WRFL supporting the EJ Whitten Foundation

With everyone's batteries recharged following the Queen's Birthday weekend break, it's time to get down

to the business end of the season. And as we start the return home-and-away matches on the run down to finals, the month of June will be focused on fund-raising for our community partner, the EJ Whitten Foundation.

All clubs have been issued with rattle cans to collect donations from bars and canteens. A couple of clubs have already filled their first cans and have been issued with new ones to continue the effort. Please return any full cans to the WRFL office and receive new ones in their place. The can rattle campaign finishes on Monday 22nd July, and the club that collects the most money will receive a fabulous prize of 4x Medallion Club tickets to the Western Bulldogs v Sydney Swans game at Etihad Stadium on Sunday 4th August PLUS 4 tickets to the EJ Whitten Brownlow Night Dinner at the Hilton Hotel on Monday 24th September.

In addition to the can rattle, the ULTIMATE FOOTBALL PRIZE is up for grabs in association with the annual EJ Whitten Legends Game at Etihad Stadium on Wednesday 10th July. All clubs have received raffle tickets for sale at \$20 each, with all proceeds to the EJ Whitten Foundation. The first prize is valued at \$3,500 and comprises of 10 tickets

to a fully-catered super box for the Victoria v All Stars game, sharing the excitement with Ted Whitten Jnr. in person. Consolation prizes for the raffle include 2 tickets for a Player Change Room Tour for you and a friend to meet with past greats of the game; and 50 General Admission Tickets to the Legends game – enough to share with your entire club!

The Western Region Football League is proud to partner with the EJ Whitten Foundation by raising funds for research into prostate cancer and promotion of men's health messages. All clubs, players and supporters are urged to get behind this year's effort that aims to raise at least \$15,000 for the Foundation. Please donate generously to the rattle cans and ask your club for raffle tickets. And let's support the Legends Game at Etihad Stadium on 10th July in fitting memory of the great Ted Whitten and his enduring legacy to football in the West.

JUNIOR INTERLEAGUE CARNIVAL & METROPOLITAN CHAMPIONSHIPS

Whilst many of us enjoyed the mid-season break from the regular home and away season, over 200 of the league's best junior players from U12-U16 including the Youth Girls, competed in the 2013 Junior Interleague competition and AFL Victoria Metropolitan Championships.

Commencing on May 29 to June 19, the Junior Interleague competition saw our U16, U13 and U12 squads compete against the likes of Riddell District Football League and the Essendon District Football League.

Having gone down by 22-points in their first game against RDFL, our U16 squad will look to improve on their results when they play the EDFL on June 11 at Avalon Airport Oval.

James Beilby, William Baird and Isaac Covo were amongst our best U16 players, with majors from Jaye Aburrow and Hamza Abdo handy against the RDFL outfit.

In two nail biting matches, our U13 squad went down by less than a kick in their first two matches of the interleague tournament.

In a low scoring affair against the EDFL, our U13 squad showed some flair in game one, with accuracy in front of goal keeping the team in the match. Despite their efforts, our U13's went down

by two-points at the final siren-the margin 6.3.39 to the EDFL's 5.11.41.

Game two against Riddell also saw a close scoring match, with the scores neck and neck all day, before our U13's suffered another heartbreaking loss, going down by three points- 6.5.41 to the 6.8.44.

The U13's will play their final match against the EDFL next week, at 6:30pm at Dempster Park on June 19.

Our U12 squad had much more success in their first two matches of the competition, first winning by a convincing 40-point margin against the EDFL. The final score 10.10.70 to the EDFL's 5.0.30.

The U12's dominance continued in their second game belting RDFL to the tune of 91 points, winning the perpetual shield on offer for competition between the three leagues.

Archi Manton and Joshua Kellet had best on field performances for the U12 squad, with multiple goals from Jake Moretti, Karan Bharathi, Oliver Libertore and Cooper Craig-Peters.

The U12's are set to play their final match against the EDFL on Wednesday June 12 at 6:30pm at Dempster Park.

During late May and early June our U14, U15 and combined WRFL/EDFL Youth Girl squad have

been competing in the AFL Victoria Metropolitan Championships, with the majority of their matches over the Queen's Birthday weekend.

