# BIGGER THAN THE GAME ITSELF

Quite possibly the most emotional and moving moment in sporting history, there was not a single dry eye in the house when the great Ted Whitten rode around the MCG for the last time. Voted as one of the greatest moments in AFL history, the man known as Mr. Football was a legend both on and off the field.

Born and bred in Melbourne's Western suburbs with his sister Edna and brother Don, EJ was loved for his football finesse, passion for the game and his larger than life character. In his early days, Whitten played his junior football in the Footscray District Football League for the Braybrook Football Club before progressing to play in the Victorian Football League and becoming one of the most decorated footballers the game has seen.

Throughout his career, EJ's outstanding playing achievements are beyond every boyhood dream. Playing a then-league record of 321 games for Footscray Football Club in the VFL, he was Captain/Coach of Footscray for over 12 seasons. Add to that five time Best & Fairest awards, three times All-Australian, the 1954 premiership, a Legend in the AFL Hall Of Fame, Captain of the AFL Team of the Century and Bulldogs Team of the Century and the list goes on.

With the ability to play in any position on the field, EJ is undoubtedly one of the greatest players to come out of the west. Despite his talent and toughness on the field, EJ was a larrikin off the field, voted as the greatest personality in AFL history last year, ahead of Kevin Sheedy, Ron Barassi and the late Jim Stynes. He became synonymous with State of Origin football as a

passionate player and promoter of the game, which continues to live on in his memory with the Ray White EJ Whitten Legends Game.

In its eighteenth year, the Legends Game helps raises money and awareness for men's health and in particularly prostate cancer, which sadly took Ted's life in 1995.

Following his death, the EJ Whitten Foundation was formed by his son Ted Whitten Jnr to raise awareness of the disease. Ted Jnr continues to do this today, and has raised over \$7million dollars for prostate cancer research. The WRFL are proud to support the EJ Whitten Foundation as our community partner, and we thank all senior and junior clubs for their support of our fundraisers over the past month.

For those who are yet to get involved with our community partner, we urge you to head down to Etihad Stadium to watch some of the best ex-AFL stars in action, and to hopefully see the Victorian's 'stick it right up' the All Stars and see EJ's legend live on.

# FIVE MINUTES WITH TED WHITTEN JNR

## What are the key messages the EJ Whitten Foundation are pushing this year?

Men's health awareness through the Time to Test campaign aimed at men approaching 50 reminding them to commence an annual health check.

## What has been your greatest memory thus far with the Foundation?

It was when a guy from the Super Rules competition approached me to let me know that after listening to a talk I had given, he went for a prostate test. He found out that he had prostate cancer and because his doctor had detected it early he been able to have it treated and now he is cured. He thanked me for saving his life. That made me feel good, as we work hard at the EJ Whitten foundation to get the message across to men to help save lives.

## Do you have an idea of the amount of lives that have been saved through the Foundation's support of Prostate Cancer?

No not really as there are thousands of men who attend our awareness events and go and have a test and find out they have prostate cancer but do not necessarily let you know. When they do tell you it is very rewarding to know that you have helped save someone's life.

## Why is the partnership with the WRFL so important for the Foundation?

It is a great opportunity to promote our cause to the entire community of the WRFL. It's about educating men to look after themselves by having regular health checks. Not just for prostate cancer but for all, of the other health issues such as cholesterol, diabetes, liver, blood pressure, bowel cancer etc that men face as they get older. It is also important to me as all of my family played in the WRFL/ FDL over many years.

## You're dad was passionate about state of origin football, do you think we should bring it back in today's game?

I would personally like to see it come back in some form, maybe every two years. The players would all like to see it back but the clubs are against it now, as there is too much money in the game and if they lose a player to injury while playing in origin, they could lose the premiership.

## EJ was a tough footballer, who do you think is one of the toughest AFL footballers in today's game?

I think Luke Hodge is one of the toughest going around in the AFL as he doesn't take a backward step, knows how to use his body to protect himself and never takes his eyes off the ball.

## Can you tell us a little bit about your junior playing days? Did you used to have a special pre-game ritual?

I was generally pretty relaxed before a game but I had a few little things that I liked to do before a game. One was to go for a walk on the pier at Altona beach to get some

sea air and the other was to get to the game early to watch the reserves play so I could feel the atmosphere of the day.

**The Legends game is now in its 18th season this year, what can fans expect out of this game?**

I think it will be another fun game with plenty of skill shown by the past AFL players and

lots of laughs watching the celebrities trying to get a kick. It should be a great night again as we promote prostate cancer awareness on national television.

