WELCOME TO 2013 WRFL

Round 1 2013

Welcome to the 2013 WRFL football season as the senior competitions get into full swing this weekend with the first round of Division 1 competition.

The early Easter this year enabled a WRFL-first, with St Albans and Hoppers Crossing playing their fixtured Round 3 match on Good Friday. In perfect football conditions, a crowd of more than 1,000 enjoyed a high-standard senior game under lights at Kings Park with Hoppers Crossing prevailing in the end by 16 points. Congratulations to both clubs for their vision, particularly to St Albans as hosts. The success of this ground-breaking venture provides confidence for the return match between these two clubs next year and into the future.

Round 1 of Division 2 last Saturday featured the first outings for new clubs Manor Lakes and Sanctuary Lakes. Their successful entry to WRFL competition is a taste of things to come, as the population boom in the Melton-Wyndham growth corridor drives the formation of more new clubs in coming years. We are fortunate too that Wyndham and Melton Councils are planning and delivering huge investments in high-quality, new facilities for football, providing accommodation for the new clubs as they evolve.

Wyndham Council staff have worked closely with the WRFL and AFL Victoria to establish both the Manor Lakes and Sanctuary Lakes clubs. We look forward to continuing that partnership as more new clubs are formed and new facilities developed in the years ahead.

Sunday junior competitions kick-off on Sunday 21st April, with 185 team nominations received to date. U13 Girls and Youth Girls games will be played at club venues this year, rather than at the Holland Park central venue. With the rapid population growth in the outer-west and urban regeneration in some of our inner suburbs, we can expect further growth in junior numbers for many years to come.

Last year's theme of "WRFL-Connecting Footy across the West" will continue in 2013 and into the future. Community Football plays a major role in community development and quality of life. The WRFL is the key provider of mass-participation football in Melbourne's west; and provides the starting point for all eventual AFL-list players growing up in our region. Throughout the year we'll celebrate the rich history of the WRFL and our flourishing partnerships with the other western region football icons: Western Bulldogs, Western Jets and Werribee Football Clubs.

Our support to the EJ Whitten Foundation will continue, promoting the messages of Men's Health and inspiring young players in today's WRFL clubs to follow Ted Whitten's path from local footy to AFL stardom, hopefully with the Western Bulldogs. Our 6-7 July round will be themed around support for the Foundation, leading into the popular Legends game at Etihad Stadium on Wednesday 10th July.

Thanks to all of our sponsoring partners who are featured throughout this Footy Record, and welcome to our new partners Amazon Financial Group and Alan Mance Motors. This year the A4e Group (Tracy) take on the Division One naming rights, the Trade Institute of Victoria remain sponsors of Division Two, Werribee Football Club have extended their partnership to our U15 and U16s competition, whilst the Western Bulldogs are now the major sponsor of our WRFL Juniors. We thank them for their commitments and contributions and encourage all WRFL players, officials and supporters to use their products and services.

On behalf of President Bill Baarini and the WRFL Board, best wishes to all for an enjoyable and successful 2013 WRFL season.

THE WESTERN BULLDOG HEARTLAND AWARD

New WRFL Junior Award

It's an old, but true saying, "it's not whether you win or lose- it's how you play the game that counts."

With this in mind, the Western Region Football League, in conjunction with the Western Bulldogs Football Club have developed the Western Bulldogs Heartland Award for season 2013, which recognizes a junior player, in all junior games from U9s to U14s, who displays the most sportsmanship, determination, perseverance and courageousness on the field.

At the conclusion of each match, when the two teams come together to shake hands, the coach from the home team will select one player from the opposition side, who they believe embodies the true essence of the game- that being fair play, fun, involvement, and respect for both opposition and umpires.

All junior players within the WRFL who are registered in the U9s competition, right up to the U14s are eligible for the award, with a special Heartland Award certificate presented to the winner at every home and away match throughout the year.

Earmarked as a key member in the Western Bulldogs backline, tall man Jordan Roughead has been named as the patron of this award, and could not be happier to be a part of the new initiative.

