A FOOTBALLER ON THE FRONT LINE

A Special Anzac Day Editorial

As we burst through the banner on the MCG – *As we stepped on the shore of Gallipoli.*
The banners fly high in exultation – *Together we joined for the good of our nation.*

The siren sounds and the crowd cheers – *From the feeling of excitement to the feeling of fear.*
Down goes the ball as the BIG men fly – *As I look above and see bombs falling from the sky.*

As bodies collide whilst chasing the ball – *We look to the horizon and see our comrades fall.*
As our team continues to put the points on the board – *We look and see some of our foes die by the sword.*

From fighting on the footy field to win the game – *To fighting for freedom, in my beloved country's name.*
Team work and mateship is evident on the field – *Diggers in arms will never yield.*

Kicking into a howling wind was a challenge we met – *The smell of death and raw sewage in the trenches I will never forget.*

Selected to play footy fulfills most childhood dreams – *But being conscripted into war, is not all as it seems.*

Our skipper is injured with a leg that is bent – *As I watch more wounded men stretched into the hospital tent.*
Our skipper will recover in no time at all – *Whereas a number of diggers are not revived at all.*

The fans ooh and ahh with their sauce and meat pies – *For never was so much gore seen with my very own eyes.*

The score at the end does not really matter – *We look to the left and right, and see the blood splatter.*

As the white flags wave to signal another goal – *White cloths flutter to save another soul.*

As the crowd roars loudly with delight – *The diggers weep endlessly through the night.*

The siren blows for the end of the game – *As the final post, rings out my name.*

The players leave and the crowd depart – *The diggers persist with Aussie spirit in their heart.*

Looking back at the football game, I do not see all the glory and fame.

I see all the brave Anzac's who gave their lives, who left their family and children, even their grieving wives.

Where dreams are for living, for all the sacrifice worth giving,

We will remember them.

LEST WE FORGET.

Braybrook and Manor Lakes pay tribute to our Diggers

There is nothing more special, than hearing the eerie silence of a 100,000 strong crowd at the MCG, during the Last Post on Anzac Day.

Whilst we may all barrack for different teams, one thing all football fans can agree on is the importance of paying respect to the brave men and women who lost their lives fighting for our country and our freedom.

Held in conjunction with the Manor Lakes Football Club, WRFL and Sunshine RSL, the Braybrook Sporting Club will host their fourth annual Anzac Day match at Pennell Reserve on Thursday.

This year's Anzac Day clash will see Braybrook take on the league newcomers in Manor Lakes, who chalked up their third straight win for the season, over Sanctuary Lakes last weekend.

Braybrook Sporting Club administrator, Suellen Isherwood, and Club Treasurer, Frank Smith are delighted to be involved in organising the Anzac Day Service once again and hope that it will be an ongoing event, like the AFL's traditional match between Essendon and Collingwood.

"This is our fourth year holding this auspicious occasion, and we would be honoured to make it a permanent event every year," Isherwood said.

Commencing at 1:30pm, Braybrook President, Paul May, will open the Anzac Day Service, with City of Maribyrnong Lord Mayor councillor Catherine Cummings to say a few words.

President of the Sunshine RSL, David Twidle, will commence the Last Post, and the Australian flag will be raised.

Wreaths will be placed at the foot of the flag and all players will wear black arm bands as a sign of respect for the Anzacs, with Cr Catherine Cummings to toss the coin, ahead of the seniors match at 2pm.

"The number of people who have been in attendance over the past three Anzac Day matches we've had has been spectacular, and the support from the broader community never ceases to amaze us," Isherwood said.

In his eighth year as the President of Sunshine RSL, David Twidle is happy to be a part of the day, and is

grateful to the Braybrook Sporting Club for hosting the event over the past four years.

"Anzac Day is a great time to reflect on what our diggers have been able to achieve, and to commemorate those who have sacrificed everything to give us what we have today," he said.

"It's a very good thing that the Braybrook Sporting Club is doing, and I look forward to being a part of the ceremony each year."

