# FROM THE CEO

*Mr Bob Tregear*

Everyone involved in junior football, from Club and League officials to players and their parents have experienced the annual confusion in getting the season underway. With cricket and other summer sports not finishing until late March and the start of term 1 school holidays in early April, many junior football clubs remain uncertain of their final team numbers until late April. The desire to grade teams at appropriate levels adds to the complexity. Since clubs submitted their original nominations for 193 junior teams in mid-March, 16 teams have been withdrawn from the Sunday Junior divisions due to lack of numbers. While the remaining 177 teams represent an increase over the previous year, it is known that a few clubs are still in doubt about their ability to continue with some teams.

The innovation of single-year age groups this year provided an added challenge. Some clubs did not initially nominate teams in the Under 13 and Under 15 age groups, opting instead to enter the Under 14 and Under 16 divisions respectively. Big losing margins recorded in the first 2 rounds have led to those clubs requesting movement of teams to the lower age divisions. As if all that were not enough, the once-in-a-generation coincidence of school holidays, Easter and Anzac Day have created a virtual 3-week holiday break in April this year, making communication between clubs and their junior players even more difficult.

Given the disruption to fixtures caused by team withdrawals and requests for moves to lower age groups, the status of all junior competitions was reviewed by the WRFL Juniors Board last week. The key decision made by the Board was that the status of most of the 14 junior competition grades ranging from Under 11s to Under 16s was untenable and, as a result, fixture revisions would be necessary.

Key features of the revised fixtures are:

- The compositions of Under 9 and Under 10 grades remains unaltered. These non-competitive grades will continue with their Round 3 games on Sunday 1st May.
- The compositions of all other Sunday grades, with the exception of Under 15A and Under 11A, have been altered.
- The altered grades will reset their season starting dates, commencing with Round 1 on 1st May and concluding the home & away season at Round 13 on Sunday 31st July. Competition results, ladder positions and Best & Fairest voting from the 2 rounds already played will not be carried forward but will start from the new Round 1 on 1st May.
- The 2 unaltered grades (Under 15A and Under 11A) will carry forward their results and votes. Because no change has been made to the Under 15A and Under 11A grades, they will continue with Round 3 on 1st May, again concluding the home & away season on Sunday 31st July at Round 15.

A massive job remains to produce revised fixtures beyond the May 1 round. The new fixtures will be published on the WRFL website as early as possible next week. The WRFL Juniors Board is to be commended for its prompt and detailed response to the complex range of fixturing issues encountered this year. The Board will work with club officials and WRFL operations staff to identify strategies to reduce the confusion in future years. In the meantime, we wish all clubs and their players an enjoyable and successful season in WRFL football.

# THE TIGERS CLUBHOUSE

## *Commits \$50,000 To Local Clubs*

**S**ecuring sponsorship can be one of the toughest hurdles for local sporting clubs. Particularly in the current economic climate there always appears to be a shortage of companies that are willing to throw their weight behind local sporting teams – especially out in the west.

While there are the few lucky clubs who have a benefactor who regularly props up to the club's bank balance, the majority of local football clubs face the stark reality that at the beginning of every season there are fees to be paid, expenses to be met, and limited options to source funds to enable this to happen.

However for WRFL clubs based in the City of Wyndham, a new sponsorship scheme has seen several receive a sponsorship payment that can almost be compared to a lottery win.

Launched in 2010, the Werribee Football Club, in conjunction with The Tigers Clubhouse, announced a new community sponsorship program named Tigers Sports Assist. The program was open to all sporting clubs within the City of Wyndham with a total of \$50,000 available for distribution amongst clubs who registered to participate.

Following the conclusion of the 2010/11 promotion, several Wyndham based clubs received some excellent financial support, in particular the Wyndhamvale Falcons who received over \$23,000 from the Tigers Clubhouse.

Other recipients included the Werribee Bears Rugby League Club (\$15,700), Hoppers Crossing Gymnastics Club (\$6,700), Old Westbourne Football Club (\$2,300), Werribee Junior & Amateur Football Club (\$1,600) and even the Werribee Bushwalking Club (\$500).

Tigers Clubhouse General Manager, Julie Shelton, said she was excited the Clubhouse could contribute such significant amounts to local sporting groups and that the promotion would be expanded to include more local clubs in the future.