"I think it's a fantastic idea, particularly for junior teams at a grassroots level, as it shows kids that it's not all about winning, but about having fun with your mates," he said.

The Western Bulldogs Heartland Award will be given to a player who is not necessarily the best on ground or scores the most goals, but will be awarded on the basis of mateship, second efforts and commitment to the team.

The weekly winners of the Heartland Award will receive a certificate of recognition, which includes a 10% discount off all Official Western Bulldogs merchandise from the Bulldogs Shop at Whitten Oval and at Etihad Stadium on Bulldog game days.

Each winner is able to register online to win the major prize of a unique Western Bulldogs Experience with Jordan Roughead for you and a friend, plus a special guided tour of Whitten Oval and its training facilities.

Tracy's Joins the A4e Group of Companies

Locals may have recently noticed some changes in the branding of The Tracy Group – a leading provider of education and job services in regional Victoria and Western Melbourne.

The Ballarat-based Tracy Group is a Job Services Australia provider who is well known in the Western suburbs of Melbourne. The group also includes FastTrack, providing labour hire and payroll services, and a Registered Training Organisation known as ICP Educational Institute, which delivers over 49 qualifications, nine accredited courses and nine individual units.

In 2011, The Tracy Group was acquired by A4e Australia – a branch of the UK-based employment services and welfare to work provider.

A4e delivers services across nine countries and began operating in Australia in 2009, where a few years after they acquired The Tracy Group.

Tim Tracy, former Managing Director of The Tracy Group and current Chief Operating Officer of A4e Australia noted: "The many synergies between the companies made for a natural fit - both businesses began as simple, family operated service providers and have now been successfully providing employment and related services for some 20 years."

"The merger of the two organisations will result in the delivery of an exceptional suite of services to our clients, both employers and jobseekers, who will still experience the same high level of quality service," Tim said.

As part of A4e Australia, The Tracy Group will continue to operate across 14 locations in regional Victoria and Melbourne, and will continue to offer nationally accredited training in areas such as Aged Care, Children Services, Disability Work, Employment Services and Hairdressing.

They will also deliver a variety of pre-vocational training courses to assist people seeking to enter or re-enter the workforce.

Under A4e Australia, Tracy's will continue to provide the same high quality service as they have done for twenty years.

ALBION

Coach: Mark Greenshields

Captain: Matthew Davis

Last Season: 8th

Prediction: 9th

Finishing in the bottom half of the ladder last year, Albion have had a solid pre-season over the summer, focusing on improving in every area of the game, according to coach Mark Greenshields.

"We've had a reasonably consistent summer with numbers on the track. Pre-Christmas was very much geared towards our fitness base, and since January we've had a real focus on training to the game style we want to play. It's a results based game but we won't put a number on how many wins is a pass. We want to develop our players to play our brand of footy week in, week out regardless of who's in our 22 or who the opposition are. We're most pleased to have secured Jonathon O'Brien. He's a young tall who can play key position or ruck and has the fitness and agility to play as midfielder so we're expecting him to make a significant contribution."

ALTONA

Coach: Anthony Eames

Captain: Josh Russo

Last Season: 1st

Prediction: 2nd

The reigning premiers have had a solid pre-season, starting their campaign in November last year, training three times a week, which coach Anthony Eames said will continue right through the season.

"The club is excited at the signing of ex-junior player, Jayden Post, who comes back to the Vikings after playing at AFL level with the Richmond Tigers. Jayden has had a solid pre-season and has brought his hard work and drive with him to the club, which is great. Some other exciting signings for season 2013, are youngsters James Flack from Williamstown, Abdul Jawad from Spotswood, Munir ElHouli, Ben Norton, Billy Ward and Jamie Cooke from our U18's who will no doubt add some more speed to the team. Another bonus for this year will be the return of Kane McKenzie, who missed all of last season with a serious knee injury." – *Seniors Coach Anthony Eames*

DEER PARK

Coach: Mark Bullen

Captain: Yet to be announced

Last Season: 6th

Prediction: 1st

Missing out on a finals berth on percentage last year, Deer Park are keen to do one better, with the aim of keeping a fit and healthy list throughout the 2013 season.