ROADRUNNERS BREAK FIVE YEAR DROUGHT

North Sunshine run out 21 point winners over the Laverton Magpies last weekend

Long-time strugglers North Sunshine Roadrunners got the biggest of all monkeys off their back last weekend, when they delivered an emphatic 21 point victory over the Laverton Magpies at Dempster Park on Saturday afternoon.

The boys from the Crossroads were very determined and led at every change, holding off a defiant Laverton side during the last quarter to send the Dempster Park faithful into a frenzy.

Much relief and jubilation was seen from both players and supporters, as the triumphant victory recorded the club's first win since July 26, 2008, breaking an incredible 68 game straight losing streak.

Having not won a first quarter since their last win in 2008, the home side found the middle of the big sticks three times, to the Magpies two, taking an 11 point buffer into the second term.

The Magpies stepped it up a gear, kicking five goals in the second quarter, to the Roadrunners three, making it a one point contest at half time, 6.9. 45 to the Magpies 7.2.44.

A tremendous six goal to one, third term saw North Sunshine in unfamiliar territory, with a strong 32 point lead heading into the last quarter of the game.

Whilst the Magpies fought back in the final term, the Roadrunner crowd cheered their boys onto a well deserved 21 point win, with an end result of 14.12.96 to the Magpies 12.3.75.

Being on the receiving end of a record breaking 401 point massacre at the hands of Albanvale in 2008, the win is a huge morale booster for all involved, lifting them off the bottom of the ladder for the first time in as many years.

Showing the benefits of a solid pre-season, North Sunshine had an even spread of good players across the field over the day. The Red, White and

Final Scores in North Sunshine's historic win

Black were once again well served by the extractor Josh Moody doing what he does best combining with Tyrone Charles in the middle of the ground providing the Roadrunner tall forwards with ample opportunities. Twin towers Jeremy Hibbert (3 goals) and Big Bad Bustling Beau Mikus (4 goals) proved a handful up forward and could've had more if not for a few missed opportunities.

Others to perform strongly in the historic win, was Best on Ground player, Mat Charenko, who recaptured some of his best and fairest form of last season. He and Nigerian born man mountain, Mikey Nnadiwekwe, were clearly the dominant big men on the day and this allowed Coach Rick Charles the luxury of having a resting tall in the forward 50.

Brent White continued his good form for the Roadrunners, relentlessly getting the ball moving his team's way and last year's captain Johnny Portelli won the club's one percenter award for a plucky performance controlling half back with Matthew Mallach. Not to be outdone, fan favourite Hung Phan, made a strong return to the senior side, setting the standard for his team by putting his head over the ball all day, sustaining a strong physical presence for four quarters.

Whilst the North Sunshine Football Club were happy with the win, it was unfortunately marred by an incident where Laverton Magpies player, Nathan Wilson, was concussed and taken to hospital by the ambulance in an regrettable set of events. North Sunshine extends its best wishes to Nathan, and hopes for his speedy recovery in the near future. In addition to this, Chris Leach of the Roadrunners broke his collarbone in the first quarter illustrating just what a physical contest it was.

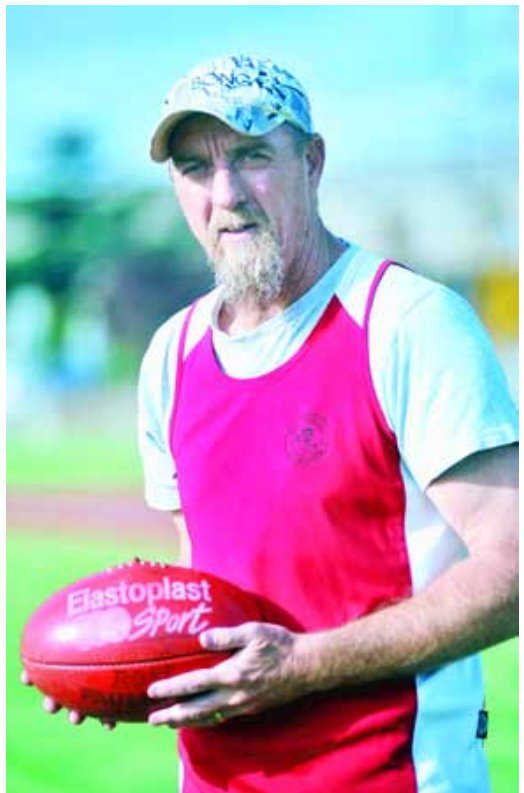

Nevertheless, tears and beers flowed aplenty in the rooms after the game, the victory so historic,

that is caused the Channel Seven Sunday night news team to do a feature report on the event the following night.

