Caroline Springs at Grant Reserve. The Lakers have a massive task ahead of them this weekend against the all-conquering Bulldogs, who last time they met ran out comfortable 81 point winners. That loss is still the only game the Lakers have dropped so far, and maybe ten weeks on and with the added excitement of the finals, they may be able to give the Bulldogs a better run this weekend.

Last weekend the Lakers were too strong for Werribee Districts, although they did have to fight hard for most of the game as the Tigers put up a brave fight. At the final change just seven points separated the two sides, until a three goal final term broke the game open as the Lakers ran out fifteen point winners. Jack Taylor & Jack Tarr kicked four of the six majors between them for the winners, with Kyle Turner & Braiden Gale named best afield.

Werribee now head into a knockout first semi final against Williamstown Juniors, with the Seagulls in stellar form last weekend recording the biggest win in week one of the junior finals. Mason Linder bagged seven goals, Lachlan Wright five, and James Nuhanovic four as Williamstown amassed a near season-best scoreline of 23.13 to Albionvale's 1.2.8.

This week they've got a much tougher task against the Tigers who knocked them off earlier in the season

to the tune of 35 points. It's been an interesting past three weeks for the Seagulls who have won by 171 points, lost by 119 points & won by 143 points, and this weekend they will be hoping to curb this run of results and earn a berth in next week's preliminary final.

# RESPONSIBILITIES IN JUNIOR FOOTBALL

*By Peter Schwab*

**P**aul Roos faces an investigation from AFL NSW after he ran onto the field as the coach of his son's junior football team to assist a young player who suffered a knock. The outcome of that hearing is for AFL NSW to decide so I don't want to delve deeper into that particular incident or even the fact Roos was involved. I am sure the investigation will be thorough and the outcome will be what it will be.

Taking aside Roos, if you can, given his profile, his experience as a coach and the calibre of person he is, the incident raises many issues for junior sport.

I have been involved in junior football continuously for over 10 years through both my son's playing and have acted in nearly every role there is, because that's what parents do at junior matches, they coach, team manage, act as the trainer, do the goal umpiring, escort umpires, etc. Without the parents involvement the game at junior level doesn't function.

Parental support comes in many forms, some parents are fully engaged and others are more passive, most are prone to yell encouragement a minority to yell at the umpires. The right of any parent to attend and be involved in their child's sporting pursuits is without question, but they also have an obligation to behave appropriately.

Unfortunately sometimes bad incidents happen in sport, if they do and they are deliberate acts of violence, then they can never be condoned and the perpetrators must be held accountable.

But there are rules in place which govern games and they must be adhered to otherwise you have chaos. Umpires are there to make decisions about whether it is a free kick or not, to report players or to send players off the field if there is a send off rule and they feel it is necessary. They have a huge responsibility and they are often one out. They should never be held accountable for the bad behaviour of players, coaches or spectators. In fact they should be supported in their role, because ultimately they can influence the tone of a match by the way in which they control it.

As much as it upsets a parent, whatever their role, when they see something on the field they don't like or see as being outside the rules, they must accept there are ways in which the game needs to control that.

As a parent I fully understand the need to protect your child and comfort them if they have been hurt, it is a natural action, but for the sake of the game, no matter how hard it may be at times, the rules need to be followed otherwise there is every chance of a situation escalating.

Of course there may be exceptional circumstances and a coach can decide that the safety of his players, who is entrusted to care for, need to be protected and the only option they have is to call the game off, but that sort of decision needs to be made in the best possible manner.

I am not saying junior football does not have issues with on-field violence or poor spectator behaviour, but I must defend junior football through personal experience. In my time I could count on one hand the times I have been disappointed in the behaviour of a coach, players or spectators and on one occasion when I was, I took the official channel to voice my concerns and the outcome was exactly how I had hoped.

My personal view is that the coach is the person who has the most influence on the tone and behaviour of the match. The players will play and behave in the way in which he instructs and rewards, consequently parents are more likely to follow the coach's lead. That is why coaches are incredibly important at all levels, but never more so than in junior football and that is why they have an enormous responsibility to the game and their players. It is also why coach education is essential.

In this modern age where media surrounding AFL football is at an all-time high, junior coaches

and their players watch a lot of AFL football and both at times try to emulate what they see at that level. Generally they follow the good aspects of professional sport, but sometimes they copy those facets of professional we don't want them to.

For junior coaches there are inappropriate aspects they can pick up from the AFL such as applying a tag, instructing players to be over physical when they tackle or to attempt to apply a forward press. Coaches need to coach age appropriately.