Improving from their early loss to the EFL in game one, our U15A squad came home with the chocolates running away 37-point winners against the RDFL. Harrison Rocke was named best afield for the side, with Matthew Knezevic and Joel Ives handy contributors for the team.

In what can only be described as a white wash, our U15B side stamped their dominance on the competition early, with a 115-point win over Riddell Football League.

With a 62-point lead at half time, our U15's powered home with Jackson Fullerton kicking five goals and Christopher Dal Sasso's three goals, topping off an extravagant win.

Our U14 Division One and U14 Division Two squads also finished with one win and two losses apiece.

Despite going down to the EFL in their first match, the U14A side came back all guns blazing with a 62-point win over Riddell. Lachlan Fogarty, Joshua Mould and Jayme Gilmore were amongst the team's best.

The U14B side started the competition on fire, comprehensively beating Riddell 14.14.98 to 5.2.32 before losing the next two matches against the Eastern Football League and Yarra Junior Football League.

Stephan Syme was dominant in the U14's game one win, with two majors, whilst Will Markovski, Jacob Smith, Ben Croft and Toby Kopa also booted multiple goals.

Our combined WRFL/EDFL Youth Girls squad, after experiencing some teething problems early in their training program, competed hard in all matches.

The team's only win came in match two against the Northern Football League 8.9.57 to 6.3.39. Brooke Eley and Caitlyn Balshaw were named in the squad's best, with Kacie Cook displaying stellar form, kicking four goals in the 18-point victory.

WRFL Football Operations and Club Development Officer, Tim Shellcot was pleased with how all our teams handled themselves throughout the course of the competitions.

"It was great to see all players across all squads represent the League with distinction, and the level of talent in the younger age groups is particularly pleasing.

"Thanks to the coaches, support staff and parents who gave up their time over the past few weeks to provide our best junior players with the opportunity to play representative football. Thanks also go to the WRFL clubs who provided facilities for training and who hosted matches."

We are now officially in the business part of the 2013 season and in the next few weeks we will see who the serious contenders for the flag are. A couple of clashes this weekend might tell a tale. Deer Park, who might be about to unveil yet another ex AFL player on its books, is at home to Hoppers Crossing, the team in the most vulnerable spot on the ladder-fifth. The next month for the Warriors shapes their season as they play Deer Park, Port Colts, Spotswood and St. Albans. Most tipsters would not rate their chances this week against the competition benchmark, but a side containing Brad Murphy, Moles, Mulligan, Kade Carey, Greenhough and young talent like Kitchen, Coles and Poland can't be written off. Though, they will have to be at their very best to knock over the "Dream Machine".

The Altona- Sunshine game is a blockbuster for both teams. The reigning premiers have not really hit their straps yet, and have a few of their name players holidaying overseas for a few weeks. Vikings Coach Anthony Eames will not make excuses and while their depth might not be as strong as the last few years, any team under his charge will have a crack. Sunshine has added class with Hahn, Douglas and now Simon Wiggins rejoining his brother Patrick in the Kangaroo line up. Are they the real deal? We are about to find out.

St. Albans will be looking to keep their winning momentum going against the winless North Footscray. The Saints have a tough run after this week and must bank the four points to stay in the hunt for a finals berth.

Albion and Yarraville Seddon Eagles are out of finals contention, but pride is a very big factor, and it is on the line, when the two sides line up at Parsons Reserve. Mark Greenshields and David Connell have more in common as coaches than their win loss record. Both are building for the future and every win makes their club more attractive to retain and recruit players.

It's all smiles for Hoppers Crossing's Terry Knight after celebrating a goal

Spotswood take on Port Melbourne Colts and these fierce rivals always put on a good show. Whilst Spotswood appears the much better side, the Colts are more than capable of providing an upset.

Another cracker round of WRFL Football, let's get down to business.

GLENORDEN UNITE TO FIGHT CANCER

Cancer. A word which pulls at the heartstrings of many Australians as it can and does, affect many people of all ages.

Despite a 30 percent improvement in survival rates over the last two decades, one in three men and one in four women, will directly be affected by cancer before the age of 75.

With more than 108,000 new cases of cancer being diagnosed in 2013 alone, the Glenorden Football Club has decided to get behind the Cancer Council and support it's Call to Arms campaign this weekend.