"Our pre-season this year has had a big emphasis on improving players aerobic capacity, strength and skill base to complement a new game plan, which the players seem to be responding well too. The club has recruited quite well in the off season, starting with playing coach Marc Bullen and Joseph Dwyer from Congupna, Shaun Harrison from Geelong West, Luke Guerra from Darley and a number of new faces from Maribymong Park. Finishing third in the WRFL Best and Fairest in 2012, Kevin Klix will be one to watch again this year, with new Williamstown recruits Kwame Mcharg and Nick Georgiadis sure to add some X-Factor to the group too." – *Seniors Coach Mark Bullen and Mark Lanham*

PORT MELB COLTS

Coach: Ben Burke

Captain: Blake Twomey

Last Season: 3rd

Prediction: 7th

After finishing with 14 wins last season, coach Ben Burke is looking to finish in the top three again this year to secure the Colts the all important double chance, in the hope of going one better this season. "We have topped of our list well over the summer and are happy with who we have brought into the club. Some of the new players include Adrian Newman and Matt McBroom returning to the club after playing in the GFL, Rikki Newton, Cam Daltera, Justin Taylor and Liam Turner. It's also great to see Bryce Critch returning to the club after being overseas. This year we are planning to break the season down into smaller lots, and address each as we go, with an end goal in mind. We've really picked up our pre-season and will come into the season just about where we want to be" – *Seniors Coach Ben Burke.*

HOPPERS CROSSING

Coach: David Mitchell
Captain: Brad Murphy
Last Season: 4th
Prediction: 4th

With 12 wins in the 2012 home and away season, Hoppers Crossing Coach David Mitchell believes that the club has built a list that is capable of playing deep into September for season 2013.

“Our pre-season this year has been fantastic! We started training in early November, and the boys have really put their head down and done all that is required for a big year ahead. Some of our most significant signings include ex-Western Bulldog players James Mulligan and Brodie Moles, as well as Michael Liccardo from St. Bernards. We have a great mix of experience and youth and are really looking forward to a great season. Coming straight from the U18's, Adam Poland, Corey Muscat and Jordan Moody have all had big pre-seasons, and look set to play senior footy throughout the year. Glenn McGraw and Robert May will join as Assistant coaches this year, alongside Matt Walsh and myself, and I'm sure they will be great acquisitions for the club.” – *Seniors Coach David Mitchell.*

NORTH FOOTSCRAY

Coach: John Barnes
Captain: Dwayne Brown
Last Season: 9th
Prediction: 10th

With the new appointment of AFL great John Barnes as the seniors coach for season 2013, the North Footscray Devils are looking to be more competitive this year.

“Barnesy brings a wealth a knowledge and experience with him to our club, and will provide some much needed guidance to our young list. The aim is to be as competitive as we can be on

the field, with an eye on the future of our club. We have signed several exciting recruits from both Regional Victoria and interstate, which we intend to play in the opening round. The club has appointed Dwayne Brown as our Captain, and Christopher Aspiotias as Vice Captain. The two captains will be supported by our leadership group made up of Patrick Jackson, Isamil Arakji and Tyson Willis.” – *North Footscray Media representative Shaun Brown.*

SPOTSWOOD

Coach: Chris O'Keefe
Captain: Tom Langlands
Last Season: 2nd
Prediction: 3rd

After a heartbreaking one point loss to Altona in last year's Grand Final, Spotswood are raring to go in 2013, having one of their best pre-seasons to date, according to Seniors Coach Chris O'Keefe.