## What was the best piece of advice your dad ever gave you?

My dad never interfered with my football. As a coach himself he allowed me to listen to my own coach and only offered me advice when I asked for it. Other than that he always told me to train hard and not to be lazy by taking shortcuts. He told me to practice regularly on my opposite foot and hand which I did and it helped me greatly when I made senior football with the Bulldogs. It's a long story but he also told me to never miss a footy trip- which I didn't.

## What message would you like to tell all the men out there who are yet to have a prostate check?

Having lost my father to prostate cancer at just 62 years of age, I would recommend that all men should commence an annual health and prostate check when they reach 50 years of age. In those days, he was uneducated about the disease and generally didn't look after himself until he had a physical symptom. If they have a family history of prostate cancer as I have, I suggest they commence an annual check-up from the age of 40 because men with a family history of prostate cancer have a much higher chance of contracting the disease. Prostate Cancer that is curable often has no symptoms.

The TV Chefs call it a master class and that is exactly what reigning Barry Priest medallist Chris O'Keefe provided for everyone lucky enough to be at Hogans Reserve last Saturday. His second half was breathtaking. Watching him accelerating through the centre of the ground, dodging opponents like a slalom skier, bouncing several times, and then drilling a goal, was a pleasure you don't get to see in local footy very often. As Steve Thom said during the radio coverage, he rates Barry Priest and Michael Frost as the two out and out champions that have played in the competition, and now he rates O'Keefe in that category as well. His ability to lift and inspire his side is head and shoulders above anyone else running around at the moment, and while the Woodsman have him, they are genuine premiership contenders. He will only get three votes come presentation night, but he was worth of all six to be honest.

There is no bigger home and away game than the clash this weekend at Hogans Reserve when Hoppers Crossing host St. Albans. Both have six wins and five losses, and only 16 per cent separates the two on the ladder. The equation is simple. The winner can determine their own destiny for the rest of the year and the loser will have to rely on others to be a part of the 2013 finals program. Hoppers need Brodie Moles and James Mulligan to dominate, Aaron Ramsay will be better for a run after a month out suspended. Their on field leaders have to lift, and they must play out the whole quarter, their drop off in red time is a worry. The Saints have talent across every line and good to see "Fluffy" McKerracher kicking seven last week and Jack Sim named best on ground. Both are local products and along with Lachlan Baddeley and Tim Jenkins can help get the Saints home. For me, the winner plays finals, the loser can start planning for 2014.

Another potential blockbuster is Deer Park and Sunshine. The Kangaroos have Simon Wiggins back for good, and his class and use of the footy will be a huge help

*Spotswood Captain/ Coach Chris O'Keefe led his side from the front last week against Hoppers Crossing, finishing with four goals and a best on field performance for his team.*

especially against a strong line up like Deer Park. Shylo Smith is out with a broken arm and that is a blow, but the Lions have plenty of depth in the on ball department. This is a danger game for the Lions and I know many (Steve Thom included) think you are better off losing a game than going undefeated through a season. I doubt Marc Bullen subscribes to that theory from where he is sitting. Spotswood is down in the big man area and Mick Lewis did a good job last week as a stop gap ruckman with help from Murray Boyd, but they need a fit and firing McGhie and Perry back as soon as possible. They will be too strong for the courageous young Cats. North Footscray to their credit continue to battle away and are no doubt planning for 2014 in Division 2. Jayden Post will be a big headache for the Red Devils to handle this week. Port Melbourne Colts and Yarraville Seddon Eagles will put on an entertaining game. Both clubs will spend the rest of the year identifying the holes in their lists as they plan for 2014.

# LOCAL LEGEND SET TO PULL ON BIG V

Fevola, West, Brereton and Cavanagh.

Whilst Fev is known for his dangerous boot, Scott West for his pace and Dermy for his toughness, in the western region football league, David 'Wingy' Cavanagh is known as a legend in his own right.

Having secretly been nominated in the 'Play in the Game' competition by wife Janine and Caroline Springs Vice President Terry Azzopardi, it's safe to say Cavanagh was more than surprised to receive a phone call to say that he had won the chance to pull on the Big V, in this year's Ray White EJ Whitten Legends Game.

"They called me on Wednesday night whilst I was at my son's footy training and told me that I was selected.

"Then they asked me how I felt about it, but I was still unaware that I had been entered into the competition in the first place," Cavanagh said.

