JUNIOR FINALS WEEK 2

By Kirstie Fitzgerald

Welcome to Week Two of the WRFL Junior Finals series. Today, over a thousand juniors will take part in the second round of the four weeks of junior finals. Last week and over the next three weeks we will all experience mixed emotions there will be jubilation as well as disappointment. Yet regardless of the outcome, finals football provides memories for everyone involved, fun, friendships and for many players, these finals will be remembered long after their football careers have come to an end.

While we all like to win our way through to the ultimate prize- the premiership, it is important to recognise that if you don't win, while disappointing, you should be proud of your achievements this year. We often forget that there are thousands of players of your age right around the country who missed out on a chance of playing finals, let alone in a Grand Final. The fact your team has made the finals is an achievement in itself and something you should be proud of, as well as a reward for three months of football over what at times, has been a cold and wet winter.

Throughout the season clubs have been awarding the Junior Heartland Award which recognises good sportsmanship. Even though players and parents build themselves up for the finals series, lets ensure we all continue to display those traits of good sportsmanship and respect for each other, our opposition and our umpires throughout the finals.

Junior football is about having fun, developing new skills, forming friendships and trying your best, and all these things are achieved whether you win or lose a premiership is simply the 'cherry on top of the cake'.

As a league, we encourage all spectators to also applaud good performances and efforts by your team as well as

their opponents regardless of the result. We also remind you to please respect the decisions of our many volunteer umpires and officials, who like the players are excited about the prospect of being involved in the finals. No doubt there will be mistakes made...by both the players and umpires, but when they occur remember that it's only a game and yelling and shouting at a player or umpire will not help the situation, and above all sets a bad example to our players, many of whom are young and impressionable.

If we can all keep these points in mind over the next few weeks of finals, then we will be doing our part in ensuring the kids running around in our junior competitions are enjoying and will continue to want to enjoy their time spent playing football.

In other football news, we have a great story on how the combined Under 13 Deer Park/Caroline Springs team worked this year on page 3, a story on the Hoppers Crossing undefeated Under 14s team on page 5 as well as a special player profile on one of the WRFL's Future Stars on page 7. Of course, we have all the latest team lists, game results, and images of the week for you to check out from page nine onwards.

If you have any stories, images or news you would like to see in the WRFL Junior Finals Record, please contact me at k.fitzgerald@wrfl.asn.au or keep up to date on our Facebook and Twitter pages.

Until then try hard, play fair, kick straight and above all have fun.....and the best of luck to you and your club on the weeke

Coaches Wanted

Are you a football coach looking for a new challenge?

Are you passionate about how kids should be coached and the game taught?

The Yarraville Seddon Eagles Junior Football Club is looking for Coaches to join our current team of dynamic coaches for the upcoming 2014 season.

In this volunteer role, we look for our coaches to provide leadership in a fast growing junior sports club and help develop the right culture to give young players the best chance to enjoy their football.

With all eligible teams participating in finals this year we are looking for coaches to teach the skills and attitudes required for children and young men to be good footballers, great teammates and valued club members.

Requirements are that coaches hold a level 1 AFL coaching accreditation and have passed a working with children background check.

Interested applicants should reply by email, with a brief outline of their football backgrounds and attitudes to yseaglesjuniors@gmail.com

CLUBS UNITE TO PLAY JUNIOR FOOTY

By Kirstie Fitzgerald

Whilst it's not unusual to see two different clubs fight it out on the footy field and see opposition spectators align themselves on opposite sides of the ground, it's not every day you see two clubs come together and create a combined team.

Deer Park Under 13s coach, David Foley was faced with every coaches worst nightmare of not having enough players to fill a side just one week out from the first game of the season.

"I only had 13 players...then I heard that Caroline Springs had too many kids for an Under 14s side and they were trying to juggle their numbers to field an Under 13s side topping up from Under 12s," Foley said.

After speaking to Deer Park President Mark McGoldrick and Caroline Springs President Dean Ellis, both agreed that it was all about the kids playing footy and that it was a great idea for the two teams to merge.

"I also met with the Junior President at Caroline Springs Shane Psaila and we agreed on fielding a combine side the following Sunday," Foley said.

"Then I found out that Gary Turner was the Caroline Springs coach and was thrilled, as Gary and I were friends anyway and have the same philosophy about kids footy."

Having an even amount of kids represent both clubs in the newly combined team, Foley and Turner have continued to share the load and responsibilities between both clubs evenly, throughout the season.

"Earlier in the season, we would train Tuesday night at Deer Park, Wednesday night at Caroline Springs and then together on Friday nights, but due to the weather getting worse and ground closures we just train twice a week at Caroline Springs.

"Coaching the kids has been made easier too, because if I can't make training due to work commitments, they'll still have a coach and a team of assistants to help them and on match day the kids really benefit from having two coaches...we even had to rotate the runners role too as we had two runners!"

The team has also shared the amount of home games throughout the year, playing four games at Caroline Springs and three games at Deer Park, as well as match day equipment, uniforms and even the team song.