"The Tigers Clubhouse and The Werribee Football Club are very excited by the Tigers Sports Assist

Program which was an idea we derived from a similar successful incentive program ran by a sporting venue in Sale," said Shelton.

"As The Tigers Clubhouse is a community Club and the Social Venue of the Werribee Football Club we have always sponsored local sporting clubs for various sums of money over the previous years with the agreed understanding that these clubs would support us as their 'local' and preferred entertainment venue."

"By implementing The Tigers Sports Assist Program we are able to recognise & reward the local Clubs that have supported us. We have had an excellent relationship with the Wyndhamvale Falcons Football Club over the past two years with a sponsorship deal of \$4000 per year so we are absolutely delighted to award them a cheque this year for \$23,000."

"Similarly The Werribee Bears Rugby Club who had a sponsorship deal with us for \$2000 and now will receive \$15,000 from their participation in the Tigers Sports Assist Program which was as simple as coming to the Club for a beer after their home matches."

Western Region Football League CEO, Mr Bob Tregear, said the sponsorship scheme would contribute some vital funds to several WRFL clubs based in the Wyndham region.

"For many clubs securing sponsors every season can be a tough task, so to have a local business offering to share such a significant amount of sponsorship amongst local clubs is fantastic," said Tregear.

"Wyndhamvale has benefited greatly from the promotion, and there is no reason why other clubs in the region can't do the same."

The 2011/12 program has already been launched, and interested clubs should contact The Tigers Clubhouse on 9974 6900. The Tigers Clubhouse is a proud sponsor of the Western Region Football League and is located at 70 Old Geelong Road, Hoppers Crossing.

# MAJAK'S MAGIC START

## *Ex-WRFL Junior Pushes For AFL Debut*

When former Wyndhamvale Falcon Majak Daw made his way onto the Kangaroos Rookie List, many suspected it was as much of a public relations stunt as it was an educated signing. The hype around the competition's first Sudanese-born player dominated the headlines for at least a week however the jury was still out regarding his credentials on the park.

Fast-forward twelve months, and Daw may well have just had his breakout game. Albeit in the VFL for the Kangaroos' affiliate Werribee, Daw was simply magic amassing 45 hit-outs, 19 touches and two goals including what many have already dubbed the 'Goal of the Year'.

It was a performance that should have everyone talking about the athletic big man once more, and surely should see his name in the mix for rookie elevation this year. Before the start of the season Daw narrowly missed out to former Box Hill utility Cameron Pederson for an upgrade onto the senior list, however that was before anyone had seen performances like last weekend.

Werribee coach Paul Satterley was impressed with what he saw on the weekend, and likened his athletic ability to that of West Coast's Nic Naitanui.

"He's got a terrific vertical jump and he's got the pace and acceleration, so I guess there are some similarities," said Satterley.

"He tackles and he does all the things you want from big blokes... it was his best performance by a mile... it's not my call, but if he keeps playing like that, I'm sure he'll be knocking on the door."

The performance is a far cry from his opening years as a footballer, when a then 15 year-old arrived at Honour Avenue as a very raw untapped talent. For close friend and former teammate Joe Halloran, who Daw credits as his biggest influence, his progression is all the more surreal given his arrival at a Wyndhamvale pre-season training session in 2006 with little more than just a curious interest in the game.

"Back then he was hopeless," said Halloran.

"He really struggled to grasp kicking or marking and his game sense was just terrible. Since then, he's literally come along in leaps and bounds. Each year he's kind of doubled as a player. It's been so rapid, it's unbelievable."

Project Co-ordinator for the AFL Multicultural Program, Nick Hatzoglou, said he had closely monitored and already used him as a community ambassador for the AFL's Inaugural Multicultural Camp for teenagers. He said Daw's emergence as a player would resonate with Melbourne's Sudanese, African and broader communities, because of his heritage and how quickly he had embraced Australian football.

"It's been an amazing five years of re-settling into a country," said Hatzoglou.

While some might be getting a little ahead of themselves, with one punter slapping \$150 on Daw to win the NAB Rising Star at 501/1, there is no doubt he is a player in waiting and one that may add some much needed spark to the Kangaroos line-up.

When you consider that Daw had never seen a football five years ago, and couldn't speak a word of English ten years ago, there is no doubt he is a quick learner and one you would be happy to back to evolve further as a player in the not to distant future.