Originally playing all of his junior football at the Albanvale Football Club, Cavanagh made the switch to Caroline Springs three years ago, when he was approached to captain the club's inaugural senior team.

Recognised as a leader both on and off the field, 'Wingy' continues to lead the Lakers week in week out, putting his heart and body on the line every Saturday.

Having played more than 400 games in the WRFL and winning every individual accolade in his career to date, Cavanagh said that this is by far one of his career highlights.

"Definitely the biggest highlight, it's actually quite a shock to be accepted into something as big as this."

Now in its eighteenth year, the Ray White EJ Whitten Legends Game sees over 50 former AFL greats strap on the boots for one more time in an exhibition match which aims to raise both funds and awareness for prostate cancer, which took the life of Footscray great, Ted Whitten.

With over hundreds of applications sent in each year, Cavanagh is only one of two lucky people to run out onto Etihad Stadium to play in the only state of origin clash in Melbourne, between the Victorians and All Stars.

Still yet to add a premiership to his name, the members of the Caroline Springs Football Club wanted to give something back to the man who gives so much to the club.

"The Caroline Springs Football Club would love

nothing better than to honour Wingy with this chance to pull on the Big V as a thank you and tribute for his service he has given to not only our club, but to Albanvale, the WRFL and football in general," Azzopardi said.

Currently playing in the Lakers midfield, Wingy is looking forward to getting a few kicks from some of his football idols.

"I'm an Essendon supporter so I'm looking forward to playing with Matty Lloyd and even Dermott Brereton," Cavanagh said.

"It would be great to start in the centre, but I'm not really fussed where they play me, I'm just excited to get out there...but of course going forward and kicking a goal wouldn't be bad either," he said.

Running out to a crowd of more than 26,000 people, Wingy will join his teammates to take on a very competitive All Stars outfit with the likes of Champion, Hahn, Lockyer, Holland and Pike leading the charge.

With friends, family, football club and the whole western region football community behind him, could this western suburbs boy be the key to helping the Vics claim the ultimate bragging rights this year?

The Legends Game will be held during the second week of the school holidays on Wednesday the 10th of July at Etihad Stadium.

Entry costs for families is \$46, adults \$17, concession and juniors aged 7-15 years \$9, with children aged six and under free.

Division Two Round 12 action could only be considered as a ruthless one, with the competition heavyweights once again exposing the great divide between the contenders and the also-rans. Despite the freezing winter conditions, super boots Damien Yze (Glenorden) and Paul O'Shea (Wyndhamvale) kept busy and kept warm inside their respective forward lines with 11 and ten goals for each of their sides. Not surprisingly then, the key forwards ensured that their particular teams were easily able to account for their opponents. O'Shea got good clean delivery from his midfielders and in capitalizing on most of his opportunities, was able to lead his side to a 97-point victory over Caroline Springs. However the real goal feast was at Shorten Reserve where Glenorden dismantled West Footscray by 232-points. Yze also had great support up forward with Jesse Fortune helping himself to six majors on his way to a best on ground performance. For West Footscray, Ben Douglas and Brendan Duncan battled on manfully but couldn't do enough to stem the tide.

In other games, second placed Parkside made light work of Braybrook at Pennell Reserve winning by 232-points. Not surprisingly, Sunshine Heights did what they had to do against Sanctuary Lakes and are a quality side looming, who will do more than just make up the numbers come the pointy end of the season. As expected, Manor Lakes got the job done against Laverton and also have the potential to make the Grand Final, particularly after their win against Parkside a month or so ago. The twilight game at Dempster Park proved to be a good one for Albanvale who would've been happy to come away with a resounding 182-point win against North Sunshine.

This Saturday, they'll be coming from miles away to Dennis Family Oval at Wyndham Vale to watch cross

town rivals in battle, as the Falcons play host to the undefeated powerhouse Glenorden. The shootout between spearheads Yze and O'Shea is worth the price of admission alone (which is nothing, isn't it great?). Down the road, the Roadrunners will most likely find the going tough against Manor Lakes, whilst Parkside should be able to handle the Lakers at Henry Turner Reserve. Heights don't lose many at home and that shouldn't change this week against Braybrook when they do battle at Ainsworth Reserve. Also across the day Laverton will be aiming to take down West Footscray for their first win of the season and will fancy their chances. The Albanvale and Sanctuary Lakes game promises to be a beauty and should be fiercely contested.

# ALAN MANCE MOTORS

Good afternoon, Phil Mance, here from Alan Mance Motors...

We at Alan Mance Motors are privileged to be on board with such a wonderful and prestigious league as the Western Regional Football League.