Swapping their traditional brown and yellow stripes for a daffodil inspired yellow and white jumper in their Round Nine clash against Caroline Springs, Glenorden is the first local football club to have changed their guernsey during a home and away season to support the Cancer Council.

"The idea began as something small we could try to do and the more we talked, the bigger the ideas got and we started designing jumpers and researched into ways we could make a difference," Club Vice-President Louis Elevato said.

Originally planning the idea late last year, Elevato and Vice Captain, Tristan Angelini wanted to use their resources as a club to help support the Cancer Council's 'Call to Arms' cause.

"As a club, a few of us had spoken about being able to do something to support a cause that meant a lot to our club and community," Elevato said.

"We all had reasons for wanting to support the Cancer Council and as it was something close to our hearts personally for many of us."

Touched by the disease in 2012 with former club president Graeme Davis passing away from cancer late last year, the club was again affected by the disease with the news of current President Ken Parker's son also being treated for cancer.

"Kenny does so much for the club so it was our turn to do something in return to show our support for him and his family," Elevato said.

Whilst the disease has affected many at the club, one good story to come out of it was to see the return of a reserves player who was diagnosed with cancer a few years ago. Having overcome the disease and currently in remission, he has played every game in the reserves side in season 2013 and is going from strength to strength.

"It's great to see him back fit and healthy and playing football again," Elevato said.

With a handful of people knowing about his illness, the reserves player will stand up in front of his club on Thursday night after training and explain to the team of

his battle, in the lead up to the Call to Arms day.

The Call to Arms event will see every Glenorden player wear the new daffodil strip, with players from both teams wearing yellow arm bands in support of the cause.

"Everyone's really gotten

behind the initiative, with every Glenorden player buying their own jumper out of their own pockets, with the money raised from each sale going to the Cancer Council," Elevato said.

"Caroline Springs have also been fantastic, as they have kindly decided to wear their black home guernsey on the day, so our new jumpers won't clash."

With the aim of raising \$2,500 for the cause, players will be walking around with rattle tins from 9am during the Under 18s match, until the half-time break of the senior's game, with a match day raffle and auction also contributing to help reach their goal.

A donation station will be set up at the club for those wishing to make larger contributions, as well as a jumping castle for the kids which will cost a gold coin donation.

Cancer survivor and club sponsor, Anthony Taylor will have the honour of flipping the coin on the day, with the hope that his story will give inspire others.

"We have been asking anyone in the community who has been affected by cancer or who knows someone who has been, to come down on the day and wear something yellow to support the cause.

"We're not asking people to support the club or football for that matter, but to support us and what we are standing for."

If you would like to help support Glenorden and help raise money for cancer research, please visit <http://vic.cancercouncilfundraising.org.au/TeamPage.aspx?teamID=62470&langPref=en-CA> and donate online.

Wins don't come much sweeter in football than a nail biting finish, against last year's Senior Division Two finalists.

Add to that, you're a side which is one of the competition's newest clubs. And add to that, the margin was only two points.

It's fair to say the Round Nine thriller between newcomers Manor Lakes and competition heavyweights Parkside, will go down as one of this year's most memorable matches.

In a see-sawing affair, the lead switched at almost every quarter. After a half time lead, the Storm had their 17-point margin whittled to a 13-point deficit.

Cameron Baker tried hard all day, with countless possessions, willing his side to an unlikely victory in the dying stages.

Best performing Manor Lakes forward Ty Priest had just the one goal for the day; a further sign the Storm are multi-dimensional when driving into the forward line.

Whilst it was a result no one would've seen coming pre-season, many were not too shocked to see the Storm walk away with the points after the final siren.

Fighting hard in the premiership third quarter, the Magpies will be disappointed going down by the slimmest of margins.

But their attention must now turn to the rest of the season, and they have no better launch pad into the second half of the year, than North Sunshine this Saturday.

On the other hand, another encounter that is sure to get supporters talking will be Manor Lakes' match against the demoted Sunshine Heights.

A win is all that separates these two sides on the ladder after nine games, and it's matches like these that will be the difference come finals time.

Another of the league's newest side's, Sanctuary Lakes

face a tricky battle on Saturday afternoon, against the ever strong Wyndhamvale.