“This pre-season has been one of the best so far, with a number of new faces injecting a lot of enthusiasm into the guys who have been around the club for a while. We welcome Murray Boyd, Michael Fogarty, Justin Dorwood, Brent Dickson, Sam Myers and Stuart Jones to the group, who I am sure will all impact the team significantly. We are looking forward to the return of Lachie McGhie who missed most of last year with injury, but I am confident he will stamp himself as one of the best ruckman in the competition yet again. At this stage we are once again aiming at a top three position to give us the double chance come finals time, it won't be easy, but we will be trying our hardest.” – *Seniors Coach Chris O'Keefe*

ST ALBANS

Coach: Ian Denny
Captain: Tim Jenkins
Last Season: 7th
Prediction: 5th

Coach Ian Denny is looking forward to the upcoming season, as St Albans look to re-establish themselves as one of the power houses in the WRFL this year.

“Our pre-season has been a mixture of running, ball work, gym sessions and practice matches. During the off-season, the coaching staff have gone about resurrecting our player list which was decimated for a number of reasons in 2012. This year, we have managed to secure the services of a number of high quality players, as well as the majority of last season's seniors who are great people. A majority of our U18 group have also re-signed, many of which played a major role in season 2012. With the reappointment of our Reserves coach Aiden Stott, we are looking forward to a good year at St. Albans.” – *Seniors Coach Ian Denny*

SUNSHINE

Coach: Brett Jacobs
Captain: Macauley Goring
Last Season: 5th
Prediction: 6th

Working on tackling techniques once a week with a former English ruby international, coach Brett Jacobs and the Sunshine Kangaroos are jumping out of their skins, for the start of the 2013 season.

“All our players are approaching the season with great confidence in their fitness levels and preparations. Whilst we have lost a few players over the off season, we have been pro-active with our recruiting and feel we have picked up some high quality players who will help us improve on last year's results. Ex-Western Bulldogs player Mitch Hann will join the club, along with a host of others including Cam Taylor, Mitch Ellis, Scott Smith, and Chris Leetham from Western Australia. We are also delighted to see the return of 2007 Barry Priest medallist Russell Douglas, who has been overseas the past two seasons. With the

improvement from our youngsters, we are aiming to be more competitive this year, and are expecting to finish in the top three.” – *Seniors Coach Brett Jacobs*

YARRAVILLE SEDDON EAGLES

Coach: David Connell
Captain: Yet to be advised
Last Season: 1st (Div 2)
Prediction: 8th

With a stellar season in 2012, the Division 2 Premiers are excited to make their Division 1 debut, hitting the competition head on with new recruits, a new coaching panel and a new game plan for season 2013.

“Pre-season has been tough, with the group needing to become fitter, stronger and willing to adopt a new style of play that we believe can make us more competitive in our first year up in Division 1. From a match committee, we are really pleased with the way current players have accepted all of the new guys, and a successful camp to Yarrowonga was instrumental in forming a bond between the playing group. No doubt this year will be a challenge, but we are thriving for much more than just to survive. There is an expectation on this group to win the games we should and hopefully cause a few upsets along the way, being super competitive against the league heavy weights.” – *Seniors Coach David Connell*

Seniors Preview

ALBANVALE

Coach: Robert Scardamaglia

Captain: Yet to be announced

Last Season: 6th

Prediction: 6th

After missing the finals last year in sixth place, Albanvale are aiming to be a stronger contender in the league this time around, pushing to make the finals in 2013.

"We've had a very strong pre-season this summer, with great numbers from the outset, we've had many of our last year U18's step up into the senior squad. There are numerous fresh faces to the club this year, most having come from our U18's team, with some returning players coming back after a few years at other clubs. We are rapt to have the old players back and it's great to see the younger blokes stepping up. Youngsters Shaun Blake, Jerome Caterano and Justin Brooke have all had great pre-seasons and showed good form in our practice matches. We also welcome back Matty Plumber this season, after a shoulder injury last year." - *Albanvale President Jason Curmi*

BRAYBROOK

Coach: Gary Sheldon

Captain: Yet to be announced

Last Season: 9th

Prediction: 8th

Finishing in the bottom half of the ladder last year, new Senior coach Gary Sheldon is hoping to improve Braybrook's win/loss ratio in the upcoming season.

