

COUNTDOWN TO SEASON 2014

ST. BERNARD'S FOOTBALL CLUB

For club Vice President Darren Attard and the St. Bernard's Football Club, it's all about playing regular football, developing skills and having fun in 2014.

Number of teams this year:

Approximately 12 teams all up this year.

Pre-season News:

We have appointed some wonderful new coaches as well as having a great influx of new committee people. All our players I am sure will enjoy a great 2014 season with all the new blood that we have on board.

We could not run the footy club in the way we do without our Major Sponsor Nelson Alexander Real Estate who have been joined in 2014 by Claytons Kitchens and Marbut Stone.

Expectations for 2014:

Our first priority is that all players get a regular game of football, then develop those skills as best they can with our dedicated coaching team and most importantly have some fun. If this brings some finals joy then that is great, if not and they have achieved our objectives then that is also fine with our club.

Staff/coaching changes:

We have had some changes in coaches which is inevitable including Paul Rocke 16a's , John Gavin 14c's , John Driscoll 13a's , Bernie Edmonds 11a's. These are all very capable men who will guide their teams to enjoyable years . The committee has gone through a big turnaround with many of the key positions now being filled by new people who have kindly put up their hands to help.

Upcoming Events:

We have our now annual comedy night happening in July (with a date soon to be confirmed) so stay tuned for that! We use Funny Guys.com and they always provide us with great comedians.

Any new junior players interested in joining the St.Bernard's Football Club is asked to contact Adrian at junioradmin@stbernardsfc.com.au

Contact the club:**President-**