Sometimes young players see their AFL heroes bumping and pushing their opponent off the ball or tackling excessively hard and driving opponents into the ground or sling tackling. You could argue AFL football doesn't need this, but junior football definitely doesn't.

The subsequent discussion that has flowed from the

incident involving Roos became an excuse for some to start labelling junior football around the country as violent and rife with poor spectator behaviour.

That is simply unfair and an injustice to all the great people who administer those competitions and to all the wonderful parents who are involved in their child's sporting endeavour. They should be applauded for what they do for the game and not grouped with the small minority who do the wrong thing.

It is also an injustice to the thousands upon thousands of young footballers who play the game every weekend in the right spirit.

## Finals Series (Week Two)

**I**t was only percentage that separated Williamstown & Werribee Districts after thirteen home & away rounds, however last weekend there was plenty between the sides as the Seagulls cruised into the Under-12A Grand Final with a 28 point win. Restricting Werribee to just one major in the four quarters of football, it was the Harry Jennings show as the state team member turned on a masterclass to almost single-handedly overpower the Tigers.

Werribee now get the chance to make amends for last weekend as they face Spotswood in a must-win preliminary final. It's been a tough two weeks for Werribee who went down to St Bernards in the final round of the season, and now face a fired up Spotswood outfit who in fact knocked off St Bernards in last week's first semi final.

Western Region Football League reporter Patrick Comerford was down at North Altona, and saw a gallant St Bernard's fall short against the Lachlan Fogarty inspired Spotswood.

"Despite knocking off Werribee the week before, St Bernard's entered their knockout final as underdogs and the varying weather conditions definitely didn't work into their favour," said Comerford.

"The usual suspects were dominant in their respective areas of the park, with Lachlan Smart, Joshua Draige & Lachlan Fogarty putting on a real show for the parents & spectators alike. To their credit St Bernard's didn't give up and Jake Riccardi, Matt Diamandis & Will Riley all pushed on even

when the result was beyond doubt."

"As the surface was damp under foot many boys struggled to get a firm grip of the ball and keep their feet. After the football popped at the start of the third quarter, the boys got the chance to play one half of the game with a dry footy which definitely gave Spotswood the ascendancy."

"The Spotty boys deserve their spot in the preliminary final but congratulations are also worthy for the St Bernard's side who throughout the season managed to knock off the top two sides Williamstown and Werribee."

# UNDER 12B

## Finals Series (Week Two)

The Under-12B competition provided two cracking fixtures last weekend, with a total winning margin of sixteen points across the two games showing just how close this competition is in 2011.

In the qualifying final Wyndhamvale reversed their fortunes against an inaccurate Old Westbourne, running out six point winners and earning their way through to the second semi final. Last time the sides met it was the Falcons that kicked their way out of the game with a scoreline of 2.8, and this time around the roles were reversed with a wayward Westbourne kicking 6.14 to Wyndhamvale's 8.8. Jayme Gilmore was best on ground for the Falcons and is no doubt their talisman going into this weekend's game, while Daniel Micallef & Cameron Sutherland were amongst the best for the Warriors.

While Wyndhamvale progress through to the second semi final against Altona, Old Westbourne now find themselves fighting for their season as they host the in-form Albion. The Cats have now strung together five consecutive wins and last weekend survived a scare against Werribee Centrals to run out ten point winners. Bryce Bethune & Adam Richardson were dominant for the winners, with Joshua Lowe prolific in front of goal.

Albion will now try to make it six in a row as they travel to Old Westbourne, and with the side's last meeting way back in May it is hard to get a read on who will start this game as favourites. Westbourne

do have the home-ground advantage, and in fact have played their past four games here, but the Cats are the dark horse of the competition and are the only team to have knocked off minor premiers Altona. It is a game that could go either way, however one thing is certain... there is no second chance for the loser.

## Finals Series (Week Two)

**H**oppers Crossing did what many didn't expect last weekend, dishing out a 32 point win to Williamstown despite the Seagulls having finished three games clear on top of the ladder at the end of the home & away season.

However the Warriors knew they were a good chance going into last weekend's game having given the side two tough encounters earlier in the season, and after a three goal opening term there was no looking back for the Warriors who now earn a week off and more importantly a spot in the Grand Final. The Warriors led at every change and with Jensen Gaudoin & Kane Cairns-Guilfoyle in killer form, they looked a class above the Seagulls for most of the game.

Williamstown now face the stark reality of a knockout preliminary final this weekend, as they meet Point Cook at Crofts Reserve. The Bulldogs benefited from some wayward kicking by Spotswood last weekend, and were lucky to get over the line, as the Woodsmen led for most of the game including the final change. At that stage Spotswood lead 1.10 to 2.2, and the Woodsmen continued to miss opportunities in front of goal in the final term to finish 2.13 and gift the Bulldogs another week of football.