# DIVISION ONE

*By Leigh Eustace*

**T**he WRFL returns after the Easter break with all five Division One fixtures this round having so much on the line it's hard to know where to start. One though finds it hard to open with anything other than Spotswood entertaining Altona by the West Gate. The Woodsmen sought redemption on last year's premiers Albion in Round One, quashed traditional rival Port Colts two Saturdays ago, and look primed to be the Division One yardstick yet again. However the Vikings are fresh off a massive thumping of the Warriors, and a shock victory over the well-fancied Sunshine and could very well be the in-form side of the competition. It's a big trip for any opponent to travel to McLean Reserve but Altona will feel this will be as good a time as ever to knock off a resurgent and quite frankly revengeful Spotswood – and as such a bumper contest ensues.

Across the suburbs in a game of importance to match, Sunshine are back at Kinder Reserve with a surprising 0-2 record and hoping to get that first win as quickly as possible before concerns heighten for the Roos. Unluckily for the home side however they host an up-and-about St Albans who a craving a big scalp to kick start

their season. Whilst wins against Sunshine Heights and Glenorden were nothing less than expected, St Albans could not have started the season any better. The Roos can't afford to drop three from three whereas the Saints will be out to prove they are a serious flag contender.

In the other games this week, Albion and Port Colts clash with both teams squaring their ledgers last round to enter this game a win and loss each. The reigning premier will need to maintain pace with the Spotswood and Altonas if it wants to secure a double chance come season's end, while the Colts will be looking to bounce back after falling agonisingly short of the Woodsmen two weeks back.

North Footscray have gotten off to a flyer, winning two from two, and now head down the highway to battle a troubled Hoppers Crossing who remain winless. The Warriors will need to register a victory sooner rather than later, whilst for the Red Devils it's all a bonus in their first year back in the top flight. Lastly Glenorden and Sunshine Heights go toe-to-toe for a very valuable four points, with no doubt a big night in store for the victor.

# DIVISION TWO

*By Leigh Eustace*

**F**rom the results of the opening three weeks of football it is Deer Park that have emerged as the benchmark in Division Two, and this week it is West Footscray who make the trek to what will no doubt be a feared venue this year. With the Lions sitting undefeated and with a percentage comfortably over four-hundred, the Roosters will try and compete but in the end it will take a lot more than that if early season form from the Lions is anything to go by.

If we look for threats to derail the Deer Park domination Albanvale appear to be in the mix, with the only other undefeated team travelling to Yarraville Oval to take on an Eagles unit who fell short of those plucky Roosters two weeks back. The Cobras will go in favourites but as the Eagles proved last year, they can rise to a challenge and are never out of games. So whilst Albanvale will fancy their chances to hook onto the coat tails of Deer Park with a win, Yarraville-Seddon will be eyeing this game off as an opportunity to get into the mix.

Elsewhere, Parkside host Caroline Springs where both sides couldn't be more desperate to get back onto the winners list. Since a first weekend triumph the Lakers have been less than competitive and need to get their form rectified as quickly as possible. But the issues seem far greater for the Magpies, still yet to get off the mark in 2011, and where finals were and are still expected, nought and three is hardly a great building block to start the season.

In the other two games of the round, the Brookers with a win on the board take on a surprising Wyndhamvale, with the Falcons taking down the high-flying Laverton a fortnight ago. The lads from out west would go well ahead in the ledger with a win at Braybrook, and coupled with a more than comfortable percentage could almost fancy a cheeky thought at post-season football albeit very early in the season. Finally North Sunshine host Coburg District, with the Lions aiming to get their second win of the season and keep up with the league leaders.

# WILLIAMSTOWN & FIDA

## *Kicking Goals In The West*

The Williamstown Seagulls continue to lead the way in developing inclusive football strategies in the west, with their Williamstown Seagulls FIDA team making their historic debut last weekend. The Football Integration Development Association (FIDA) provides a regular, competitive fixture of Australian Rules football for players with an intellectual disability and its main aim is to provide access to football for anyone in Victoria with an intellectual disability. In partnership with the Williamstown Seagulls, the Williamstown FIDA side recorded a resounding 112-point win over the under-manned Cranbourne Eagles. The long-term contribution to FIDA football by Corey Murphy and Dominic Favorito was honoured with them being named Inaugural Co-Captains, and with the toss won, the Seagulls elected to kick into a slight breeze.