For North Sunshine though, the win is a just reward for not only those who were directly involved in the success, but for the whole club in general, proving that with hard work, further conquests are just around the corner.

Tommy Millar is the emerging star of the 2013 season, as the Sunshine Kangaroos have started the season in great style.

The mobile ruckman is fit and healthy and tearing up the competition in the middle and in front of goal.

He will need to be at his best this weekend when the Kangaroos face Deer Park also undefeated after two rounds.

Millar verses Chris Stewart will be a great battle. The Lions are certainly getting value from their new recruits with Sam Hunt starring last weekend along with Kwame McHarg and Shilo Smith.

Coach Mark Bullen told the radio team after the game he knows there is a lot of room for improvement and knows that Sunshine with Mitch Hahn and Rusty Douglas, will be a hard nut to crack.

Veteran, Jason Buttina, leads from the front for Albion and he will need too this week lining up against Spotswood, who bounced back to the winners list in impressive fashion over Hoppers Crossing.

Dylan Callard is making the most of his opportunities up forward for the Woodsman and the Fogarty's Michael and Matthew continue to impress.

Albion finished the game off against Spotswood outscoring the Woodsman in the second half, a good sign.

Altona will be too strong for North Footscray who had one of their leanest days last week against the Kangaroos.

Coach John Barnes has a lot of work in front of him but you can be sure he will do everything he can, to make the Devils competitive.

Spotswood's Sam Wood last season

Our radio match of the day is Yarraville Seddon Eagles v Port Melbourne Colts.

The Colts will be hell bent on getting their first win of the season while the Eagles started well against Deer Park but fell away.

St. Albans and Hoppers Crossing get the week off having played on Good Friday. The Saints got their first win of the season storming home in the last quarter with seven goals to take the points from Port Colts and an injury hit Hoppers will be thankful for the week off.

DEER PARK LUNCHEON

Deer Park Celebrate 1978 Premiership

The year was 1977 and the Deer Park Football Club had just suffered an agonising defeat at the hands of the Altona North Brooklyn Youth team, in the Division Two Grand Final.

As fate would have it, the following year these two rivals met again to play in the ultimate Grand Final rematch.

However, it was Deer Park who sought redemption on this occasion over their rivals, this time emerging victorious, and clenching the 1978 Division One Premiership.

Held at John Mcleod Oval last Saturday, the Deer Park Football Club remembered the great achievements of their past players, with a special 1978 Premiership Luncheon.

More than a dozen premiership players attended the event, and were once again reunited to celebrate the club's victorious year.

For most players, the luncheon was the first time they had seen each other in 35 years and needless to say, it was a day of remembering and basking in former football glory.

When asked about her thoughts on the club's Premiership, Deer Park secretary, Justine Curatolo, described the 1978 win as one of 'sweet retribution' for the Lions.

"Both coaches at the time were work mates, so in 1978 Deer Park coach Brian Davitt, ensured his boys would not suffer the same fate of the previous year," Curatolo said.

Notable players from the team included Lindsay Sneddon and Bruce West, who both went on to play in the VFL after the emphatic win. Ian Bodden, who played three consecutive premierships with Preston in the VFA, was also in attendance, as well as Peter Pippas, who went on to represent NSW at a senior level.

As well as commemorating the achievements made by the 1978 premiership team, the luncheon also saw Bernie Lee become the Club President and Steve Coughlan the Vice President.

The day also celebrated the induction of several Life Members, made out of those on the playing list and

the club's 'Best and Fairest' award was renamed the "Paul 'Tiger' Fanning" medal.