"It has been a gruelling and mentally challenging pre-season which will see a more hardened and determined club that take the field this season. After a long and aggressive recruiting campaign, the club has done a great job in improving our whole player list, with an influx of 20 new players from all different leagues joining our squad. Some

exciting young players to watch include Michael Boyle, Paul Sita, Luke Fox and Rob Barbara. We are thrilled with the appointment of Senior coach, Gary Sheldon, and Reserves coach Lee Braun who are looking to set the foundations to become a more competitive and stable club both on and off the field in 2013 and beyond." - *Seniors Coach Gary Sheldon*

CAROLINE SPRINGS

Coach: Gary Turner

Captain: David Cavanagh

Last Season: 8th

Prediction: 5th

Managing just six wins in the 2012 home and away season, Caroline Springs is looking to stay in the contest more, in order to give themselves a better chance at progressing up the ladder in 2013.

"Our pre-season has seen us build on our shorter-burst running skills. Our goal this year is to build on last year's six wins, and improve as a team, to help move up the ladder. We welcome many new players to the club, including B. Robinson, C. Robinson, G. Wilshire, L. Harris and C. Browne to name a few. Assistant coach Paul Growcott will give Seniors coach, Gary Turner, the on field control he needs this year, whilst Reserves coach Martin Weaver brings a wealth of knowledge to our young Reserves list. David Cavanagh will once again captain our side, leading from the front and not taking a backward step." - *Caroline Springs President Dean Ellis*

GLENORDEN

Coach: Nick Diker
Captain: Chris Scudamore
Last Season: 5th
Prediction: 2nd

With new club rooms and a solid pre-season under their belt, Glenorden coach Nick Diker, is excited to start season 2013, as his team looks to go deep into September this year.

"We're very much looking forward to 2013. Our first season back in Division 2 last year, we had a lot of new faces at the club, that didn't know each other well. We learnt a lot about ourselves and opposition clubs each week last year, and managed to make finals, which was great. I am happy with who we have recruited over the summer, and hope they can help us go further into the finals this year. Moving into our new club rooms also adds to the excitement around the club and I can't wait for the season to start." – *Seniors coach Nick Diker*

MANOR LAKES

Coach: Heath Hunter
Captain: Yet to be announced
Last Season: New in 2013
Prediction: 7th

Fresh to both Division 2 and the WRFL, Manor Lakes is planning to stamp their mark on season 2013, with coach Heath Hunter excited to get some good games out of his men this year.

"With starting a new club, we have had to sign players from everywhere, starting off with players from Old Westbourne in Frank Pavez, Paul Morris and Shaun Gill, Andrew Heyde from Melton, Shannon Gebbie from Anakie and a group of players from Trentham which we are all really happy with. As a club, we have our targets that we want to achieve this year, but I will be taking it week by week, just trying to get games into the boys and being competitive each time they run out together. Knowing that I'm behind the wheel of this new club, it's been so worth all the hard work, and I am up for the exciting challenge that lies ahead." – *Seniors Coach Heath Hunter*

SANCTUARY LAKES

Coach: Nick Waddell
Captain: Jordan Lampi
Last Season: New in 2013
Prediction: 10th

The new Sanctuary Lake Sharks enter the WRFL waters for the first time with great expectations and excitement, but also a little tinge of nerve wracking trepidation, according to club President Mark Barrett.

"For a club only formed in early November last year, the Sharks are ecstatic with the progress made so far. With new footballers, comes a brand new football committee, a team of coaches, managers, fitness staff, and most importantly new supporters. We are a reasonably young club both on and off the field, and are building what we believe will be the most talented young list in the competition, with on field rewards to come in future years. We are not in the competition expecting a premiership in our first year, but we do expect to be highly competitive and believe we will be a club of choice for players in the future." – *Club President Mark Barrett*

SUNSHINE HEIGHTS

Coach: Daniel Xuereb
Captain: Yet to be announced
Last Season: 10th (Division 1)
Prediction: 4th

Having not won a senior game in over 18 months, Sunshine Heights are looking for a big improvement in season 2013, hoping to notch up their first win early in the year.

