HEARTLAND

AWARD

Congratulations

As a proud partner of the WRFL, the Western Bulldogs would like to congratulate all WRFL juniors on a terrific season.

Well done to everyone that won a Western Bulldogs Heartland Award during the year. Make sure you enter the competition for your chance to WIN an experience at Whitten Oval with Jordan Roughead.

Check out our Community section on the Western Bulldogs website to enter.

MAJOR PARTNER OF THE WESTERN BULLDOGS

ANOTHER GREAT YEAR FOR OUR JUNIORS

After five months of competition, grueling weekly training sessions in all sorts of weather conditions and 14 Rounds of football later, the WRFL Junior competition will come to a close for another season. This Sunday, the remaining six Junior Grand Finals will be played at Wootten Road Reserve, marking the end of another successful year of junior football.

This weekend also marks the first ever combined WRFL/EDFL Youth Girls Grand Final contest where one team from each league battled it out for Premiership glory. Yesterday (Saturday) the WRFL's St.Albans took on the EDFL's Sunbury at Wootten Road Reserve. We hope that plenty of supporters went down to see what would have been a terrific match between two talented teams putting it all on the line for a chance to hold up that coveted Premiership Cup.

In other football news, the leagues very popular Junior Presentation Night will be held at the Wyndham Cultural Centre on Wednesday September 11. The Junior Presentation Night is a time where the WRFL celebrates the junior football season as a whole and recognises the best-on field performers from across the west. This year the WRFL is proud to announce some young leaders from The Whitten Project will be working with the league to assist in the delivery of the Junior Presentation Night. The Whitten Project is a new and innovative Western Bulldogs youth leadership program, involving a squad of 40 young boys and girls from Years 9-10 engage in their community and develop leadership potential through the vehicle of sport – especially football. Through the Whitten Project's involvement with the WRFL Junior Presentation night, it provides them with another great opportunity to develop their confidence and interaction with the public.

For more information about the upcoming Junior Presentation Night, please contact your club President or Administrator for all details, as they will be the first point of contact from the WRFL. All votes and polling information

from the junior competition this year will be released on the WRFL website after September 11, so please keep an eye out for them after this date.

In this week's Footy Record, be sure to check out page three for a look at how one Werribee Centrals player is helping find a cure for cancer, as well as page five for a great profile piece on one Under 15s player from Point Cook in this week's WRFL Future Stars segment. Of course, we have all the latest team lists, game results, and images of the week for you to check out from page seven onwards.

If you haven't already, don't forget to tune into the latest episode of the JUNIOR TV FOOTY SHOW online at the WRFL website (www.wrfl.asn.au) for some great interviews and football action from Week #3 of the junior finals series. And whilst you're there, remember to have a look at the latest WRFL LEGENDS SERIES episode, featuring some of the league's past great players including Len Murphy, Robert "Bones" McGhie, Terry McGarity, Andrew Gibson, Des Tuddenham, John Lloyd and Barry Priest.

Given this is the last Junior Record it would be remiss of me not to mention the League's two major Junior competition Sponsors. The Western Bulldogs, who look after our Juniors from the Under 9's through to the Under 14's, have been fabulous partners of the league highlighted by their involvement in the hugely popular Heartland Award initiatives. This year we are extremely pleased to have the Werribee Tigers extend their involvement with the Under 18's to include the Under 15's and 16's this year as well, your support is greatly appreciated.

Until then try hard, play fair, kick straight and above all have fun.....and the best of luck to you and your club on the weekend.

PROUD SUPPLIER OF THE WRFL

RIDING FOR A CURE

By Shannon Brien

"If I am a little bit sore after a game of footy or I am facing a fierce head wind and think I am doing it tough, all I have to do is think of all the people who are fighting this disease and doing it a lot tougher than me, and this gets me up and going," Shane Weatherly said.

This disease is cancer, a disease that touches many Australians either directly or indirectly every day, with 108,000 new cases of cancer diagnosed this year alone. Shane Weatherly of the Werribee Centrals Football Club is participating in the Tour De FightBaCC (Fight Breast and Children's Cancer), a 905km bike ride from Adelaide to Shepparton.

Taking place later in the year from October 5-11, Weatherly reveals the grueling seven day bike ride will be in honor of both his sister and mother.

"My motivation for participating in Tour De FightBaCC is being robbed of getting to know a sister as she lost a long battle to cancer in 1993, to then losing the biggest inspiration in my life, my mum, in early 2012 to this unwanted disease."

Shane's father Graeme and brother-in-law Dale are also very passionate about finding a cure for this disease, and were the main organisers in getting the Tour De FightBaCC up and running.

"Both my father and brother-in-law set up the Tour by scratch in order to raise some much needed funds for cancer."

In its inaugural year, the ride sees a team of 15 riders pledge to raise a minimum of \$2000 individually to the cause, along with any additional support and donations from major sponsors.

Through the ride, Weatherly hopes to raise as much money as possible, in order to one day eliminate cancer so that no one will have to bear the loss that so many Australians have already experienced.

"The Football Club has been a great support, having a fundraising tin on the bar for members, players, visitors, opposition footballers, committee members and pretty much anybody who wishes to add money to the cause," he said.

