# PSAILA HANGS UP THE BOOTS

After three and a half years on the Western Region Football League Board, Mick Psaila has recently announced his retirement.

Originally coming from a basketball background, Mick made the switch to Aussie Rules when he came to the St. Albans Football Club in 1986. And it seemed like the transition from a round ball to an oval one was easy, with Mick taking home the club's Best and Fairest award in 1992 and announced as captain of the A2 squad the year after. Adding to his playing success came an extensive coaching career including the Under 12s, U14s, U16s and U18s and then eventually moving on to coach the A3 Seniors to back to back premierships in 1991 and 1992.

Mick's off-field achievements mirrored his on-field success being the Chairman of Selectors for the St. Albans Seniors in 1993 and 1996 and Club President for a total of 11 years. He also represented St. Albans on the Rules Committee and Tribunal for 15 years.

Mick was elected to the Board of the WRFL in November 2009 and threw himself enthusiastically into the task. He served as Chairman of the league's Strategic sub-committee in 2010 and chaired the Rules Review sub-committee from November 2010, a position he will retain with the blessing of the Board in retirement. Mick also acted as the Investigation Officer for the league in several contentious matters in recent years.

A valued member of the WRFL Board, Mick's efforts and dedication to the league were recognised last month when he was presented with an engraved crystal decanter at his last board meeting. WRFL President, Bill Baarini thanked Mick on behalf of Board members and all member clubs for his contributions and expertise as a Board member. Mick's resignation creates a casual vacancy on the WRFL board. Expressions of interest to fill this position will be canvassed in the coming weeks and should be addressed to WRFL CEO Bob Tregear.

In other football news, we have a great story on the introduction of the John Ellis Senior Memorial Cup on page 5, an excerpt from Footy Town on Living Legend Barry Priest on page 15, and a club history profile on the Laverton Magpies on page 48. Of course with the finals coming up around the corner, we have all the latest team lists, game reports, images of the week and club events for you to check out including all of the results and ladders from our junior competition from page 50-63.

# THE JOHN ELLIS MEMORIAL CUP

*By Kirstie Fitzgerald*

When you first sign up to a sporting club of any kind, you do it for the love of the game and not for all the perks and glory.

Yet sometimes in life you don't realise just how much of an impact you will have on a community until you are recognised by others.

This weekend, the Albanvale and Caroline Springs Football Clubs will honour a man who had a big impact on their football community, as they play for the John Ellis Senior Memorial Cup.

A long standing President of the Albanvale Football Club for many years, John Ellis Snr was a stalwart of the club, developing a great rapport with the junior players, taking the time to get to know them all by their first name.

While President of the club for over eight years, it was always a family affair at Albanvale, with Ellis' eldest son John coaching the senior squad, younger son Dean coaching the Under 18s side and wife Judy lending a hand running the canteen.

Ellis' passion for the Cobras was evident in many ways, none more so than his painful decision to step down as the President due to ill health.

"It was one of the hardest things he had to do when he stood down as President but he knew he had given it his all and due to ill health he had to think of himself for once, but he never gave up being a Cobra," his son Dean said.

"The club is the place it is today because of him and there will always be a part of him there."

Following in his father's footsteps, Dean Ellis is also a president of a local club, currently leading the Caroline Springs Football Club week in week out since 2010.

"Before I became the President of the Caroline Springs Football Club, I confided in him a lot and asked his opinions on what I should do and he told me to follow my heart and make my own history which to this day I think I have done."

*John Ellis Senior pictured with his wife Judy.*

Eventually passing away from ill health three years ago, John Ellis' memory continues to live on with the first memorial cup to be played at Robert Bruce Reserve at 2:15pm this Saturday.

"When we first played Albanvale, the idea was bandied around but nothing eventuated until this year when Albanvale president Jason Curmi contacted me and suggested we get it up and running," Dean said.

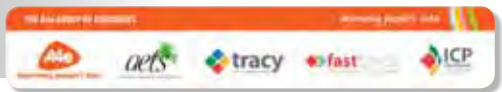

A presentation will be made in front of all the players to the winning team after the game and the cup will remain with the winning team until next time they play.

"I'd like to thank Jason Curmi and the Albanvale Football Club on behalf of the Ellis family for making this day happen," Dean said.

