This weekend, the Western Region Football League would like to take the opportunity to thank all of our clubs on their effort to raise money

for our community partner, the EJ Whitten Foundation through the Rattle Tin competition. Whether your club raised two tins full of coins or one, every donation was appreciated and will go towards helping the EJ Whitten Foundation raise some much needed funds and awareness into prostate cancer research. Congratulations also goes to our competition winners, the St Bernard's Football Club, who won four Medallion tickets to this weekend's match between the Western Bulldogs and Sydney as well as four tickets to the EJ Whitten Grand Final Luncheon later in the year.

In other football news, this Sunday sees the commencement of week one of our Junior Finals series. Well done to the 74 teams whose efforts throughout the year have earned them a place in the finals series, and congratulations to all the other team whose seasons may have now ended, but who no doubt have enjoyed the year and look forward to getting back into it next year.

This season, it is great to see 24 clubs have a representative team in the Junior Finals series, including both of our new clubs Manor Lakes and Sanctuary Lakes. For more information on all the Junior Finals fixtures, games times and venues, please visit our website [www.wrfl.org.au](http://www.wrfl.org.au)

# TYMMS REACHES GAME 400

## Aaron Tymms from Albion

Having being told that he may never be able to play the sport he loves again, Aaron Tymms' achievement of reaching his 400th game for Albion last weekend was something to be savored.

After obtaining three fractures in his neck during a practice match three years ago, Aaron Tymms has come a long way.

"To not only be able to get back on the ground but to win the 2010 Premiership cup was mind blowing," Tymms recalled when captaining the Cats' Grand Final win against Spotswood.

Originally starting his football career with Albion back in 1989, Tymms celebrated his 400th game with the club last weekend in front of family and friends.

"I'm very proud to have played 400 games of football for the Albion Football Club, it is an achievement that only a select few people have made," he said.

Despite going down to the Port Melbourne Colts by 58-points in his milestone match, nothing could dampen the day for Tymms.

"To be honest I'm just happy that I am still able to play football and I intend on doing so for as long as I am able to contribute to the team."

Whilst he has played the majority of his football career with the Cats, there was a brief moment as an Under 18s player where Tymms moved to play for Sunshine YCW.

"As much as I would hate to admit it, I played 10 games for Sunshine YCW under coach Norm Heath...we managed to make the grand final that year too, however lost to Werribee by six points," Tymms said.

Despite his brief encounter with another club, Tymms has always had eyes for Albion, and it seems like it is a love which is shared by his family too, with his father Alan a 294-game legend at the club in his own right.

"The old man is definitely my toughest critic, sometimes he can be too honest but if he said you played a good game, then you must have gone ok," he said.

"My mum needs a massive praise too, as she was the one who was up early on the weekends taking me to the early games in the cold of winter."

Whilst the 32-year-old intends to continue to play for the Cats for many years to come, he also has aspirations to one day take on a full time coaching position at the club in the future.

"At the moment I am a playing assistant coach and once I am no longer capable of playing, I would like to continue into a senior coaching role," Tymms said.

Sitting on just three wins for the season, Albion will have their work cut out for them this weekend when they travel to Hogans Road to face a fiery Hoppers Crossing outfit on the cusp of the top five.

Yet despite the challenge, Tymms believes that anything can happen with a little bit of hard work and effort.

"The best piece of advice I have ever been given was by Mark McGoldrick when he said that hard work never goes unrewarded."

The Reserves kick off at 12noon with the Seniors to follow at 2:15pm.

### PROUD SPONSORS OF:

If the television program “Before the Game” had been filming the closing stages of last Saturday’s game between Sunshine and St. Albans, I have no doubt Kangaroo forward Patrick Wiggins would have been an unbackable favourite for the “Tool of the Week” award. His antics after the final siren were not in keeping with the way the Kangaroos played during the day. Patrick would be best served letting his football do the talking for him. I have no doubt he is in for a barrage of words from over the fence during the finals from opposition supporters, he needs to ignore it or it could derail the Kangaroos campaign which is looking good. Round 16 sees the Kangaroos come up against the Yarraville Seddon Eagles who will be keen to finish the season in a more robust way than their three goal performance last week.

