# NEW 300 GAME LIFE MEMBERSHIP AWARD

At the Western Region Football League Board meeting held on July 15, the Board established a sub-committee to advise it on the new 300 Game category of Life Membership.

The new Statement of Rules adopted by member clubs last year makes provision for 300 Game Life Membership. The new category is intended to recognise those players and umpires who have given long participation service over an extended period and who may not otherwise qualify for Life Membership of the League. A 300 Game Life Membership will be awarded to those players and or umpires who have reached this milestone.

Nominations will be sought from WRFL clubs and the Umpires Association for players and umpires who meet the criteria of 300 open-age games. Nominations will be evaluated and researched by a sub-committee chaired by Spotswood legend and 2010 AFL Victoria Volunteer of the Year recipient Len Murphy, which will make recommendations to the Board for 300 Game Life Member appointments. Other members of the sub-committee will include Jim Lee from Parkside Football Club who has been involved with the FDFL/WRFL for more than 50 years; Terry O'Donnell from the WRFL Umpires Association who has been involved as an umpires advocate for over 30 years; and Barry Priest from Braybrook, after whom the league's Best and Fairest award is named.

Those who already hold a WRFL Life Membership and have played 300 open age games will not receive an additional Life Membership, but will be recognised in honour rolls for their 300 game achievement.

Over the coming weeks, the sub-committee will canvass nominations for the award of 300 Game Life Memberships with the hope of awarding the first batch of 300 Game Life Memberships at the Senior Presentation night in October.

The new award will help grow the connection and ongoing interest of past players and umpires to the league and its future.

In other football news, we have a great story on Werribee Centrals President Ed Cachia who reached his 1000th game milestone as president on page 5, a heartfelt cause from the Parkside Football Club on page 15, and a Player Profile on one Port Melbourne Colt favourite on page 29. Of course with the finals coming up, we have all the latest team lists, game reports, images of the week and club events for you to check out including all of the results and ladders from our junior competition from page 50-63.

If you have any stories, images or news you would like to see in the WRFL Football Record, please contact me at [k.fitzgerald@wrfl.asn.au](mailto:k.fitzgerald@wrfl.asn.au) or keep up to date on our Facebook and Twitter pages.

Until then play hard, fight fair, kick straight and best of luck to you and your club on the weekend.

# 1000 GAMES FOR MR PRESIDENT

For many sportspeople, it's a great achievement to reach 300 games for your club. For those who are dedicated enough, it's an even bigger achievement to reach 500 games. Yet for someone to reach their 1000th game milestone is almost unheard of.

Ed Cachia is one of those very few people who can attest to this achievement, having celebrated his 1000th game milestone as the President of the Werribee Centrals Football Club last weekend.

Coming to the club in 2006, Cachia has put his hand up to help out the club in many roles, including being the team manager, Vice President, chef in the canteen and also a father figure to many children.

"Ed is a very hard working and family orientated man, he is also very humble and would rather think of others than himself," club member Gordon Rae said.

Becoming the President of Werribee Centrals in 2007/2008, Cachia has developed the club into a family orientated place, where every child has the opportunity to play the sport they love, regardless of their ethnicity, religion or ability.

"He has developed a culture that Werribee Centrals is a family club and that our number one priority is all the kids playing football," Rae said.

While family is one of the major features Cachia has emphasised through his role as President, his own family has been by his side every step of the way.

"His son Luke started playing with the U12s and has continued on to play senior football with Centrals in the GDFL, his other son Zac currently plays with the U15s side and his wife Nicole plays a huge part, being on the committee, running the canteen and organising a lot of the club functions."

The club celebrated Cachia's achievement with a guard of honour and a 1000th milestone banner which he ran through on game day, whilst the official occasion was celebrated at the Werribee Centrals 10th Year Anniversary dinner.

In a sea of green and yellow, the

night saw over 120 past and present players, members and officials celebrate the club's journey over the past decade and look forward to their prosperous future ahead.