Shane has been involved with the Werribee Centrals Football Club for three seasons and is this year's Vice-Captain of the seniors team.

"The club is looking to become a silver sponsor by raising \$1000 for the Tour De FightBaCC, which will be a great achievement for the club."

The winter season has made Shane's training efforts

Werribee Centrals' Shane Weatherly jumps on his bike for a good cause. Image supplied.

a lot harder, especially having to brave the icy winter mornings in lycra or follow up with a tough Sunday training session after playing footy the previous day. Although he finds it difficult at times, he reminds himself of the cause and that the momentary discomfort he faces during training is nowhere near comparable to the pain cancer sufferers face daily.

The Cancer Council Australia estimates that one in two Australian men and one in three Australian women will be diagnosed with some form of cancer this year. Shane doesn't seek personal recognition, but merely awareness for the cause.

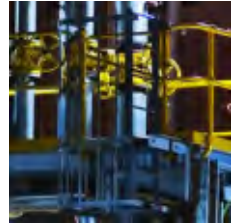

"I urge everyone to support these charities that are striving to either prevent cancer or to restore and maintain a quality of life for sufferers and their families."

So next time you buy a drink from the bar at the Werribee Centrals Football Club, remember to pop the change in the tin, every little bit helps.

For information on the ride, a list of sponsors or even the opportunity to donate, please visit www.tourdefightbacc.com

ALAN MANCE MOTORS

Hi there, Phil Mance here from Alan Mance Motors. We've enjoyed our partnership with the WRFL this year and congratulate everyone involved.

Football brings communities together and Alan Mance Motors hopes all players, officials, volunteers and supporters from all teams across Melbourne's western suburbs enjoyed the year, whether their team made the finals or not.

Not everyone can be a winner in football....but everyone can be a winner when they purchase a vehicle from Alan

Mance Motors. Alan Mance Motors not only offer all associated with the WRFL the opportunity of purchasing a great car at a great deal from one of their local dealerships at Footscray, Melton or Bachus Marsh, but are also supporting community football clubs in the west by offering a generous rebate program. Each WRFL Club could be eligible to receive a 'spotters' fee for every new or used car sale (new car vehicle - \$300, used car - \$150....) when the buyer of the vehicle mentions the name of their club.....and this offer doesn't end at the final siren in September...it goes all year round.

So when you're thinking of buying a new or used car, think about helping your club as well as getting a great deal yourself.

And remember-don't lose your shirt.... don't lose your pants...don't take a chance, go to Alan Mance!

UMPIRES CORNER

By Graeme Hodgart

Last Sunday saw the commencement of the majority of the WRFL junior grand finals for season 2013. This weekend sees the completion of the remaining junior grand finals with the U16C, U14A, U12B, U11A, U11B, U11C and Youth Girls competitions. Congratulations to all teams and clubs who will be, and have been successful in their quest to win a premiership, and commiserations to those who were not as fortunate, and had to make do with second best. Sometimes, after having such a good season and then falling over at the last hurdle can be quite devastating. Whilst the premiership can only go to one team on the day, there are many individual and team successes during the season that players, officials and supporters should remember and be proud of.

During last week, the WRFL Umpires Department acknowledged some individual successes of their own, at their annual WRFL Junior Umpires Presentation Night. An important event on every umpire's calendar, the night saw the major junior umpiring awards presented, as well as the appointments for all junior grand finals. Getting bigger and bigger over the last three seasons, the night was held at The Club in Caroline Springs where close to two hundred parents, umpires and other family members attended.

WRFL CEO Bob Tregear was amongst the special guests in attendance, as well as current AFL Field umpire, Troy Pannell who was the guest speaker on the night. Troy began his umpiring career with the WRFL in 1990 as a 14-year-old and developed quickly, umpiring the Division One Senior Grand Finals in 1994, 1995 and 1996. After a two year stint in Queensland umpiring, he was added to the VFL list and finally promoted to the AFL list in 2005. Not everything went his way, but he is back on the top list and has umpired 122 AFL matches including one final. In his speech on the night, he emphasised that young umpires should be prepared to ask questions, seek guidance from those more experienced and to listen to advice. Troy also mentioned that communication and composure were two key elements in an umpire's development.

After Troy's speech, the award presentations commenced. Boundary umpire Joshua McMorro received the Bruce Pain Perpetual Trophy while goalie Emma Humphries won the President's Award for her persistent effort throughout the season. Nicholas Robson was presented with the Most Improved Umpire Award. Trophies were also handed out to the best umpires at each of the academies. The umpires concerned were Ebony Stevens and Riley Coleman (Caroline Springs), Zoe Harrison and Lachlan Pietzsch (MacKillop), Aimee Cassar and Lachlan Farrow (Maribyrnong) and Mitchell Taleb (Scovell).

Many of these umpires featured in the junior grand finals over the weekend, which were announced to the crowd on the night. The individual awards and the appointments to various grand finals are just some of the rewards that the young WRFL umpires can receive as they continue in their formative years of umpiring. Hopefully, many of them will continue their umpiring careers next season. The more games that they umpire mean that they will build and develop their skills, abilities and experience. Just possibly, in a few years time, some just like Troy Pannell did back in 1994-96, will be able to umpire in a Division 1 Grand Final. Only time will tell.