In perfect weather for football, the Seagulls slammed on six goals in the first quarter to really put their mark on the game. The milestone first goal was kicked by Taz Toussaint, and a flurry of goals followed, including two to boom recruit Daniel Cesaria. The play of the day saw Ray Causon attack the ball hard from Centre Half Back and pump it long into the forward line to set up a major score.

The second quarter was a carbon copy of the first, with the Seagulls piling on another six goals. The real features of this dominance were the team play, backing up, shepherding, precision kicking and handball that have been drilled at training.

The decision was made at half time to reduce the Seagulls on-ground numbers to twelve players, to give some exposure to more pressurised situations. This expanded the bench and made increased rotations possible – giving the side valuable experience for up & coming games.

Despite being outnumbered, the Seagulls kicked on in the Premiership quarter, and only some inaccuracy in front of goals prevented the score blowing out even further. To the Eagles' credit, they battled on, and were able to score their solitary goal in this period.

The final term presented an opportunity to give a number of players a chance to have a run in different positions, with forwards going to the backline, and backs going onto the ball which again bodes well for the future. Despite the big winning margin, it was great to see the Williamstown players' respect for their opponents at the conclusion of the match. On a day when everyone wore the Yellow and Blue proudly and in a common cause, the Best Players will be recorded for posterity as "Team Effort". In one of many firsts, the culmination of the afternoon for the Seniors was the opportunity to sing the Club Song in front of an appreciative crowd.

Unfortunately for the Reserves side, the drubbing that Cranbourne had received in the Senior game dulled their enthusiasm for a repeat in the Reserves, and the Eagles were unable to field another team. While pleased to receive

four points for the forfeit, the Reserves players wanted to show how much they have developed in the pre-season, so an intra-club scratch match was played. Coached by Football Williamstown cadets John Hearn and Matt Hughes, the nine-a-side game was a showcase for the development of the younger Seagulls. Kim Plummer showed that she will be a strong contributor during the season with some inspired football out of the centre, while Lewis Wardell's 60 meter run through the midfield was the highlight of the game. The large crowd were treated to polished performances from Dean Zavattiero and new recruit Michael Roach, along with solid efforts from Joe Dowling, Hassan Jamaledine, Tristan Sheahan and Nathan "Axman" Axiak in their respective backlines. Theo Causon was manful in the ruck, and his brother Ben, playing his first game for several years, showed he hasn't lost his touch. Chantelle Gordon and Daryl Rimmer continued to get involved and the mercurial Thuan Ma kicked the goal of the match.

Fittingly, the two teams were so evenly matched that the final outcome was a draw, and all the players joined together in singing the Club Song for the second time in the day.

The development of this FIDA side is yet another example of local sporting clubs extending their involvement within the local community, with the Williamstown Seagulls at the forefront in pursuing community relations in the west. On the same day the Williamstown Youth Girls made their debut on the park, as part of Football Williamstown, an organisation growing by the day to service all levels of football in the Williamstown community.

# UMPIRES CORNER

## *News From The Umpires Association*

**A**fter almost a month of football now completed, things are beginning to settle down a little. After a handful of games, most clubs are now getting some idea of what their season may hold for them. Of course, it is still early days and there are many more teams to play before anyone can get a true picture of how things might pan out.

Lots of senior players have made their debut and have been promoted to a higher grade. Hundreds and hundreds of the junior players have had to take the big step of promotion to a higher age level. This is sometimes a very hard thing for some youngsters to do. Hopefully everyone, including officials, parents, family and friends, can give the relevant support whenever necessary.

It is the same within the umpiring fraternity. Some umpires have been promoted to a higher level than what they have umpired before. Most will be ready to take the big step but it will still be a nerve racking experience for some.

The umpires have quite a number of mentors specially assigned to assist junior field umpires be introduced to the game. In many junior games you will probably see a more experienced umpire be teamed with a newcomer. This system has worked very well in the past four or five seasons. Sometimes you may see a junior boundary umpire trailing along behind another while learning on the spot and finding out exactly where to go and what to do during a game. Even in the goals you may see the two umpire system being used especially in some under-eighteen 18 games. One experienced goalie will be helping a newcomer in their first few games.

It is hoped that after a period of assistance the new umpires will be able to take a more active role later in the season. Fingers crossed, it may be the start of a long rewarding career involved in the game that all of us love.