"It will be with mixed feelings this weekend playing for the cup named in my father's honour against the club that I have so many fond memories of, either way it will be a great day whatever the result."

### PROUD SPONSORS OF:

Thank you Altona and Deer Park, for giving footy supporters one of the most memorable home and away games in years, last Saturday at Grants Reserve. In drizzling conditions the skill level was good, the commitment was never questioned and the contest was fierce but fair. James Stephens has only played a couple of games in the Vikings colours, but he laid a bump on Jackson Barling that will be long remembered and talked about in Vikings history, and it was 100% legit. If as usually is the case, that finals sees the intensity rise we are in for a blockbuster month of finals.

There are still five games to go, and plenty of football to be played especially if you are St. Albans or Hoppers Crossing fighting for that last finals spot. Round 14 will see the Warriors hosting Sunshine in another virtual final for the boys from Hogans Road. They will be doing it without Latella and Greenhough both injured last week and if Sunshine has one major strength at the moment, it is their tails, who are all in great form. The formula for Hoppers is pretty simple, they have to keep winning or they will be in the stands in September. St. Albans take on the Eagles and should be too strong and will want to do a number on the Eagles to boost their percentage which may decide fifth spot.

Port Melbourne Colts will not be enjoying their year at all, they are accustomed to success and would love to shape the finals if they can't be part of them but that won't happen this week when the class and pace of Altona will be too good. It was good to see Jase Perkins back among the goals last week. He is a good player who needs to have a bigger impact on games. Altona were really impressive last week and when the likes of Healy, Leslie, Robbins, Knights and Shiels return they will be even better. I suspect Altona is running into its best form at precisely the right time.

Albion's Jason Butina is a marvel and how Mark

Deer Park's Joe Dwyer takes a great overhead mark against a competitive Altona outfit last weekend. Photo: Darrell Jones.

Greenshields must wish he could clone him, such is his impact at both ends of the ground. Deer Park is ruthless as Albion will find out by 5pm Saturday. The return of McGhie and Tom Langlands last week for the Woodsman is a bonus for their finals hopes, and another run under their belts this week will be beneficial.

# LIVING LEGEND-BARRY PRIEST

*An excerpt from FOOTY TOWN- Stories of Australia's Game*

Barry Priest's record with the Braybrook Football Club includes 358 senior games, four premierships, five club best and fairest awards and two A-Grade competition best and fairest awards (1973 and '75).

The competition award has been named after him since the late '80s. Priest was comfortable at either end of the field (like E.J. Whitten), and was never reported during his senior career. His No.16 guernsey has been retired.

Priest says what he remembers most about Braybrook's battles with Parkside were his clashes with Parkside hard man Ron 'The Beast' Fraser, a player whom he rates as one of his three toughest opponents.

"Ron Fraser, Mick Clements of Seddon and Spotswood's Terry Fogarty are the three best footballers I played on."

Parkside made enquiries about Priest's availability after the Brookers had clinched their third flag in a row in 1975.

"I knew a few of the Parkside lads socially, and they asked me if I was interested in leaving Braybrook and joining them. They made me an attractive offer. Braybrook made a counter offer, so I stayed."

Priest played the '76 season at Braybrook before having a one-season sojourn with Yarraville in Division 2 in the VFA.

They won just the one game in 1976, finished last and went on a massive recruiting drive. Amongst Yarraville's other new faces in 1977 were ex-Braybrook alumni Gary Merrington and George Bisset. The Eagles finished the home and away season in second position and defeated Mordialloc by 29 points in the second semi-final.

Alas the Eagles, coached by ex-Footscray champion David Thorpe, lost the preliminary final to Mordialloc by 38 points.

*Barry Priest (left) pictured with Spotswood Captain/Coach and 2012 Barry Priest medalist Chris O'Keefe*

Priest returned to Pennell Reserve in 1978 and played in another premiership in 1979; it was his fourth in seven seasons.

"Braybrook fielded some great teams, but just as importantly we were an incredibly well administered team. I was extremely lucky to play under three marvelous coaches in Barry Thornton, John Lloyd and finally George Bisset."

Today, Priest is organizing a reunion of Braybrook's 1970s premiership teams which will be held on July 28 at Pennell Reserve.