The Western Regional Football League symbolises everything that we are about – loyalty, mateship, teamwork, having fun with your mates, and looking out for one another – the one percenters!

Local footy is what it is all about – where it all starts and ends really!

Like your mob today, Alan Mance Motors have been kicking goals in the western region for over 35 years.

It's great to support our local community, and it's even better to have the footy back for season 2013.

Why would you want to be anywhere else?

We at Alan Mance Motors are proud sponsors of the Western Regional Football League and look forward to continuing our rich and rewarding partnership long into the future.

We look forward to seeing you in the outer today and down at Alan Mance Motors – Footscray, Melton and Bacchus Marsh.

You can visit us at 435 Barkly Street in Footscray, 1 Holland Drive in Melton and 4 Graham Street in Bacchus Marsh – our great people will look after you – or give us a buzz on 9020 8535 – we would love to hear from you.

In the meantime feel free to check us out on the internet at [www.alanmance.com.au](http://www.alanmance.com.au) and 'Like' us on Facebook – a simple search for Alan Mance Motors should do the trick!

We are even on Twitter! Yes, that's right, @alanmance – please follow us if you're tech savvy!

Enough tweeting though; we are at the footy!

Cheer loud, barrack through thick and thin, have a pie and a coffee, or even the odd frothie, and I hope your team has a stirring victory today.

And remember – don't lose your shirt, don't lose your pants, don't take a chance, go to Alan Mance – Footscray, Melton and Bacchus Marsh!

# CLUB LEGEND OF THE WEEK

*Allan 'Titch' Williams from Albion FC*

Five decades, 53 seasons and over 900 games later, it's clear Allan Williams is deserved of the term 'club legend'.

Better known by many in the football community as "Titch", this veteran has been servicing the Albion Football Club since its inception in 1961.

Every Saturday, there's no doubt you'll see Titch dressed in his white pants and trainers outfit ready to help out where necessary.

"My wife Loraine said that I spend more time at the club than I do at home!" Titch laughed.

Over his time as Albion's trainer, he has had to deal with multiple injuries, ranging from your usual breaks, tears and dislocations to even the more serious injuries such as spinals.

Yet no matter what the job is, it's safe to say you are in no better hands than Titch's.

And it seems his passion for community football and the Albion Football Club has rubbed off on his family, with his son Darren playing for many years, his eldest daughter Leanne running the water for over 20 years and youngest daughter Kayley watching on the sidelines at almost every game.

Dedicating more than half your life to a club, Titch has had some memorable moments throughout his career including having two club honour boards named after him, winning multiple Best Personality of the Year awards, receiving both a WRFL and Albion Life Membership and having an Australian Sports Medal bestowed upon him in 2000.

"I think there was only 100 medals given out to people throughout the country both living and deceased and I was lucky enough to get one, so that was one of my biggest accolades."

Last year, Titch also added yet another award to his long list of achievements, having been selected as the official Victorian trainer at the EJ Whitten Legends Game.

"They had heard about what I had done for the Albion Football Club and got in contact with my daughter and they worked it out between them, without telling me and then surprised me a few weeks out telling me I was to be the Vics Trainer."

This year, Titch will once again suit up for the big V in this year's Legends Game but this time, his daughter Leanne will be right there beside him, helping out with the water.

*Titch stands next to Australian basketballer Chris Anstey in the rooms before the big match in last year's Legends Game.*

"For some reason last year the water was being a second item and Leanne just got involved and put the ice blocks in the bottles and chased around with them and so this year they have invited her back with me, which is great," he said.

"The fact that I was able to be involved with the game last year and listen to some of the stories from the old time players and rub down Fev and Strauchanie was a great thrill.

"And the atmosphere as you walk up the race with the players before the game is unbelievable, you've got to be there to understand it....you really do!"

With over 50 of the AFL's greats strapping on the boots for the first time in years, Titch is sure to have his work cut out for him again this year.

Keep an eye out for Leanne and Titch during the Legends Game when it airs live on Channel Nine at 7:30pm on Wednesday July 10.

# UNDER 18 DIVISION ONE

*Update*

In a match which would see the top two sides battle it off in what could be a grand final preview, ladder leaders Hoppers Crossing showed Albion why they are the premiership favourites in season 2013.

The stage was set for a clash of the titans match at Hogans Road Reserve, with a tight contest seeing both sides with seven scoring shots in the opening term.