## **RULES OF THE WEEK**

### **MELEE INVOLVING PLAYERS:**

In the event of a melee the umpire in control should endeavour to keep play flowing and leave the second umpire to defuse the situation. Where necessary a free kick may be given to remove the play from the problem area. Should no players desire to contest the ball the game is to be abandoned.

### **MELEE INVOLVING SPECTATORS:**

If any spectators enter the playing field during a melee the game is to be abandoned. Umpires are instructed to congregate together in the centre of the ground and leave the field together.

# DIVISION ONE (U18)

*Proudly Sponsored by Werribee Tigers Football Club*

**S**t Albans continue to set the benchmark in the Division One competition, sitting at 2-0 after two weeks of football. In Round One the side kicked the biggest score of the season to date in a 124 point win at home to Sunshine Heights, and last week it was a comfortable seven goal win over the highly regarded Spotswood. This week it is another tough assignment for the Saints as they travel to Kinder Smith Reserve for a morning fixture against the Kangaroos. Sunshine always put a quality eighteens side on the park, and if the Saints can manage to go three from three there will be some around the league that might start thinking that a 33-year premiership drought in the eighteens competition may be broken by seasons end.

The only other side sitting undefeated after two rounds of football are Altona who in 2011 have a very deep list of players to choose from. Fielding two sides in the

eighteens competitions the Vikings scraped home against the defending premiers Hoppers Crossing in Round One, and then ran out seven goal winners in a one-sided fixture away at Sunshine in Round Two. Both results have come against highly fancied opposition, and if the Vikings can take the four points at McLean Reserve against Spotswood this weekend they may also be thrown in the mix as serious premiership contenders.

In other fixtures Albion will be searching for their first win of the season when they host Sunshine Heights, while North Footscray will also be trying to avoid a 0-3 record when they meet Hoppers Crossing. After a shock loss in the first round at the hands of Altona, the Warriors returned to their premiership winning ways with a 121 point win over Albion last round and should re-enter the top three with a solid away win this weekend.

# DIVISION TWO (U18)

*Proudly Sponsored by Werribee Tigers Football Club*

Another week of football has passed and it's still Point Cook & Wyndhamvale that hold sway at the top of the Division Two ladder, with Point Cook holding on against a fast-finishing Albanvale last weekend while Wyndhamvale picked up as many points courtesy of the bye in the fixture following Laverton's withdrawal.

The Point Cook and Albanvale fixture was billed as one of the early 'games of the season', and the see-sawing match at Boardwalk Reserve certainly lived up to the hype. The home side got off to a flyer courtesy of some brilliant accuracy in front of goal, and by three-quarter time maintained a handy 12.1 to 7.5 lead. However the Cobras came home with a wet sail in the last quarter, and fell short by 13 points despite restricting Point Cook to just two points in twenty minutes of football.

Both teams will take plenty from the game going forward. For Point Cook they have now won two nailbiters, and should take merit from their ability to play good football under pressure. For Albanvale it was a

spirited effort, and after two comfortable 90-point wins they will now get a feel for where they sit amongst the other benchmark sides in the Division Two competition.

This round Point Cook find themselves in another top-of-the-table clash at home to Wyndhamvale. Coming off the bye this will be Wyndhamvale's first real test of the season after wins over the Altona & Hoppers Crossing 'seconds' sides in previous weeks. Meanwhile Albanvale travel to Deer Park with the Lions easily disposing of Caroline Springs & Parkside over the past fortnight after their one-point loss to Point Cook in the opening round. This game is also going to be a cracker, with Deer Park potentially poised for an upset win.

In the remaining fixtures Parkside will look to continue their good form when they host Caroline Springs, with the Magpies coming off a 139-point thrashing of St Albans before the Easter Break, while the St Albans and Hoppers Crossing second-string sides clash at Kings Park Reserve.

# AFFILIATES UPDATES:

## *Western Bulldogs*

**T**he Western Bulldogs have used their round four bye in the AFL fixture to address issues arising from their disappointing first round loss at the hands of Essendon. However defender Dale Morris believes that the bye has come at a bad time for the club as they started to gain some kind of momentum after two consecutive wins over the Brisbane Lions and Gold Coast Suns.

“It’s a bit of a pain that you have to wait the extra week to play the game and continue the building process so time will tell how it goes,” said Morris.

With the Adelaide Crows losing to West Coast after their bye, the Western Bulldogs are training hard and focussing on maintaining a positive mindset to ensure that it does not happen to them.