With the recent spate of Melbourne's rainy weather holding off for the occasion, it was the perfect day to celebrate one of the proudest moments in Deer Park's 78 year history.

"The day was a great success and a compliment to the Club's proud and long history," Curatolo said.

After a seamless start to the 2013 season, this year's Deer Park senior squad will hope to follow in the footsteps of the 1978 side, learning that through hard work and determination, Premierships can be achieved.

DIVISION TWO

Seniors Preview

Round Three of Division Two, turned out to be one of particular noteworthiness this week.

Glenorden ascended to clear premiership favoritism, with its 25-point win over Parkside. Defender Daniel Lee and gun on-baller Jesse Fortune, were amongst many fine contributors on the day, for Nick Diker's impressive Hawks outfit.

Manor Lakes confirmed its formidability, crushing Sanctuary Lakes in Victorian football's newest derby, the 'Battle of the Lakes', with Ty Priest slotting a baker's dozen in the emphatic victory.

But the big story, without any shadow of doubt, came out of Dempster Park, where North Sunshine players, staff and fans alike, celebrated victory for the first time in five years.

It was the Laverton Magpies who were consigned to the role of Wile E. Coyote, as they were unable to chase down the much-improved Road Runners, who held sway at every interval.

Beau Mikus and Matt Charenko were amongst the heroes in the surprise 21-point triumph, seeing a 73 game losing streak come to an end and lifting the Road Runners off the bottom of the ladder in as many years.

So some fresh terrain to cover in Round Four, with North Sunshine hoping to make it a previously unthought-of two wins on the trot - and being some chance of doing so - against Sanctuary Lakes at Shark Park.

Caroline Springs look to get on the winners' list after a 54 point loss last week, when they come up against the undefeated Albanvale Cobras.

Glenorden and the travelling Sunshine Heights, go head to head with their perfect records on the line, in the division's match of the round.

Paul Clemente takes a solid mark for Parkside last year

Parkside will be looking to bounce back against West Footscray at home, whilst Laverton receive no respite with a home engagement with the Wyndhamvale Falcons.

And on Anzac Day battling Braybrook host the undefeated Manor Lakes, in what should be a classic way to kick off another tremendous round of WRFL Division 2 football.

PROUD SUPPLIER OF THE WRFL

CLUB PERSONALITY OF THE WEEK

Kerryn Jess of North Sunshine Football Club

When you think of the heart and soul of North Sunshine Football Club (NSFC) you think of Kerryn Jess. A life member and strong maternal figure around the club, Kerryn has been a wonderful servant to the Roadrunners and has performed many roles in her time at Dempster Park. As a single mother, Jess began her involvement at the football club in 1996 bringing her son Ross Innocenti to play. Today, Jess is the club treasurer and it seems her love for the NSFC runs in the family. Her daughter, Anne-Maree, is the club administrator and a life member of the club, her son-in-law Daniel Matcham, is the reserves coach, whilst her son Ross, is also a life member at the club and continues to play for the Roadrunners today.

For Jess, it is all about the great people you meet over the journey, but her greatest highlight came in 2002 and 2003, when she was the team manager for the U10s side, which her son Ross coached. Jess takes much satisfaction having seen many of these boys grow into fine young men, and watching them develop with their football, most notably GWS player Will Hoskin-Elliott. She considers the NSFC as her second family and describes all the players and coaches as “her boys”. Always a lady, Kerryn brings a much needed personal touch to the male dominated club and says that she “loves her boys because they are always very polite.” Despite holding the position as Club Treasurer, you will often find Jess baking scones for the club’s home games on a Saturday morning, providing some good old fashioned hospitality, for those who attend the afternoon tea.

Her journey hasn’t always been an easy one though, especially considering the most recent struggles at Dempster Park. However despite this, you get the feeling that Jess is one of those kinds of people, that when the going gets tough, the tough get going. Never one to seek sympathy, Jess continued to perform her role as club Treasurer last season,

Former Roadrunner and now GWS star Will Hoskin-Elliott, with Kerryn Jess

despite being in hospital several times with some health related issues.