To top off the occasion, Cachia was presented with a special 1000th game Centurions jumper and plaque from the club and was officially inducted as a Werribee Centrals Life Member.

"The only way I can describe what Ed means to the club is that Werribee Centrals wouldn't be where and what we are today without Ed Cachia.

"His hard work and devotion with his wife Nicole has built the foundation to our great Junior Club," Rae said.

"The easiest way to sum it up, is without the Cachia's we probably wouldn't have a football club."

Hoppers Crossing aren't in the five at the moment but their finals series is well and truly underway. Last week they could not grab the four points in the slippery conditions at Hogs Road against a very even Sunshine team, that played sensible wet weather football. Kangaroos skipper, Macauley Goring was at his best in the thick of the action and the marking power of Wiggins and Millar with five goals between them, was telling in the end. Hoppers showed plenty of spirit especially in the first quarter and the last when they had all the play for twenty minutes, but managed just three goals before Tom Millar nailed the lid shut. Other results went as predicted but Round 15 could dish up some surprises.

The Albion and Port Colts clash shapes as a most engaging battle of two teams in a similar disappointing ladder position, but different reasons for being there. The result will tell a lot about the future of both clubs. Spotswood is at home to Yarraville Seddon Eagles and are tuning up their game and their list for a big September, while the Eagles are looking at what they need for 2014. North Footscray will be happy to delete 2013 from its memory banks and the result of the game this week against ladder leaders Deer Park might be one of the first to go.

Which brings us to the two big games of the round. Altona v Hoppers Crossing and the radio match of the day- Sunshine v St. Albans. The reigning premiers have not been in their best form which is good and bad. Good for them, bad for everyone else. Altona oozes talent and class, and that is why I think they will be too good for Hoppers Crossing. The Warriors are bleeding some good young talent, Appleby shows real potential, as does El Hawli, Nozzolilo and Furniss but that won't get them over the line this weekend. The other top five clash between Sunshine and St.

Warrior Brodie Moles does what he can to keep his team's finals hopes alive. Photo: Darrell Jones.

Albans will be broadcast on 88.9 WYN FM from 1.30 Saturday afternoon. I like the prospect of this game a lot. It will depend on the Saints lineup, but I really think Sunshine has taken the next step. They are consistent, even, talented and well coached. The Saints will need all hands on deck to get the points here but even will might not be enough.

There is still some drama to play out before the finals begin, and it is not all going to be on the field.

# PARKSIDE RALLY TO HELP OUT TUTUNGI

You wake up and it's game day. You drive down to the ground, lace up the boots, pull on the jumper and join your teammates on the field.

One minute you are running around getting a kick for your side, the next second, you cannot move.

Former Parkside player Ross Napoli, will never forget the day he was confined to a wheelchair after suffering a serious neck injury in the then Footscray Football District League in 1999.

"I was probably hit ten times harder in footy and come out of those incidents with nothing," Napoli told NTnews.com when recalling the 1999 incident.

Now, almost 14 years to the day since Napoli's accident, another young footballer has suffered a similar fate, this time from the Geelong Football League.

South Barwon player, Casey Tutungi was left a quadriplegic after injuring his spine in a head-on collision with an opposition player last month.

Expecting his first child in November with fiancée Bridget, the 27-year-old will never be able to walk or use his arms again.

Having heard of Tutungi's accident, the Parkside Football Club has decided to band together in conjunction with the rest of the greater football community to raise funds for Tutungi and his family.

"A group of players from the Parkside Football Club thought in the spirit of Ross Napoli we would like to dedicate a round of football to the Casey Tutungi fund," Parkside senior player Matthew Pearce said.

"We are asking every player that plays senior football in next weekend's round to donate \$10 to the fund which would be done in a donation to the team manager, which will be passed on to the Casey fund.

"We are aiming for \$4400 which would need the buy in of 20 senior teams with 22 players from each team from the Division One and Division Two competitions.

"We could also pass the idea down to all junior teams as well, which we could suggest each junior player donate \$2 to the team manager and passed onto a club representative who is nominated to complete the final donation.