The biggest news to emerge out of Round 14 Division 2 Football action was that Laverton broke the shackles and recorded their first win of the season in fine style last Saturday by 61-points. The Magpies managed to turn the tables on North Sunshine after going down to the Roadrunners by 18-points earlier in the season, and in doing so also managed to lift themselves off the bottom of the ladder. The win had been a long time coming for the "Lavo" boys who went agonisingly close to knocking off West Footscray just the previous week. Dallas Harvey's men were good in the decisive moments and had winners all across the park none more so than Michael Lindsey who bagged five majors and for the Roadrunners Matthew Tiffen slotted a couple from limited opportunities.

In massive news at the other end of the spectrum, the Glenorden machine suffered its first defeat of the season going down by two goals to fellow premiership contender Parkside in an absolute belter of a contest at Heathdale Oval. In a slightly surprising result, Caroline Springs gave its fans much to cheer about by climbing over the top of Sunshine Heights by 33-points and the margin could have been more if not for some wayward kicking from the home side. The Lakers have endured a long season and it is pleasing to see that the cue hasn't been put in the rack at any stage. Over at Pennell Reserve, Albanvale came through with the goods against Braybrook by nine points in a classic old fashioned game of suburban football. The Cobras now have seven wins for the season and continue clinging onto hope of a securing a spot in the top five by the end of the home and away season. They are well and truly breathing down the neck of the Dragons who are two games clear at the moment with nine wins on the board. In the battle of the expansion clubs, Manor Lakes fixed up Sanctuary Lakes to the tune of 185-points at Featherbrook Reserve and Wyndhamvale returned

to the winners list prevailing over West Footscray by 48-points in a hard fought affair at Shorten Reserve.

This week, Friday night football enters the WRFL arena as Manor Lakes hosts Braybrook at Storm Stadium better known as Howqua Park. I'd like to give the Brookers a chance in this game but the Storm are red hot at the moment and play particularly well on their own soil. In the Division 2 match of the round Sunshine Heights take on the might of Glenorden and even though Heights always lift a cog at Ainsworth Reserve, they will meet a Hawk outfit keen to re-assert themselves as the premiership favourites. In other battles across the afternoon, Parkside clash with West Footscray and Albanvale need to beat Caroline Springs in order to keep their finals aspirations going. Sanctuary Lakes have been quite admirable this season and journey to Dempster Park taking on North Sunshine who will give themselves a slight chance of causing an upset. Seeing the round out is Wyndhamvale who will renew acquaintances with Laverton at Dennis Family Oval.

In 2012, 17 years after his death from Prostate Cancer, the legendary Ted Whitten has been declared the greatest personality in AFL history, voted by the AFL Players' Association Committee. The iconic "Mr Football" was renowned for his prodigious talent on the field but it was also his philanthropic work off the field that earned him the accolade.

# DON'T FORGET TO NOMINATE YOUR WINGMAN

Whilst many of us judge a player on their athleticism, physical build and silky skills on the football field, some of us are quick to forget what type of player they are off the field.

This year, the WRFL in conjunction with the Wingman Off-Field Championship Awards Program will recognise football players for their performance on the sidelines.

Sponsored by the Victorian Government and AFL Coaches Association, the program encourages players aged 18-25 to set an example to their peers and look out for their mates both on and off the field.

Operating in three parts, the program aims to tackle alcohol related violence in young adults by acknowledging good behaviour at a club, league and state level.

Nominated by their club, the Club Level winner will receive a certificate of recognition and will automatically go into the draw to be nominated for the League Level award.

Announced in September, the 2013 Western Region Football League winner will receive a plaque and a \$250 cheque, whilst their club will receive a \$250 sports equipment voucher.

In the program's inaugural year in the WRFL last season, Jason Harnes from the Yarraville Seddon Eagles took out the League Level prize after he was nominated by club administrator Jeff King.

"Whilst Jason is undoubtedly one of our champion players on the field, he is also a positive role model for his peers and younger players off the field.

"Being a very responsible man, he drinks minimally and this enables him to watch out for the safety of his mates in the event that they may over-indulge."

All League Level winners will be nominated for the State Level award which be named at the AFLCA awards night in September, where the winner will receive a \$1000 cheque and \$1000 sports equipment voucher for their club.

WRFL CEO Bob Tregear said that the league was proud to be involved with the program once again as it was important to encourage players to keep their teammates safe.