"We have had a successful pre-season so far, and the boys have worked real hard on their fitness base and skills set leading into the season. The whole club has worked on bringing quality men into the club, with some of our new additions including Tonkin, Calleja, Ciarlo, Diab, Brad and Dave McKinley. We welcome back two of our young leaders in Nicolaides and Stevens from injury and also Harraca who is back from overseas. A few others to watch out for this year include Buttler, Armstrong-Weston, Zahra, Nick Mallia and Robert Greto." – *Seniors coach Daniel Xuereb*

WEST FOOTSCRAY

Coach: Rohan MacKenzie
Captain: Mark Speakman
Last Season: 7th
Prediction: 9th

After finishing in seventh place in 2012, the Roosters are looking for a better year in 2013, aiming to be a more competitive unit, in order to mix it with the top teams of the competition.

"Our pre-season has been solid this year, with an emphasis on improving our fitness. Our significant signings for this season include Leigh McKay from South Warrnambool, and Mitch Buck from the Melton Bloods. We are proud to welcome back two injured players from last year, in Jimmy Pham and Matthew Thomas who both underwent knee reconstructions last season. Lee Phipps will coach our Reserves team in 2013, and Mark Speakman will take on the role as our Senior captain, with support from Jaydyn Trowsdale as Vice. With youngsters Angus Rodda looking to be a promising tall defender, and Bryce Barnard as a solid utility,

we are aiming to bridge the gap between ourselves and the other top teams in the competition in season 2013." – *Seniors Coach Rohan MacKenzie*

WYNDHAMVALE

Coach: Luke Dennerley
Captain: Jayden Wood
Last Season: 3rd
Prediction: 1st

This year, the Wyndhamvale Falcons are focussed on controlling what's in front of them, improving in all aspects across the board, whilst aiming to give the rest of the competition something to think about according to coach Luke Dennerley.

"We've got a fresh looking squad who have put in their biggest summer to date. There have been some adjustments to our game style and structure, as we think standing still is not an option for us in season 2013. We have welcomed a number of key recruits to our already established Senior list including Paul O'Shea, Cameron Beazley, Quetin Suckling and Regan Hanson to name a few. We have a great cross-section of players, with experience at the top, a large chunk of 50-70 senior gamers and some terrific emerging talent. We are pleased to see the return of Chris Klein Breteler, Tommy Westhead and Dean Cachia who are back from injury and look fit and ready to go for the season ahead." – *Seniors coach Luke Dennerley*

MANOR LAKES

A Storm in the West

As it begins to get a little colder, the daylight getting shorter and the winter months start to settle in, it is clear that a storm is coming.

One of the WRFL's latest additions, the Manor Lakes Football Club, is preparing to have a big impact on the Division Two competition for season 2013.

Originally planning to be a junior club in their opening season, a high demand from senior players has seen the Manor Lakes Storm produce a Seniors and Reserves team, as well as an U18s squad, to take to the field each week.

Seniors coach Heath Hunter has been impressed by the strong numbers seen at training each week, and is excited to get the season underway.

"We've had 80 odd players turn up throughout our pre-season, with an average of 40 blokes each training session, and for our first season together, it's been really good."

After securing comfortable wins in practice matches over the pre-season, the biggest margin being a 150 point win over the Kyabram District Football League's Rushworth Tigers, it is clear Manor Lakes mean business.

"I couldn't be happier with the way we are travelling, and with the Manor Lakes community

Photos taken at a pre-season practice match against Sunshine Heights

on board, I think it's going to be a good year on and off the field," Hunter said.

Established at the end of last year through the combined efforts of the WRFL, AFL Victoria, and the Manor Lakes football committee, President Gary Sheppard has been overwhelmed with the amount of community support.

"To walk into local businesses and hear the staff and customers talking about their new football club is great," Sheppard said.