"If it was a Caroline Springs home game, then we wore the Caroline Springs jumpers and the same goes for Deer Park home games, and we were fortunate the sock and shorts were almost identical so that helped," Foley said.

"After the game, we also sing both club songs, which is great to witness."

Coaching the side he once played for 37 years ago, Foley said that the merger has received really positive feedback from both clubs and their supporters, and if it weren't for the joint side, many kids may have left the sport altogether.

"It's been really positive feedback and parents have been rapt with how the whole thing has worked out.

"Both clubs have Burnside and Sydenham from the EDFL on our door step taking players, so this was the best outcome to keep our player at their respective clubs an playing in the WRFL and possibly still playing football at all, if either side folded."

And what a dynamic combination it has been, with the Deer Park/Caroline Springs finishing fourth on the ladder with seven wins for the season, and qualifying them for a finals birth.

Yet despite their loss last weekend in their Semi Final match against Old Westbourne, the year itself was a big success.

"Regardless of the score, we went out and played our best, respect our opponents, umpires and teammates and enjoyed the day, as playing finals is always a great experience."

UNDEFEATED WARRIORS MARCH INTO THE FINALS

It's safe to say the Hoppers Crossing Under 14s team know their club song by now, having sung it every weekend during the home and away season, after being undefeated all year.

A perfect season is not an easy feat to achieve at any level, with the Deer Park Seniors side the last team to remain undefeated throughout the home and away season and finals series in 2011.

"The team has so far been successful because we have no one player that is relied on, we have set about structuring this team on a motto that only a team can win and not an individual and I think they have shown that by playing this way, we are hard to beat," coach Jason Rainbow commented.

Beginning his coaching career in 2006 with Hoppers Crossing's Under 10s team, Rainbow has enjoyed being involved with the WRFL interleague squad coaching the under 13 and U16s, as well as spent three years with the Western Jets Under 15's as a development coach.

This year marks Rainbow's second season with the Hoppers Crossing U14s side, and despite the team's disappointing season last year missing the finals, it seems a solid year of development over the summer has held them in good stead in 2013.

"This group really needed some serious development and team bonding, it just seemed as though there were a lot of individuals and players intent on only passing to certain players.

"This year we added six new players and they have added a tremendous amount of depth to our team and we now have players who play every position well and we can change things quickly to cover injuries or game plans to suit us on the day."

And it seems like the development in the players themselves has also paid off, having ten boys from the team selected to represent the side in the WRFL Interleague U14A and U14B squads this year.

"Our key message all year has been to have trust and faith in your ability and teammates and to run and be bold to take on the game when the chance arises."

With an average winning margin of 80 points, the team was really tested in Round seven where they just got over the line against a very competitive St. Bernard's outfit by a mere five points.

Yet despite their home and away success this season, Rainbow is not convinced that the upcoming finals series will be easy.

The Hoppers Crossing U14 team celebrate yet another win during the home and away season. Photo: Provided by Erin Jewers Barber.

"The finals campaign will be interesting, I don't believe there is a team in there that won't push us in games, and I couldn't honestly say any one team is more of a threat than the others. They are all represented by classy players and good coaches, so I'm certainly looking forward to the challenge, as is the team.

"I've always maintained that flags do not represent success and have coached accordingly to that statement, as I believe true success comes from the group's ability to bond and play structured team football," Rainbow said.

Finishing on top of the ladder with 14 wins and a staggering percentage of more than 400%, the team enjoyed a week off during the first round of finals last weekend to prepare for their premiership campaign.

"We had the first round off so we just had a light training session at Hoppers on Sunday, then went down to Grant Reserve to watch the other two teams who we will play next week."

Whilst the team's on-field success has been evident this year, Rainbow was quick to credit his off-field team of supporters and staff who have played a huge part in the team's success.

"I would like to say in football, you need to surround yourself with great football staff and this year would not be possible without the support of great people helping me like Brett Kizan, Ian Holmes, Anthony Windram, Ross Neville and Daryl Parker, thank you men, it's been a pleasure."

The Hoppers Crossing U14s squad will make their 2013 finals series debut this weekend when they take on a mighty St. Bernard's squad at 12.20pm Sunday August 11 at Crofts Reserve.

APPAREL BY XTREME

Apparel By Xtreme is a local business operating at
Unit 1, 22-30 Wallace Avenue Point Cook.

Over the last few years Apparel By Xtreme has established a reputation for their service ethic to a wide range of clients. Specifically Apparel By Xtreme have supplied sporting clubs throughout metropolitan and regional Victoria with their 'pre-season' training, and 'after game' apparel. Apparel By Xtreme also provide a "one stop shop" for purchases of promotional material, such as stubby holders & drink bottles.

WRFL Clubs can buy off the rack garments from the many suppliers we use throughout Australia. Alternatively clubs can design their own garments to ensure their own unique design.

Football is ready for a colour explosion with the "latest look". Apparel By Xtreme's aim is simple. To provide the highest quality customised garments, brilliantly designed and promptly delivered. The "latest look" is in the way of high quality fully sublimated training and aftergame wear.