"AFLCA President Danny Frawley approached us last year with the campaign and we saw it as a good responsible program, one that should be delivered to our people.

"It's important to promote because it builds the camaraderie and helps the culture of the league.

"One of the issues the WRFL have had over the years has been the perception of perhaps a bit of bad behaviour and all of these programs are steps in helping correct that," Tregear said.

To nominate a player from your club who you believe embodies good behaviour both on and off the field, please collect a nomination form from the WRFL office and have it returned by August 15.

## Update

Spotswood has been denied a third consecutive win, having been defeated by a strong St Albans squad.

It was a tight battle throughout the day, with the lead changing at every break. Yet St Albans seemed to want it more and ran away with the game in the final term, finishing on top by 15-points.

The Saints' Jordon Mune produced a best afield performance, while Nathan Knuckey was a standout for the Woodsmen.

Both sides retained their ladder positions, with Spotswood at sitting second, and St Albans in fourth.

After an ordinary start to the season, Altona headed into their game against Deer Park looking for their fourth consecutive win. The Lions, coming back from the bye, were looking to recover some form after a string of losses.

It was a low scoring affair in the opening term, with both sides suffering from inaccuracy in front of goal. Yet the Lions were determined to get back to some good form and continued to lead for the entire game-though only marginally.

Whilst Altona's Jay Paton finished the day with two goals for his team, the Lions were too good, running out 19-point winners, after a best on ground performance from Craig Plant.

These two sides also retained their ladder positions, with Deer Park placed in fifth position and Altona in sixth.

Due to the school holiday period, the Yarraville Seddon Eagles were unable to field a side in their Round 13 match against Hoppers Crossing and were forced to forfeit the game.

In this situation, the four points will automatically go to Hoppers Crossing whilst the ladder's percentage is calculated based on the highest winning margin from the other matches played that round.

Therefore, the scores on the website for the Yarraville Seddon Eagles vs. Hoppers Crossing match will reflect the same scores as the Altona vs. Deer Park game which saw Deer Park win by 19-points.

This week we will see the clash between first versus second, when the Warriors host Spotswood at Hogans Road Reserve.

Deer Park will have an opportunity this week to record their sixth win for the year, while their opponents, Albion, will be looking to head into the finals strongly.

The Yarraville Seddon Eagles will take on the fourth-placed St Albans, where they will be looking to record their first win of the season.

Altona have a bye this weekend.

# UMPIRES CORNER

*By Graeme Hodgart*

Last week saw the 18th occasion of the E.J. Whitten Legends Game. It was played at Etihad Stadium and was well supported by the football community. Of course, its Western Suburban flavour was very evident and there were many direct links to the FDFL/WRFL.

The great Teddy Whitten, who played 321 VFL games in the red, white and blue, was sadly a victim of prostate cancer. The EJ Whitten Foundation was formed in 1995 to commemorate the memory of the famous footballer but, more importantly, to raise the awareness of cancer of the prostate. The Foundation is led by Teddy's son, Ted Whitten Junior who played 144 games for the Dogs. Whitten Senior played his junior football at Braybrook while his son played at the now defunct Footscray & Yarraville Socials.

Coach of the Victorian team was Doug Hawkins who played 329 games for Footscray after graduating from the junior teams at Braybrook. The WRFL was well represented by one of the trainers in 'Titch' Williams who is a legend himself at the Albion Football Club. Mitch Hahn, who is currently playing with the Sunshine Kangaroos, played for the All Stars team. Brownlow Medallist, Tony Liberatore, father of current Bulldog in Tom, represented the Victoria team and played a fantastic game. Other former Western Bulldogs in Scott West, Lindsay Gilbee, Ryan Hargrave, Paul Dimattina, Nathan Eagleton and Paul Hudson also participated in the match.

The umpires were all past AFL officials. Surprisingly, none of

them were former WRFL umpires although Rod Davies has waved the flags on a previous occasion. One of the umpires, Alan Cook, actually did coach the WRFL boundary umpires for a year or two about five or six years ago.

As like previous years, there were two goal umpires at each end. There didn't seem to be any real difficult decisions for them to adjudicate on. For many of the scores, the work load was shared with one goalie signalling the score and his partner waving the flags. It appeared that none of the goal umpires were actually recording the progressive scores. Even so, at the end of each quarter they did acknowledge that the score on the scoreboard was correct by waving two flags in the direction of the board.