When the Roadrunners finally chalked up their first win in five years last Saturday against the Laverton Magpies, there was a satisfactory smile from a lady who would’ve kept pushing on, regardless of the results. For the ever loyal Jess, the NSFC are her family and you never leave family. One day, the club stalwart is looking forward to being able to watch her grandson Ethan run around in the new look Roadrunner guernseys, that she helped organize hence aiming to bring the club into a new era.

WYN FM GOING DIGITAL

WRFL match broadcasting on 88.9 WYN FM will enter the high tech world in season 2013.

No longer relying on copper wire telephone lines, broadcasts from the WYN FM caravan this year will be done digitally and wirelessly.

This switch to digital transmission will not only improve the quality of sound, but will also avoid drop-outs experienced in landline reception in recent years.

The only downside with digital broadcasting is that it requires the signal to be buffered, meaning that there will be a five second delay between transmission and reception on the 88.9 FM frequency.

To avoid confusion for spectators watching the match at venues, a second un-buffered signal will be broadcast on a low powered transmitter, at a new frequency of 90.1FM.

So if you can't make it to the game, tune into 88.9 FM as usual, but if you wanting to listen to live and up to date commentary as a spectator at the ground, tune into 90.1FM for an un-buffered broadcast.

Join host Kevin Hillier and Steve Thom preview all the big games for the upcoming round on the 2013 Alan Mance Motors WRFL Footy Show on

Friday Nights between 5pm-6pm, with special guest interviews with coaches and players from across the league.

Tune in on Saturday nights between 5pm-6pm for the Bridgestone Match of the Day Show for all the around the ground wrap up, with main caller Adam Lux, special comments by Steve Thom, Stats King Andrew Muscat, on the boundary with Kevin Hillier and news from around the grounds with Cade Lucas.

Preview

A dominant Deer Park side have placed themselves as strong premiership contenders, after convincingly beating the Yarraville Seddon Eagles by 44 points, at John McLeod Oval on the weekend.

A powerful Deer Park outfit held Yarraville Seddon scoreless for the first term, kicking four majors to establish a comfortable early break.

Whilst the visitors showed a bit more form in the second quarter, they were unable to recover, with the smallest deficit of the game, being 23 points at half time.

Strong marking forward Omar Tawfi kicked three goals for the game, and was pivotal toward the win. Deer Park's on-ballers combined effectively, resulting in fourteen more scoring shots than their opponents.

Deer Park coach, Colin Clohesy, praised his team's efforts, however conceded that the squad had points to work on, before lining up against Altona next week.

"We did well winning the contested footy and being more direct, than the opposition and we're going to get stronger (when a few players return back next week)," Clohesy commented post-match.

"What we were down on was the contested marking, which was a bit ordinary. They beat us in the clearances, so we need to get first hands on the ruck in that area."

Deer Park can enjoy the weekend off in Round Three, as the win sees them move to the top of the ladder, while Yarraville Seddon slump to the bottom, after recording their second loss in as many games.

Elsewhere, Albion, have also recorded their second win, after a close contest with Altona at home. Leading by four goals at the first break, Albion managed just a single point in the second term, handing Altona a six point lead at half time.

Albion were on top by five points at three quarter time, before a four-goal to one final quarter saw the home side emerge as victors by 19 points.

Deer Parks' Brandon Domotor shows his kicking skills last season

Premiership favourites, Hoppers Crossing, produced a phenomenal performance playing away at Spotswood. The visitors were out to a ten goal buffer at half time, before comprehensively winning by 20 goals at the final siren. The 129-point victory sees their percentage skyrocket to 714.29%, after having a bye the previous week.

After this devastating loss for Spotswood, the Woodsmen will look for redemption, as they travel to J.R Parsons Reserve to take on Albion.

Fresh from coming off a bye last week, the Saints will have their work cut out for them, when they take on the red hot Warriors at home, whilst Altona battle it out against Yarraville Seddon Eagles at Grant Reserve.

CLUB LEGEND

Les Stuart of Port Melbourne Colts

Port Melbourne Colts' stalwart 'Luscious' Les Stuart has been involved with the club for 25 years, covering a number of key roles that often going unrecognised around a football club.