Yet an impressive six goal haul from the Warriors set the pace for the rest of the game, with the Cats unable to shut down the Furniss boys in Lachlan and Joshua, named in the home side's best players.

Despite valiant efforts from Albion's Dylan Sloman, Tim Mahoney and Jamie Day, the Warriors sent a stern warning to the rest of the competition, dismissing the second placed Cats by 78-points.

Luke Henderson was unstoppable in front of goal bagging six majors for the day whilst teammate Mitchell Appleby booted five.

After a close Round Six encounter separating the two teams by a mere three points, it was a different affair this time around, with Spotswood running out 46-point winners over Yarraville Seddon.

The Woodsman stamped their authority on the game early in the first quarter, kicking a staggering seven goals to the Eagles one.

Despite an Eagles fight back in the second term, the match was never in doubt, Spotswood ending the match with eleven more scoring shots than the Eagles. Leslie Butler and Joshua Norton combined nicely for the visitors, kicking a total of eight goals for the day.

Down the highway at Grant Reserve saw the Vikings chalk up just their third win for the season, after beating fifth place Deer Park.

It was neck and neck in the first half of the match, before a surge from the Vikings saw the Lions scoreless in the third, to run away 23-point victors.

Kelly Pickard was a standout for the home side, booting four majors on the day which sees him

rocket into third place in the leading goal kickers tally board on 27 goals.

Round 12 will shape up to be an interesting contest for the first weekend in July, when two plays three as Spotswood host Albion at McLean Reserve. Down the road and Yarraville Seddon have the chance to chalk up their first win of the season when they host Altona.

And after coming off fresh from the bye last week, St.Albans will have their hands full when they take on Hoppers Crossing, whilst Deer Park can enjoy the bye.

# ITS 200 FOR TWOMEY

*By Kirstie Fitzgerald*

“You only get out of it, what you put into it.”

Hearing these inspiring words from his father when he was just a kid, it’s clear Port Melbourne Colts Captain Blake Twomey has achieved a lot in his football career, playing his 200th senior game for the club last weekend.

“I didn’t give it much thought to be honest, but a few days before the game I started receiving phone calls and messages from past players, current players, supporters and friends, all congratulating me and expressing some very kind words,” Twomey said.

“It was extremely overwhelming and made the day very special.”

Despite going down to St.Albans by 29-points in his milestone match, Twomey still had an impact on the game, even celebrating the occasion with a cheeky goal.

First pulling on the red and blue jumper as a kid in the under 10s team, Twomey continued to play for the Colts right up to the under 16s.

“All I remember from under 10s footy is trying to spit more than my opponent and not showering after the games,” he said.

Twomey left the club in 2000 to pursue an opportunity to play with the Western Jets under 18s TAC cup team, before playing in the reserves premiership side with the Williamstown VFL Football Club.

Yet his love for the Colts still burned strong, returning to the club in 2003 where he is now currently leading out the senior squad as captain.

Like many football players, Twomey’s most memorable moment throughout his career was being part of the club’s back to back premiership wins over Parkside in 2005 and arch rivals Hoppers Crossing, in 2006.

Yet besides his two premiership medallions, Twomey’s other most memorable moment is an unusual one.

“It’s hard to go past the feeling of winning our two premierships, but I’ll never forget the day we played at West Footscray and a new player to the

*Colts Captain Blake Twomey leading the way in the club's match against Spotswood*

club rubbed himself down with the trainer’s apple juice,” he said.

Having celebrated his 30th birthday earlier this year, Twomey sees his playing career continuing on for many years to come.

“With the advances in modern science and the Port Colts incredible recovery program, it isn’t unreasonable to aim for 600 games. Failing that I can see a future career in Hollywood.”

Known as one of the stalwarts of the club, Twomey puts it down to some good pre-game rituals and one simple rule when tossing the coin.

“I like to eat pasta two nights before the game, I always wear my Speedos on game day and tails never fails when it comes to tossing the coin.”

The Colts will look to make it their fourth win for the season, when they host Yarraville Seddon this Saturday afternoon at Murphy Reserve.

## Update

Newport Power has suffered their second loss for the season at the hands of Hoppers Crossing, who defeated the top team by 38-points.

The Power started out strong in the first quarter, connecting with the middle of the sticks on three occasions, whilst the Warriors' inaccuracy in front of goal saw them trailing by four points.

Tight contests in the middle of the field saw a low scoring affair in the second quarter, with just the one major kicked for the term.

Going into the half time break ten points down, inspiring words from the Hoppers Crossing coach saw his young men coming out firing, with a tight defence holding the Power goalless in the third.