*The city of Geelong and greater football community was devastated to hear the news of Casey Tutungi's horrific injury. Image courtesy of theage.com*

"As a reward I will organise two AFL players to attend the club who raises the most money to conduct a training session," Pearce said.

A former member of the Geelong VFL side, the Geelong Football Club is also running a special Casey Tutungi dedicated round this weekend when the Cats take on St.Kilda at Simonds Stadium.

The top ten football clubs across Victoria who raise the most money for the Casey Tutungi Appeal will go into the draw to win the ultimate local football club experience to be an AFL club for the day, during the 2014 pre-season with the Geelong Football Club.

Members of the football community can also help contribute to the appeal by visiting any Bendigo Bank Branch or by donating online at [caseytutungi.com](http://caseytutungi.com)

Round 15 of the WRFL Division Two competition began on Friday night and in wet and freezing conditions, home side Manor Lakes were able to dismantle Braybrook at Howqua Reserve by 134 points. On Saturday, I was at Ainsworth Reserve and witnessed a hard fought contest between Sunshine Heights and Glenorden. Right from the first bounce, it was evident the Dragons were out to make a statement by being very physical particularly so in the first half. However, as the game wore on, it was the Hawks class that saw them return to the winners list with a 40 point triumph. Adam Bektash was outstanding in the atrocious conditions handling the ball better than most, whilst teammate Chris Metcher was the most effective forward on the day booting five majors to give the Glenorden coaching staff another viable option up forward. For Heights, 17-year-old youngster Harley Armstrong-Weston managed to keep Hawk forward Damien Yze goalless, illustrating the talent that has him involved at the Western Jets. Dragon bigman James Stevens worked hard for his team and helped himself to a couple of goals on a day, where they were extremely hard to come by.

Other teams in combat across the afternoon were Parkside up against West Footscray and in another ominous sign for the rest of the competition, the Magpies were clinical in putting the Roosters to the sword winning by 157 points. Albanvale were at home to Caroline Springs and it was a game that the Cobras needed to win in order to stay within finals contention. Unfortunately for them the Lakers spoiled the party, serving up a 39 point victory for the Springs faithful. Sanctuary Lakes ventured to Dempster Park for its match against North Sunshine and came away with the chocolates winning convincingly by 79 points. Laverton bore the brunt of a powerful display from Wyndhamvale kicking just the one goal

to the Falcons 23 in a tough day at the office.

This week Braybrook takes on its neighbours North Sunshine and will look to get on top of the Roadrunners early in the piece to quash any belief that Ricky Charles' men may have. Caroline Springs have improved dramatically in the last few weeks winning their last couple of games but that is expected to change when they meet a fit and well drilled

*Sanctuary Lakes' Jake Collier looks dangerous last week as his team celebrated their fifth win for the year against North Sunshine.*

Manor Lakes side at home. The Laverton v Sanctuary Lakes contest should be a belter at Laverton and Glenorden should have too much class for Albanvale in their encounter at Heathdale Oval. The real highlight of the fixture though will be down at Wyndhamvale as the Falcons get another crack at a top three side when they host a red hot Parkside outfit at Dennis Family Oval.

Update

Deer Park is on the road to recovery, holding off a tough Albion squad who were looking for another win heading into finals.

On a gloomy Saturday morning, the fifth-placed Lions got out of the blocks early, leading from the first break, but only by one straight kick.

The Cats kept close on their heels, having just as many scoring shots as the Lions, but wet conditions made it difficult for the visitors to convert in front of goal.

But the Lions early lead continued on for the rest of the match, emerging as victors - the final score, Deer Park 5.7.37, to Albion 4.10.34.

Deer Park's Craig Plant played exceptionally, while teammate Sohrob Ismail was the only player to kick multiple goals. Nathan Docherty continued on with his solid form for the Cats, named in Albion's best.

Over at Hogans Road, it was first versus second when Hoppers Crossing hosted Spotswood. While the Woodmens put up a good fight, the ladder leaders were once again too good, running out nine goal winners.

