F&Y Socials were a strong and powerful Club during the late 50's 60's and into the 70's they provided the, then VFL & VFA with many outstanding footballers.

Many great people have served this great Club over the years, and to recognise these people, we call upon all those that played officiated and supported our great Club to attend the 2013 Re-union.

This year has special significant, as it is the 50th anniversary of our last A-grade Flag, our opponents that day was the Seddon Football Club and a warm welcome is extended to their Champion Alan Clough and his Team.

Also celebrating [how could we missed this one last year] this Year marks the 51st anniversary of the un-defeated U/18 Premiership Team, and not to be missed the U/16 Team coached by Dougie Jones played in their first ever Final.