Inaccuracy from the top team proved an unusual problem for Newport, having eight shots at goal and not converting any, losing their lead and trailing by two points heading into the last term.

But the Warriors had a sniff and did not let the Power back into the match, restricting the visitors to just two points, whilst the boys from Hogans Road doubled their score in the last, kicking six majors to run out victors.

Warrior Lachlan Wright was dangerous in the forward line, kicking four goals for the match, whilst Cody Guy had a terrific day also, named best on field for the home side.

In a disappointing game for the Power, Ali El Houli was named in the team's best, leading from the front and finishing with two goals to his name, whilst Wajih Taleb also finished with two majors.

The road doesn't get much easier for the top side, with another tough match against second placed Glenorden pencilled in for Round 13.

The Hawks will go into the Round 13 clash in good form after beating third placed West

Footscray last weekend by 25-points.

In a much better display of football since their last meeting in Round Nine, the Hawks' run and carry throughout the first half created multiple scoring opportunities for the visitors.

New leading goal scorer, Hayden Masson was his usual best for the Hawks in front of goal bagging four majors, whilst former goal kicking leader Bradley Fava (West Footscray) only managed two goals on the day, placing him in second position on 31 goals.

Around the grounds, Caroline Springs were unable to withstand the brunt of Wyndhamvale, going down by 26-points.

The Falcons' competitiveness saw the visitors lead at every break, dominate around the forward 50 and finishing with 18 scoring shots to the Lakers 12.

Round 13 will see Manor Lakes will host Wyndhamvale at Howqua Reserve, whilst Caroline Springs will have a week off over the bye.

And after their win over Newport, Hoppers Crossing will face another test this week as they come up against the might of West Footscray, who will be looking to get back on the winners board and into some good form ahead of the approaching finals.

PROUD SUPPLIER OF THE WRFL

# UMPIRES CORNER

By Graeme Hodgart

It sounded like a good idea to hold a twilight game when North Sunshine played host to the Albanvale Football Club last weekend. Rather than their usual start time of 12noon, the Reserves began at 3pm, with the Seniors kicking off at 5:15pm. Initially the weather was quite kind being unusually mild for the end of June. Even though there wasn't any rain around and the sun was out, the crowd was soon looking for extra layers of clothing when it eventually set.

The umpires were careful to check their appointments to ensure that they were not late for their respective games. Rene Van Kuyk and Rohan Rizzoli were in charge of the reserves game while best buddies, Paul Parker and Anthony Bermejo, ran the boundary. One of the goal umpires was Leon Stuart who was making his WRFL debut. As a first gamer, he was very impressive and showed that his football and sporting background helped him to fulfil the role of goal umpire with loads of promise.

In the seniors, Con Grouios and Peter Holding were the field umpires. Although Peter is mature in years, he is relatively new to umpiring, having only umpired for just three years. His dedication to training and improvement in his umpiring ability saw him promoted to the Division Two Seniors just a few weeks ago. On the boundary were the Tabone twins, Luke and Nathan, who ran well and officiated competently. One of the senior goalies was Emma Humphries, a young secondary student from Caroline Springs, who in only her second year goal umpiring is rapidly developing her umpiring skills and abilities. After doing seven or eight games with a mentor last season and then a series of Under 18 games, she was promoted this season and has the confidence to umpire consistently at this level.

But just when you thought the weather was kind, it was during the senior game that the Melbourne

fog was at its worst around 7:30pm. Thankfully though it came and went soon after.

The fog prompted one person who attended the match, to recall a game on Angliss Reserve in the late 1970s. It was Saturday morning and the Kingsville Under 16 team were playing on the northern oval. The fog was so thick that visibility was extremely limited. The game still went ahead even though players struggled to see each other. Billy Mathews, a St John Ambulance volunteer, wrapped in his big thick black coat, stood in the centre of the ground. He was barely visible from the goal square. Every time there was a score, the message would be passed to Bill who, in turn, would pass the message on until it reached the club goalie at the other end.

Just the week before the North Sunshine game, on the Wednesday night after training at Scovell Reserve, the goal umpires' group held their usually weekly meeting. One goalie must have looked into a crystal ball because he asked what should be done if in an early Saturday morning game the fog was too thick to see what was happening. The answer was that the second field umpire would make sure that the score at one end would be passed onto the goalie at the other end. No-one gave a second thought about the Wednesday night games!

*It's all eyes on the ball with a great overhead throw in by one of our WRFL boundary umpires*