The whole night was a positive event with many families enjoying the football and the entertainment. Hopefully, a huge amount of funds was raised for the EJ Whitten Foundation.

# DIVISION TWO – UNDER 18

## Update

They say the third quarter is the premiership quarter.

But they hadn't seen last weekend's clinical crunch encounter with finals bound sides Wyndhamvale and West Footscray.

On the line a spot to play for the silverware; finals glory for the Division Two Under 18 series. Indeed, that opportunity would not be lost on the result on this match.

But in a memorable display, the Roosters showed they wanted it that little bit more.

A lead of 14-points evaporated in the final quarter for the Falcons, who were overrun by their rampant home opponents, to lose by 12.

The result is a big one in the context of this season. It places West Footscray above the finals cut off line, and a game and percentage ahead of their near rivals.

Deadly with the boot once again was the unstoppable Brad Fava, hammering four through the big sticks.

His starring role for the Roosters, was ably complemented by the free wheeling pair of Abebe Alkidan and Josh Hilson.

It was the most enthralling and closest game, in what was a rather lopsided Round 14 elsewhere.

More pain came the way of Manor Lakes, dealt a crushing defeat at the hands of ladder leaders Glenorden, to the tune of 196-points.

Number 25 for the Hawks Hayden Masson really made a fist of it up forward, with nine goals next to his name in one of the biggest hauls of 2013.

While over at the Town Centre, it was a similar diabolical scene for Caroline Springs, smashed by Hoppers Crossing.

Albeit the damage not so large, suffering a defeat of 88-points by comparison.

This Saturday, West Footscray appears to be again in the game of the round. They'll be looking to further cement a finals berth, in a very winnable game against the more highly fancied Newport.

*West Footscray's U18s had Wyndhamvale all wrapped up after their 12 point win last weekend at Shorten Reserve. Photo: Jesse Johnstone.*

One sided affairs are on the cards around the grounds elsewhere. Caroline Springs will be trying to limit the blood letting against Glenorden. Fellow cellar dwellers Manor Lakes also will be up against it, in their meeting with Hoppers.

Waiting another week before they can attempt a return to the winner's list, is Wyndhamvale, who have the bye this weekend.

# LAVERTON CLUB HISTORY

**Name:** Laverton Magpies Football Club

**Year it was formed:** 1914

**Inducted into WRFL:** 2000

**Total Club Premierships:** 2 (1994 Reserve, 1989 Senior)

**Team colours:** Black and white

**Team mascot:** A Magpie

**Home ground:** Laverton Park, Laverton

The Laverton Football Club was long believed to have been established in 1924. Though recently, another club was delving into their own history and uncovered otherwise.

“We’ve received information from Altona (Football Club), who are actually doing some research into the history of their own club,” club member Matthew Pratt said.

Pratt went on to explain how the club was formed ten years prior, in 1914 – meaning that next year would be the centenary of the Laverton Football Club’s initial establishment.

“In the thirties, we merged with another club for a number of years, which was a hybrid of Truganina and Laverton.

“That merger was only for four years, I think it was (between) 1930 and 1934.”

After 1934, the merged club split back into their original teams.

In 2000, with a looming debt crisis, the original club collapsed, and in its replacement, the Western Magpies Football Club was formed.

Adapting the Magpie as its official club logo in the fifties, the new club changed its name to the Laverton Magpies Football Club in 2008 which they are currently known as today.

“There was a lot of popularity in the area, there were a lot of Collingwood people here at the time,” Pratt elucidated.

“Collingwood had a big fan base, and I believe that the people (board members) at the time chose the magpie as the name.”

Originally based at a ground near the Laverton railway station, the club made the move to Laverton Park in the 1960s where they continue to be based at today.

In the early 2000s, the local council contributed toward the redevelopment of the club’s facilities, where the clubrooms were essentially doubled in size.

Within the next three to five years, the club plans to further enlarge the rooms with a new kitchen, bar area, and gymnasium likely to be installed.

This year, Laverton has approximately 100 players and staff, and unfortunately, have been unable to field junior sides.

Last week the Magpies celebrated their first win in the Division Two competition after their senior side defeated North Sunshine by 61-points. This week they will aim to make it two wins on the trot when they travel to Dennis Family Oval to take on Wyndhamvale.