The Falcons have been consistent performers so far in 2013, and will be expecting to put away the Sharks in comfortable fashion – despite just the three spots separating both teams on the ladder.

With the resurgent Braybrook finding some unusually exciting form, their season faces another fork in the road against West Footscray.

This one is no gimme. A win would put the Brookers into firmer finals contention, keeping touch with the top five. A loss, and the gap widens ever so slightly, yet again.

Elsewhere at the Heathdale Oval, Glenorden host heavy underdogs Caroline Springs. Undoubtedly Hawks forward, Damien Yze, will get plenty of chances to add to his yearly haul, as he leads the competition's goal scoring exploits with 58 next to his name leading into this weekend.

While this year's cellar dwellers Laverton, face the prospect of dropping their 10th loss in a row against Albanvale.

SEN MOST VALUABLE PLAYER AWARD 2013

The SEN Most Valuable Player Award is back again for season 2013, recognizing the Western Region Football League's best overall senior player in the Division One competition.

SEN 1116, became a major partner of the WRFL in 2011, providing advertising time on their radio station to allow the league to service existing sponsors and to attract new partners.

In return the league provides SEN with the naming rights to the league's runners tops, SEN partner the league in its 'Most Valuable Player' Award which is awarded to the Division One player who is not necessarily the 'best player' but one who embodies leadership, versatility, ability to play under pressure, skill and courage, respect for all umpires and overall value to their team.

Voted on by the opposition coach each week throughout the home and away season using the 3,2,1 system, it is an award that recognizes those footballers who the players, coaches and league hold in high regard.

So far at the half way point of the 2013 season, the top fifteen SEN MVP votes stand as:

Update

An energetic Spotswood squad is rapidly moving up the ladder, after a come from behind win against St Albans in Round Eight of the U18 Division One competition.

After heavy rains the night before, the match was contested in sloppy conditions at Kings Park Reserve, with many players slipping and sliding in all areas of the ground.

The Saints were strong throughout the match, with multiple goals from Steven Ryan, Anthony Fawcus and Tyler Shaw causing headaches for the Woodsmen's backline.

Yet despite leading at all three breaks, Spotswood responded with a three goal to none final term, running out three point winners, the final margin 9.9.63 to 9.12.69.

Spotswood Co-coach Matt Dean was pleased with his side's performance.

"The boys kept battling all day - when we played them four weeks ago, they beat us by nine goals. We fought the game out and got a win, which was pleasing."

Around the grounds, the Yarraville Seddon Eagles put up arguably their most competitive performance of the year against Deer Park, eventually falling nine points short from their first win of the season.

Hoppers Crossing's winning streak further continued, comprehensively defeating the Vikings by 121-points, cementing their place at the top of the ladder.

Enjoying an extended break after coming off the bye in Round Eight, second placed Albion will play a competitive Yarraville Seddon side at home this weekend.

Despite sitting at the foot of the ladder, the Eagles showed very promising signs in their last match and will be a tough opponent for Albion.

Coming off two losses and an unconvincing win over the Eagles, the Lions have used the break to try to get back to their best form as they take on ladder leaders

Hoppers Crossing in Round Nine.

Being second on the ladder at one stage this season, the Lions now have their work cut out for them to regain their stance as premiership contenders.

After their come from behind win against the Saints, Spotswood has climbed to third place on the ladder and will come up against a struggling Altona side. The Vikings, with one win for the season, sit in sixth place.

Spotswood co-coach Ian Allan cited a need to be disciplined over the break.

"It was a low key week and we stuck to our routine," he said.

"We didn't change things, just did what we normally do and were back on the track on Thursday."

When the two sides met earlier in the year, the Woodsmen were dominant for the best part of the game, eventually winning by 20-points.

Despite their disappointing loss to Spotswood, St Albans will enjoy a two week break with the bye this week and can regain their focus for their upcoming Round Ten match against Altona.

TIGERS LEND A HELPING HAND

Like the old saying goes, 'you are only as strong on the field as you are off the field'.

Knowing all too well the struggles all local football clubs have, the Werribee Football Club and the Tigers Clubhouse are lending a hand to help support local football clubs in the Wyndham area.