“If we train well and the intensity is high, then it’s a safe bet to say we’ll bring that into the games but if training drops off, intensity drops off and we’ll more than likely bring that into the game instead.” Morris said.

In off-field news, the Western Bulldogs have become involved in the launch of Disability Workers Australia (DWA), which aims at creating more job opportunities across the national football industry for those who have a disability. Club President David Smorgon said that the Western Bulldogs were very proud to be involved in this program, and are committed to eliminating discrimination for people working with disabilities.

## *Werribee Tigers*

**D**espite the fierce on-field rivalry out west between the Tigers and Seagulls, off-field it is a different story in 2011. Through the generosity of the Werribee Football Club, Williamstown will be hosting five home games at the Tiger’s home ground, Avalon Airport Oval, this season.

At each Williamstown home game held down at Avalon Airport Oval, Werribee volunteers will be running canteens and bars throughout the match, with all proceeds going back to the Tigers. Additionally, all paid up and passionate Tigers fans will receive half price entry (\$5 instead of the usual \$10) to these games, upon presentation of their 2011 Werribee membership ticket.

So get down there and support the west. The next Williamstown game to be held at Avalon Airport Oval is the Round 6 clash between the Seagulls and Sandringham, on Saturday May 7th. This match will also be broadcast live by ABC TV, so whether you support the Tigers, the Seagulls or just the game in general, be sure to wear your footy colours loud and proud to show the rest of Victoria that out in the west, we’re the real deal!

Meanwhile in Tigers on-field action, Round 5 presents a battle with the Box Hill Hawks. In what will be a busy few weeks for the VFL down at Avalon Airport Oval, the Tigers and Hawks will kick-off at 2pm on Sunday 1st May.

## *Williamstown Seagulls*

**T**he Seagulls are up & flying! Sitting close to the top of the table, the Gulls have experienced an almost perfect start to the season. Despite still feeling the fatigue from their trip west to compete in the Foxtel Cup, the Seagulls still managed a gutsy win over the Box Hill Hawks at Avalon Oval last weekend. Thanks to the Western Bulldogs bye in the AFL fixture, the side was padded out with several of the Bulldogs future stars with Minson and Veszpremi both snagging four majors each, and youngsters Mitch Wallis, James Mulligan & Sam Reid amongst the best.

However, the blue and gold colours have been flying high in more than just the seniors' competition with two new Williamstown sides recording their first wins over the weekend.

The newly formed F.I.D.A. side recorded a 112-point win over a depleted Cranbourne side in their inaugural club match. F.I.D.A. provides AFL skills clinics and premierships tournaments for players with an intellectual disability, and as part of a commitment to making football accessible for all of the Williamstown community, the Seagulls have fielded their first F.I.D.A. side in 2011. Meanwhile, the just as fresh Williamstown Youth Girls' team recorded their first win of the season against Deer Park, in a nail-biting 5-point thriller.

In Round 5 the Seagulls face the Coburg Tigers in an away clash at Multiplex Oval on Sunday 1st May at 1pm.

## *Western Jets*

**T**he Western Jets have suffered their first loss for the season, going down to the Northern Knights by 14 points at Visy Park. The Jets started off strong in the first quarter with nine more inside fifty's than their opponents – and with the addition of their sturdy backline took a 5.1.31 to 1.0.6 lead into the first change.

The second term saw the tide turn as the Knights took control of the quarter, with multiple goals from Billy Longer allowing them to put some much needed points on the scoreboard. One of the Jets shining lights Jaxon Cooke took a big hit early in the term, staggering off the field as the Knights went into the half time break with a five point lead.

A more determined Jets outfit took to the field in the third quarter, with great goals from forward Ashlin Brown who finished with four

majors for the day and Jordan Mead with two, bringing the margin back to three points in favour of the Jets.

Jack Charleston was solid in the last quarter for the Knights, with the Jets backline under immense pressure as the Knights dominated the forward line, kicking 3 goals in the final term to end the match running out 14 point winners.

Among the Jets best were Courtney Hylton, Jack Charleston, Ashlin Brown, Jordan Mead, Adam Kennedy and Kym Taylor. The loss places the Jets second on the ladder behind the Sandringham Dragons, with five other teams trailing closely behind them by percentage. The Jets Round Four clash is against the Gippsland Power on Sunday 1st May, at Morwell Football Ground at 12pm.