For the home side, James Grubb kicked seven goals, and teammate Nathan Williams had four. Hoppers Crossings' Nicholas Jones was influential, while Spotswood's Brodie Oakford was his side's best.

Fourth-placed St Albans are also on the rise, with a 96 point win over Yarraville Seddon.

The Saints scored 20 behinds in poor weather, where regular stock standard goals became behinds. The Eagles were held scoreless up until the half, time used by St Albans to build a comfortable 60 point lead.

The Saints' Steven Ryan was named best afield, while his teammate John Cini booted four goals. Despite the loss, Yarraville Seddon's Jed Richards was a standout in a losing side.

After yet another heavy loss, the road doesn't get any easier for the Eagles, as they travel down the road to McLean Reserve to take on second-placed Spotswood.

Coming off the bye last weekend, Altona will travel to Hogans Road Reserve to take on a tough opponent

in Hoppers Crossing in the hope of recording their fifth win for the season, while the Warriors will be looking to maintain their flawless season.

With a handy winning streak boosting the confidence of the Deer Park squad, the Lions will be able to look forward to an upcoming bye this weekend and prepare for Round 16.

And in a game which may determine the final four, third-placed Albion will want to put everything into this week's match, when they take on fourth-placed St. Albans.

# UMPIRES CORNER

By Graeme Hodgart

For many years, the game of Australian Rules football has had a familiar saying, "The man in white is always right." Of course, over the last twenty or thirty years, things in umpiring has definitely changed.

To begin with, the AFL adopted coloured clothing for their umpires and this idea has spread far and wide. Many of the local leagues now have a tendency to wear anything except white, with orange and black coloured uniforms featuring heavily across the nation.

When three WRFL umpires travelled to Tasmania in the annual exchange to umpire in their league, many people commented on the style and colour (predominantly white) of the WRFL uniforms. Last weekend, the three Tasmanian umpires made their way to our midst and officiated at the North Footscray v Spotswood senior game. Unfortunately, the weather wasn't kind but they enjoyed their experience, especially in the safe hands of their host, Richard Watt. The Tassie guys were easily recognisable in their orange and black gear.

Another huge change within umpiring has been the exposure mainly through television. Not much happens nowadays without it being filmed and replayed over and over. This, of course, includes decisions by the officiating umpires. The replays often show that umpires have made great decisions although some mistakes are also highlighted.

At another venue on the same day, there was an interesting occurrence in a very tense game. Only

*It seems the orange and black coloured uniforms are a big hit in NSW too with a few of their umpires pictures here. Image courtesy of NSWAFUA Facebook page.*

a few points separated the two teams and the game was in the last few dying minutes. One team had all the momentum and had scored the last few goals and were seeking another to snatch victory. The opposition were desperately trying to slow down play, keep possession and run down the clock as much as possible. There was a ball up on the wing close to the boundary line. One ruckman soared high and knocked the ball high over the line. Several players appealed for the free kick but the field umpire asked for the boundary umpire to throw the ball in. A parent was standing near an umpires' observer and asked if a free kick could have been paid in that situation because the ball had been punched over the boundary line on the full from a ball up. Neither was 100% sure.

Later the AFL Laws of Australian Football 2013 was checked. Rule 15.6.1 (f) says that a free kick shall be awarded against a player who hits the football out of bounds on the full from a boundary throw in or a field bounce or throw up by a field umpire.

As one very wise umpire once said, "I am an umpire but you must remember that I'm also human. And, believe it or not, all humans make mistakes." Hopefully, if you do see a possible mistake, try not to be too critical. Umpires make judgements based on their experience, their positioning and their understanding of the rules. Be thankful that those dressed in the WRFL uniforms out on the field in the midst of the action have put up their hand to umpire. Maybe, better than you!

*Some of our WRFL Umpires pictured in their white uniforms with a few of the AFL's best umpires dressed in lime green last year.*

# DIVISION TWO – UNDER 18

## Update

The stakes are as high as they've ever been for Wyndhamvale in the Division 2 Under 18s this weekend.