The 61-year-old has been involved as a bar manager, junior administrator and coach, in charge of ground reports and washing the players jumpers, just to name a few.

"I reckon I've got probably ten years left in me," said Les, "it's starting to get harder handling all the jobs I do, strapping the players, working the bar as well, but I'll still be involved with the club, I'll still help the sheds."

Les played out his final years of football at Balwyn Combine before a horrific injury ended his playing days.

"I injured my knee one day really badly, it needed a full rebuild, full reconstruction. They gave me 115 internal stitches because I dislodged it that far and I stopped playing after that," said Les.

Les moved to the Port Melbourne area in 1976, and as soon as his son was old enough to play, he came down to the Colts.

"Young Luke was six so we took him down there for a run, we thought we'd get him into the footy team to smarten him up a bit," said Les.

"There were 30 kids running around and I offered to help out the coach and became assistant coach of the team from there," said Les.

A Life Member at Port Melbourne, Les has seen plenty of great times over the journey, including four premierships in his time at the club.

"The biggest kick I've got out of it is the captain of the seniors, I coached him two years in under 10's and its great seeing these kids grow into such good footballers," said Les.

As a non-player, 'Lush' still had his pre-game superstition, which served him for roughly ten years.

"I wouldn't shave the day before a game," said Les, "I used to shave before the games, then we lost a few in a row and one day I didn't shave and we won,

Les Stuart hard at work at Port Colts

so I stuck with it, and it worked because we were a pretty successful team in those days."

With neither his sons, nor himself playing at the club anymore, the fact that Les has continued to support the club for such a long time, makes him a true club legend.

DIVISION 2 UNDER 18

Preview

Glenorden will face its biggest test this weekend, when the undefeated Hawks meet last year's finalists Hoppers Crossing.

The top end of the U18s Division 2 competition has emerged as a battle between these two clubs, and the second placed Newport Power.

After solid victories over West Footscray and Wyndhamvale, the Hawks will be eager to prove their worth against one of the competition's highly fancied clubs coming off the bye.

Glenorden coach, John Temuskos, is looking forward to the upcoming game, saying that it will be a great challenge for his team.

"Hoppers Crossing have been the dominate team in both U18 competitions in the past couple of years, so it should be a good match, considering we have recruited really well this year," he said.

They'll meet a Warriors side that's showing why it's a team to be feared once again in 2013.

Warrior, Mitchell Bourcier, provided a target up forward booting four goals, as Hoppers demolished Caroline Springs last Saturday at home, to the tune of 102-points.

Helping him up forward was the familiar goal kicking exploits of Andre Bistii, who leads the competition with nine next to his name this season.

Last week Manor Lakes confirmed its status as one of the league's strugglers, with the Storm dominated from start to finish at the hands of fellow competition newcomers Newport.

An eight goal third term against the Giants, all but sealed the win for the Power, with the 125 point thrashing keeping the side undefeated this season.

Despite two big beltings last Saturday, one game stood out - the match between Wyndhamvale and West Footscray.

From the opening siren, the game played out like an arm wrestle; both low scoring and tight.

At half time scores were locked, at 13 apiece.

After the major break, things sprung to life as the Roosters roared out to a 17-point lead with a three goals to none third term.

However, it would be too early to think a result was locked away, as the Falcons showed they had plenty left to give.

A five goal final quarter burst, brought the home side to within points of a come back victory, but were beaten by the final siren, 51 to 46.

The Roosters' Brad Fava the stand out for the winning team, collecting best on ground honors and two goals for his efforts on the day.

West Footscray will have the opportunity to string three wins together, when the side comes up against cellar dwellers Manor Lakes at Howqua Reserve.

It's as Wyndhamvale takes a week off with the bye, ahead of a challenging return game next weekend against Hoppers Crossing.

While Caroline Springs may need to wait another week to record its first win of the year, when it faces Newport Power on Saturday morning.

Hoppers Crossing's Brodie Moles and James Mulligan

There's a lot in common between Brodie Moles and James Mulligan.