Through the Tigers Community Rewards program, the club is donating a total of \$50,000 in funds and an individual sponsorship package to every football club within the Wyndham City area.

Nine clubs within the GDFL, Amateurs and WRFL including league newcomers Sanctuary Lakes and Manor Lakes will receive \$1000, a signed North Melbourne jumper by captain Andrew Swallow and coach Brad Scott and a \$500 voucher for after match food and beverages at the Tigers Clubhouse.

Each club will also receive a table to the Werribee Football Club President's Lunch and a football clinic for junior teams run by the Werribee players and coaches.

Werribee CEO Mark Penaluna said that the club was proud to help other football clubs within the community and that the program will be a real benefit for clubs financially.

"Part of our community commitment is to help local clubs as much as we can and this is a very good package that helps cash flow, with the auction or raffle of the jumper and the opportunity to entertain some sponsors or even thank some hard workers around the club," Penaluna said.

In addition to the program, the club has continued to help out other football clubs including the WRFL's Sanctuary Lakes and Glenorden Football Club with training gear during the pre-season.

Local coaches can also benefit from the program with the club holding a free coaches night where

Sanctuary Lakes Acting President Danny Galea with WFC Junior Development Officer Chris Gallagher

Bulldogs legend and Werribee Senior coach Scott West and his fitness staff will answer questions and discuss the highs and lows of football.

A long standing sponsor of the WRFL U18s competition for a number of years, the club has also extended its sponsorship to the U15 and U16 competitions this season, giving young eligible players an opportunity to try out for the Morris Barlow Squad in the 2014 pre-season.

Werribee Operations Manager Stuart Balloch said the squad offered great opportunities for players who have missed out on the TAC Cup player pathway or have taken a little longer to develop, be recognized in the hope of one day playing AFL.

"Both Dale Morris (Western Bulldogs) and Michael Barlow (Fremantle) did not play TAC Cup football and made their way into the AFL through the Werribee Football Club in the VFL.

"This program aims to identify young men that have similar attributes to these two guys and give them an opportunity to develop their football with the aim of playing at the highest possible level."

Update

A wet and windy Round Nine of the U18 Division Two competition saw history created as the first Manor Lakes U18 side etched in their first win in their debut year against Caroline Springs.

Playing at home in front of many rugged-up supporters, the Storm took an early five-point lead in the first term in what was a very low scoring affair.

The second term saw Caroline Springs fierce in the forward line, but the Lakers missed vital opportunities to control the lead, unable to convert more than one major for the quarter and going into the halftime break ten points down.

Despite a spirited fight back from the Lakers in the second half, the Storm managed to hold onto the lead for the remainder of the match, running out eight point victors and singing their club song for the first time.

In other matches, Newport has continued to cement their spot on top of the ladder with a solid win over Hoppers Crossing by 21-points.

Although the Warriors looked confident going into the first quarter break with the lead, the Power switched it up another gear and had full control on the remainder of the match, restricting Hoppers Crossing to just two goals for the rest of the game.

Wajih Taleb was a standout for the Power, kicking three majors and named in the team's best, behind Saad Ali and Khaled El Houli.

In a disappointing turn off events, the match at Shorten Reserve between West Footscray and Glenorden was called off at half time, with the result of the match to be determined pending further investigation.

Enjoying a two week break with a bye in Round Nine, Wyndhamvale go into this week facing a formidable Newport Power side.

Despite their dominance over the competition, Wyndhamvale are the only team who have beaten the Power and the two week rest is sure to come in handy for the Falcons, in what will be a terrific game this Saturday at Bryan Martyn Oval.

With their first win under their belt, the Storm will look to make it two in a row against fifth placed Hoppers Crossing.

Having won 50 per cent of their games this season,

Manor Lakes' U18 player Luka Atem taking a terrific overhead mark

the Warriors will be refreshed after the long weekend and be keen to get back on the winners list and in the top four.

After reflecting on Round Nine over the mid-season break, Glenorden will host a struggling Caroline Springs outfit this Saturday morning at Heathdale Oval. Despite their loss to Manor Lakes, Caroline Springs currently sit in sixth position ahead of the Storm.

West Footscray will enjoy the double break with the bye in Round Ten, as they look to regain composure and prepare for their clash against Caroline Springs in Round 11.