On the line, a place in the WRFL finals.

But getting there is not going to be an easy task for the Falcons, who come up against a hardened outfit in Hoppers Crossing.

The equation is simple; win and Wyndhamvale is a step closer to playing finals. Lose, and they will be watching from the sidelines in August.

In their favor however, will be that Saturday morning's match will be played on their home turf, in addition to coming off a week's break with the bye.

Yet the Warriors will carry in positives of their own as well, coming off a mammoth win in the wet last weekend.

Manor Lakes were rolled at Hogans Road by a side keen to get first use of the footy, and put their bodies on the line first.

Andre Bistisi starred once again, with another best on ground effort with his five goal performance – his second biggest haul in a single game all year.

Key to the Warriors success in finals will be the performance of him, as well as Lachlan Wright who has also been clinical up forward.

In other Round 15 results last weekend, Glenorden were forced to grind out a result against Caroline Springs.

Only eight points separated the sides heading into the final term, as the Lakers hung on in the hope of an upset.

It wasn't to be, and at the final siren the margin had blown back out to 30 points in favor of the Hawks.

While season newcomers Newport continued its winning ways, posting a comfortable victory over West Footscray at Shorten Reserve.

As the rain teemed down for most of the morning creating muddy conditions, the Power were still able to run away 45 point winners.

*Will Wyndhamvale be able to run into the 2013 finals series this year? This Falcons player thinks so.*

And when Round 16 starts this Saturday morning, another contest looms large. It'll be the Power's battle with Glenorden at Heathdale Oval.

First place is up for grabs here, and a result could dictate who gets the coveted minor premiership heading into the final month of football.

Down the other end of the table, it may be a case of a battle for the wooden spoon between Manor Lakes and Caroline Springs.

A loss here would almost seal seventh, and bottom spot on the ladder.

This week enjoying the bye, will be West Footscray.

# DON'T FORGET TO NOMINATE YOUR WINGMAN

Whilst many of us judge a player on their athleticism, physical build and silky skills on the football field, some of us are quick to forget what type of player they are off the field.

This year, the WRFL in conjunction with the Wingman Off-Field Championship Awards Program will recognise football players for their performance on the sidelines.

Sponsored by the Victorian Government and AFL Coaches Association, the program encourages players aged 18-25 to set an example to their peers and look out for their mates both on and off the field.

Operating in three parts, the program aims to tackle alcohol related violence in young adults by acknowledging good behaviour at a club, league and state level.

Nominated by their club, the Club Level winner will receive a certificate of recognition and will automatically go into the draw to be nominated for the League Level award.

Announced in September, the 2013 Western Region Football League winner will receive a plaque and a \$250 cheque, whilst their club will receive a \$250 sports equipment voucher.

In the program's inaugural year in the WRFL last season, Jason Harnes from the Yarraville Seddon Eagles took out the League Level prize after he was nominated by club administrator Jeff King.

"Whilst Jason is undoubtedly one of our champion players on the field, he is also a positive role model for his peers and younger players off the field.

"Being a very responsible man, he drinks minimally and this enables him to watch out for the safety of his mates in the event that they may over-indulge."

All League Level winners will be nominated for the State Level award which be named at the AFLCA awards night in September, where the winner will receive a \$1000 cheque and \$1000 sports equipment voucher for their club.

WRFL CEO Bob Tregear said that the league was proud to be involved with the program once again as it was important to encourage players to keep their teammates safe.

"AFLCA President Danny Frawley approached us last year with the campaign and we saw it as a good responsible program, one that should be delivered to our people.

"It's important to promote because it builds the camaraderie and helps the culture of the league.

"One of the issues the WRFL have had over the years has been the perception of perhaps a bit of bad behaviour and all of these programs are steps in helping correct that," Tregear said.

To nominate a player from your club who you believe embodies good behaviour both on and off the field, please collect a nomination form from the WRFL office and have it returned by August 15.