With more than 500 people turning up to watch the Storm play practise matches during the off season, the club has more than 190 players, over 70 social club members, and more than a thousand fans on their social media site.

"This year will be about building a foundation that will hopefully set up the club to be a strong and community focussed place, where anyone who wants to be involved feels welcome," Sheppard said.

Included under the Wyndhamvale postcode, the developing Manor Lakes area saw the need for a football club, with the Wyndham Council building a sporting complex last year, in order to cope with the demand of growing sporting clubs in the district.

Running out to a big crowd under the lights of Howqua Road Reserve, there was excitement in the air, as the Storm ran out 108 point victors in their debut match against the Laverton Magpies last Saturday night.

"Regardless of the score, it will be a great reward, win, lose or draw for everyone that has been involved in getting the Storm ready for this season," Sheppard said.

The Storm's next match will be played against North Sunshine at Dempster Park, on Saturday April 13.

Coach: Norman Heath
Last Season: 5th

"Our pre-season started last November, and whilst our numbers only averaged around ten blokes each night, overall 90 per cent of our U18s players have completed some sort of pre-season. There are no injured players from last year returning to the field for this season, just the usual problems of soreness and shins splints. The attitude of the team so far has been fantastic, and if it continues as it has from the pre-season, then the U18s will be looking at playing finals in the 2013 season."- *Division 1 U18s Coach Norman Heath*

Coach: Sean Grima
Last Season: 2nd

"Our pre-season has gone well, as we have really had a big emphasis on our technique and strengths. While our numbers at pre-Christmas took a while to get going, for some time we have had on average 20 players on the track. Most players were visited prior to the pre-season at home, where we talked about goals and what they wanted to achieve from their footy. We will also be implementing a mentor program with U16 & U18 boys who will be pairing up with a senior player throughout the year. We have picked up six new players of varied experience who I'm sure will all bring something different to the squad, as we continue to come together as a group, learn from one another and aim to play finals."- *Division 1 U18s Sean Grima*

Coach: Greg Wray
Last Season: Runners Up
(Division 2 U18)

"Our preseason this year has been solid, starting back in 2012; we had ten tough pre-Christmas sessions, with a return to the track in January this year. We have integrated our U18s group with our senior squad, doing the same preseason, which I think the boys have benefited from greatly. We have retained a fair chunk of our U18's group from last year, who were B grade runners up, and picked up a high quality group of U16's from last year too, so in some way, there is an expectation inherent with the group's success we saw in 2012. Recently our numbers have been good and in our first practice match we fielded a strong squad, as we have the confidence that we will have a positive group on the field each week."- *Division 1 U18s Coach Greg Wray*

SANCTUARY LAKES

Great White Hope for the Sharks Community

One of the WRFL's newest additions is doing more for the local community than just putting a new team on the field.

With their club logo inspired by legendary golfer, Greg Norman, who designed the local golf course, the Sanctuary Lakes 'Sharks' are providing locals with a new avenue to continue to play the sport they love.

Established in early November last year, the Sharks have been able to provide a football outlet for approximately 700 people made up of staff, players, committee members, coaches and managers, and have 220 footballers ranging from eight years of age, right up to 40 years old.

Club President, Mark Barrett, said that due to the fast growing nature of the Point Cook district, there was a high demand for a new football club, which he was happy to be a part of.

"There was a definite need for a second football club within the area, particularly after Point Cook chose to play seniors in the Amateur Competition, another side was needed in the WRFL," Barrett said.

Identifying a lack of junior clubs in the immediate area, Rod Davis, Paul Pritchard, Paul Tyers and Seniors coach, Nick Waddell, decided a football club was needed, and were the main drivers behind the creation of the new Sanctuary Lakes Sharks.

"Due to the shortage of junior clubs, some kids were choosing other sports because they could not get regular games with local footy clubs and it was disappointing to find locals travelling outside the area just to get a game," Barrett explained.

Represented by multiple junior teams of all ages, the Division Two Seniors and Reserves made their WRFL debut last Saturday, against Sunshine Heights at Featherbrook Reserve.