A longstanding partner of the WRFL, the Yarraville Club provides locals with a place for relaxed dining at their Pekish Restaurant, Bar and Gaming facilities, billiards lounge, kidzone and much more.

Originating in 1905, the Yarraville Club not only provides members with a friendly, social atmosphere, but has recently introduced the over 18's event 'Yarraville Laughs' which sees a series of fantastic comedians perform, making it a premier comedy venue for locals and visitors.

"It was a really great night to be able to relax over a nice dinner and wine with your friends and I'd recommend it to everyone," McLeod said.

Dining tickets which includes a two course meal and show can be purchased for \$60, guests also have the choice of booking reserved seats for \$35 and \$25 for general admission, there are many options for everyone to enjoy.

Adding value to the night is the quality of the food, "My meal was beautiful and something you'd expect to pay a lot more for," Vidovic said.

UMPIRES CORNER

By Graeme Hodgart

Last weekend when the local football community had a break from the usual home and away fixture, there were still games being played across the western region. Whilst many players and umpires took time out over the long weekend to see an AFL match or just do something different on a Saturday afternoon, the U14 and U15 Metropolitan Championship was held on Saturday June 8 and Monday June 10.

Added to this round robin tournament was a series of interleague games for the Under 12, Under 13, Under 16 and Youth Girls divisions. Seen as a step up from the normal home and away fixture, the majority of these games were played over the long weekend and on certain evenings throughout June. Playing against other metropolitan regions including the Essendon District Football League, Eastern Football League and Northern Football League, the competition pits the best players from all regions against one another.

Whilst all games are a great opportunity for young football players, it is also a great chance for the up-and-coming field umpires to show their mettle. Nine out of the twelve umpires who are officiating at these games are a product of the Werribee Umpiring Academy which is based at MacKillop College. This really means that the system of establishing umpiring academies in a secondary school or college is a viable and very worthwhile ideal.

The field umpires involved in the interleague this year include Dean McGowan, Tomas Harrison, Cameron Terrill, Liam McMahon, Dean Spiteri, Bradley Stellini, Scott May, Alex Jovanovski and Joshua Doyle. They are joined by Anthony Laughton, Jake Bokhove and Jackson Carroll. The majority of these umpires are aged between 15 to 17 years old and although there is one that is the old man of the group being 21-years of age, it is great to see the passion for umpiring develop at a young age.

This is a tremendous opportunity for these young field umpires to umpire at a new level and have the chance to experience the excitement and prestige of officiating

Boundary umpire, Anthony Bermejo doing what he does best in an U18 match

in these games. Not only will there be talent scouts roaming around some of these games keeping an eye on the developing talent of young footballers, but there may well be one or two observers out looking at the umpiring abilities on show.

Success does not come overnight and most have been umpiring for two, three or four years. Already some of the umpires mentioned in this article are regularly umpiring in the senior grades in the WRFL. Since the beginning of the season, two have advanced to Division Two senior football while a handful of others have been blowing whistles in the Division One reserves. Needless to say that it is only a matter of time before one or two of them are promoted to the Division One seniors. Regular training, mentoring assistance and advice from senior umpires have all combined to help them so far on their journey in their umpiring career.

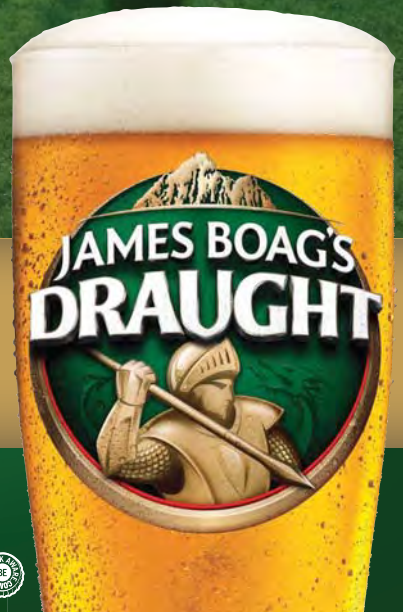

Hopefully this crop of youthful umpires can put their best foot forward and umpire to the peak of their ability while still enjoying themselves in the interleague and Metropolitan Championship games.