The pair not only rose to prominence wearing the colours of the Western Bulldogs, but are now continuing their playing days in the WRFL, at Hoppers Crossing.

That's not all. Both originated from outside Victoria, Moles from Tasmania; Mulligan hailing from Queensland.

To top it off, both were coaxed into joining the Warriors with a little help from a close mate.

Close friend of Moles, is Kade Carey, a current senior listed player and nephew of the great Wayne Carey, who he played a bit of footy with while at Geelong.

"He sort of rang me up and said I've got a good club for you and we'd love to have you on board," he said.

"It all happened pretty quick really, I went up to Hoppers one night and signed that night."

It all started for Moles down the freeway in Geelong, where after two fruitless seasons, his time at the cattery came to an end.

At 24 years of age, after getting drafted from Glenorchy, Moles found himself back to square one, instead this time hoping for his chance via the rookie draft.

Leading up, he only heard from Hawthorn and the Bulldogs, and in the end, it was Whitten Oval where he would end up.

Since he arrived in late 2009, Moles quickly established himself as a mature age revelation, carving out 13 games in his first season.

A dislocated shoulder kept Moles sidelined for a year, and he struggled to break back into the side, under the new coach Brendan McCarthy.

"He sort of had in his mindset to blood some new kids, and I was at an age where I was 27 and an older type," he said.

But Moles does not shy away from the fact his defensive game did let him down at times.

"It's probably not one of my more stronger points, and I'm sure that would've added to it (delisting)."

Also finding the same fate at the end of last season was the Dogs versatile big man James Mulligan.

Standing at about 200cm tall, the former Surfers Paradise junior excelled across all sports, be it athletics or rugby.

In just his first season playing footy, he made the Queensland U16s side in 2005. A few years on, and the Bulldogs snapped up the athletic utility in the pre-season

draft where he'd eventually be offered a two-year contract in 2010.

Fast forward a couple of years, and the love was gone.

"I think it was about July or August last year I actually walked away from football," he said.

"Wasn't really going to play football again, but I suppose having a little bit of fun down at local footy is a bit different and a lot less pressure to playing professionally."

The personal trainer only managed a couple of games for Williamstown in the VFL last year due to an Achilles injury.

As for returning to the sunshine state, Mulligan said that's not a viable option.

"I've been down here for five years now, so I've bought a house down here, I've got to finish my university and my girlfriend lives down here."

Instead a few words from the Bulldogs electrician John Culhane, who doubles as Hoppers' senior team manager, helped lure Mulligan to the Warriors.

"I was at Skip's (Wayde Skipper) wedding a couple of years ago and I met Johnny, and then I kept seeing him around the club...and he asked me whether I wanted to come down."

The answer was yes. Not just from Mulligan, but also Moles to call Hoppers home in 2013.

"Me and Molesy are good mates, we've played a fair bit of footy together, it's good to have him down there," said Mulligan.

Hoppers Crossing has the bye this week and will return in round four next Saturday against the Yarraville-Seddon Eagles at home, at 2.15pm.

UMPIRES CORNER

By Graeme Hodgart

Having stumbled into umpiring by accident last year, Barry Webster thoroughly enjoyed his first season in 2012 as a goal umpire in the WRFL.

It all started when his young teenage son, Ryan, was appointed to field umpire at a special night game. When they arrived at the venue, it was discovered that there had been a communication breakdown, which meant no goal umpires had been appointed to umpire the match. So good-natured Barry found a couple of flags and officiated with a club president, filling in at the opposite end. Feedback suggested that all three mentioned did decent jobs.

Afterwards, Barry decided that if he had to ferry Ryan around each Saturday morning, then instead of sitting in the car, he could be active himself and wave flags in an official capacity. Once or twice throughout the season Ryan would tell his dad what he was doing wrong, or how he could improve his umpiring skills. This annoyed Barry slightly, but he kept listening to advice from the more senior goalies and slowly began to deliver his skills and abilities in the goal square. After a solid year as an umpire under his belt, Gary is now looking forward to doing more senior games in 2013.