Although they were lucky to get over the line the Bulldogs were impressive in the final term, slamming on four goals to double their score, and will carry plenty of momentum into this week's game knowing they are still in the mix in Season 2011. Jackson Ramsden & Jacob Kalevski both slotted two for the winners, while Jake Meiers & Allan Mentor were named in the best.

## Finals Series (Week Two)

**Y**arraville Seddon & Williamstown go head-to-head this weekend as they attempt to earn their way through to the Grand Final, as the two best teams of the home & away season meet yet again. It was only a fortnight ago that the Eagles & Seagulls clashed in the final round of the season, a day that saw the Eagles overtake Williamstown on the ladder with the narrowest of victories and stitch up the minor premiership and the week off.

Williamstown were unlucky after holding sway at the top of the ladder for most of the season, and they were definitely out to prove a point last weekend as they got their finals campaign underway. The Manton boys were in fine form kicking five goals between them, while Zayne Wallace & Felix Sutter were named as best in the side's comfortable 45 point win over Werribee Centrals.

Werribee now have an across town derby against Hoppers Crossing, who kept their season alive with a ten point win over Point Cook. Warriors coach John Tiricola said it was a tough outing for his side who rallied well in the dying stages.

"Both teams started off well, and our midfield was doing a great job led by Bailey Valastrou, Kade Tuain, Riley Fisher, Bailey Sharp, Chase Garlett & Luke Steffanile," said Tiricola.

"The third quarter was a battle between the backlines, and the boys were fantastic under pressure led by Lucas Nardella, Connor Enever, Mathew Cain, Radwan Haddara & Ahmed Haddara."

"It was a tight last quarter and it got down to four points, and with one man down the forward line was battling hard led by Anthony Tiricola, Nathan Caulfield, Luke Timms, Brayden Salmons & Boss Hobson. They stood up to kick a winning score to seal the game. The team has had a great season so far and are looking forward to a great contest against Werribee Centrals this weekend."

## Finals Series (Week Two)

After a week off the undefeated St Bernards are back in action this weekend, as they clash with Old Westbourne for a spot in the Grand Final. Westbourne caused a semi-upset last weekend, knocking off Caroline Springs who finished two points above them in second place. The Lakers' sharpshooters didn't fire in front of goal and despite having almost the same number of scoring shots, they fell short by 31 points.

This weekend Westbourne will have their work cut out, as St Bernards spent their weekend off on 'footy camp' and looked primed and ready for their first taste of finals action. Last time the sides met St Bernards ran out comfortable winners, and with the height of Lachie Sholl and run of Oliver Liberatore & Nick Vinecombe, they're going to be a tough outfit to beat.

If anything is going in Westbourne's favour they are one of the only junior teams to pull a 'home' final and last weekend Connor Petrie & Regan Vesty did have blinders. It will be a tough ask none the less, but at least the Warriors have done enough to earn the second chance should they not get up this weekend.

Meanwhile Caroline Springs, who have now used up their second chance, meet Hoppers Crossing who just got over the line in a thriller against Flemington Juniors. Both sides almost doubled their scores in the final term as they realized it could be their last fifteen minutes of football for the year, and it was

the division's other Warriors that prevailed by nine points. Up forward Blake Pedrina was in dominant form, bagging four goals, while Ezzat Haddara & Chris Paton were named as best.

### SHARPSHOOTERS:

- 34 – Leigh Dyson (Caroline Springs)
- 27 – Jake Afoa (Flemington Juniors)
- 26 – Steven Kyriazis (Caroline Springs)
- 23 – Eric Hernandez (Hoppers Crossing)
- 21 – Blake Pedrina (Hoppers Crossing)

## IT'S OUR GOAL TO FIND THE MOST SUITABLE AND RELIABLE STAFF FOR YOUR BUSINESS.

As a Job Services Australia provider, we are contracted by the Government to provide a range of training and recruitment services for employers, and many of them are free of charge. Call us to today for a no-obligation discussion.

### RECRUITMENT

Tracy the Placement People is a team of professional consultants who source the right person for the right job. We help both employers and jobseekers with all their recruitment needs.

### EDUCATION AND TRAINING

ICP Educational Institute provides a variety of accredited training solutions for individuals or businesses wanting to invest in a new qualification or up-skill.

### TEMPORARY LABOUR HIRE

Fast Track is our temporary labour hire job placement division. Candidates are often recruited for specialised projects, heavy work periods or short term staff replacements.