Despite their 70 point loss, President Mark Barrett, believes that his club had already achieved success, well before the first bounce.

Jordan Lampi is part of the Sanctuary Lakes leadership team

"In terms of playing matches, our success rate is really of little concern because we have already started our road to success and I think the SLFC will surprise many people in all aspects, both on and off the field," Barrett said.

Hundreds of people turned out for the round one clash, many enjoying the special pre-match entertainment by legendary singer Mike Brady, who performed his classic song "Up there Cazaly" and the new Sharks theme song.

The Sharks President sees a bright future for his club, with the hope of a Division One Premiership within the next five years, and the continued support from the same coaches, players and committee members for many years to come.

"The satisfaction was seeing the enthusiasm of all those who have worked tirelessly over the past six months to form not only a club, but a brand which will in time, be a well known and recognized power within the WRFL," Barrett said.

Round 2 Preview – 2013

Manor Lakes will complete its WRFL debut when it's Division 2 Under18s side travels to Hogans Reserve for a clash with league heavyweights Hoppers Crossing this weekend.

Interim coach Gary Sheppard has taken control of the side, after Shane White who was appointed preseason, was forced to quit due to work commitments.

“Hopefully at some stage someone walks in the door who wants to take over, and I’ll be happy to relinquish it as well,” Sheppard said.

“I’m not naïve enough to not hand over the reigns to someone suitably qualified to take some of the load.”

Sheppard has signaled some players for supporters to keep an eye on, including Dylan Woods and Onur Erin, who have put in solid performances at Reserves level.

In the Storm’s first home and away game this season, they’re set to meet a Hoppers side that will be keen to atone for last Saturday’s fade out loss to Newport.

Despite keeping the Power goalless and holding a 28-point quarter time lead, the Warriors were rolled at the final siren by the same margin – a 56 point turnaround.

Elsewhere last weekend, an inaccurate Wyndhamvale easily accounted for Caroline Springs scoring 23 behinds in the 78-point home win.

Falcon player Jordan Southall, was one of his side’s standouts, named in the best and slotting two goals.

While Glenorden were also dominant at home, the Hawks put in a stunning second quarter to set up a solid 42 point win over West Footscray.

Yarraville Seddon Eagles vs Hoppers Crossing in last years Div 2 U18 Grand Final

It sets up an exciting contest as Round Two gets underway on Saturday morning at Heathdale Oval, as the top of the ladder Falcons meet the second placed Hawks.

The Lakers are set to play their first home game of the year at Caroline Springs, hosting West Footscray, with the result going to hand either team their first win of the season.

After their opening round one win over Hoppers, Newport this week enjoy the bye.

WRFL match broadcasting on 88.9 WYN FM will enter the high tech world in season 2013.

No longer relying on copper wire telephone lines, broadcasts from the WYN FM caravan this year will be done digitally and wirelessly.

This switch to digital transmission will not only improve the quality of sound, but will also avoid drop-outs experienced in landline reception in recent years.

The only downside with digital broadcasting is that it requires the signal to be buffered, meaning that there will be a five second delay between transmission and reception on the 88.9 FM frequency.

To avoid confusion for spectators watching the match at venues, a second un-buffered signal will be broadcast on a low powered transmitter, at a new frequency of 90.1FM.

So if you can't make it to the game, tune into 88.9 FM as usual, but if you wanting to listen to live and up to date commentary as a spectator at the ground, tune into 90.1FM for an un-buffered broadcast.

Join host Kevin Hillier and Steve Thom preview all the big games for the upcoming round on the 2013 Alan Mance Motors WRFL Footy Show on

Friday Nights between 5pm-6pm, with special guest interviews with coaches and players from across the league.

Tune in on Saturday nights between 5pm-6pm for the Bridgestone Match of the Day Show for all the around the ground wrap up, with main caller Adam Lux, special comments by Steve Thom, Stats King Andrew Muscat, on the boundary with Kevin Hillier and news from around the grounds with Cade Lucas.