The 88.9 WYN FM match of the round is Deer Park v Spotswood at John McLeod Oval. Both sides are coming off big wins and will be looking forward to a hard, tough, close fought encounter in the lead up to September. The ruck duel between Chris Stewart and Lachlan McGhie and Ben Perry could well decide the result, as the winner will give a very skilful midfield a decided advantage. Both sides are star studded with Broadbent, Klix, Harrison, McHarg and Bullen for the Lions and O’Keefe, Tom Langlands, Elliot Wood, Murray Boyd and Jason Cloke for the Woodsmen, just of the players that can change a game.

Port Melbourne Colts showed there is still some good footy in their lineup especially Jase Perkins and Brad Sutcliffe. They should be too good for North Footscray who could only manage a solitary goal against Deer Park last week. The ongoing battle for fifth spot lingers for St. Albans and Hoppers

*Will St.Albans be able to hold on to fifth position for a chance to play in September? Photo: Darrell Jones.*

Crossing. The Warriors host Albion while the Saints will be at home facing Altona. It really could come down to percentage in a few weeks, so both sides will be mindful of a blowout either way. Three games to go before a much anticipated finals series at Avalon Airport Oval.

The WRFL Division Two final five is effectively set after last weekend's events. All results went as expected with Glenorden showing Albanvale no mercy, whilst Parkside feasted on Wyndham Vale at Dennis Family Oval. Manor Lakes did Caroline Springs no favours either in their showdown at the Springs' base. Also of interest to the finals make up was the battle between Sunshine Heights and West Footscray at Shorten Reserve. With more to play for, naturally the Heights hit the scoreboard more heavily than the home side and as an outcome; the Dragons are as good as locked in fifth position. Braybrook were far too superior in all facets of their game against North Sunshine at Pennell Reserve and Laverton came up short of a gallop in their encounter with Sanctuary Lakes.

So here is how it stands at the moment:

Up until this point, Glenorden have been the best team all year and will secure top spot if they can beat Manor Lakes this Saturday. However, if they drop the game then it gives Parkside a chance to come in and take the minor premiership due to Nathan Juegan's team enjoying a superior percentage at present. In the battle of the Magpies, Parkside take on Laverton this round and will then meet Sunshine Heights in the final game of the home and away season. They are expected to win both of these games.

So the pressure is on Glenorden to put Manor Lakes away in order to well and truly claim the top mantle and thence getting a well earned break in the first week of the finals. Should the Hawks suffer defeat at the hands of the Storm, then all is not lost. Either way they will look for a percentage boost in their last round dig against North Sunshine and this could be enough to keep them at crows nest on the ladder when it counts. Such importance is placed on these

contests because as we are aware, not only does top spot enjoy the first week off from finals, but they can also go straight through to the Grand Final with a successful semi-final attempt. Hence, there is no bigger incentive to be number one at the end of the home and away series.

Third position shouldn't change and belongs to Manor Lakes. They also own a double chance, having only lost two games for the year. The newcomers are taking the competition by storm (pun intended) and in my opinion are every chance to make the big dance. Heath Hunter's men have some serious momentum heading into the finals, having won their last seven games. Wyndham Vale and Sunshine Heights do battle this weekend in what is shaping up as an Elimination Final dress rehearsal. It is most likely the two teams will be fighting it out a fortnight later as we predict that they will remain in their respective fourth and fifth ladder positions. So the question is: Do both coaches play all their cards in this game or do they keep something up their sleeve?

It shouldn't be lost that Round 17 has some other cracking games in it. None more so than the eagerly anticipated clash between West Footscray and Albanvale. The Roosters and the Cobras are playing for pride in this one and match up evenly so the result could go either way. The same can be said for the duel between Braybrook and Sanctuary Lakes. Both sides have played some pretty decent footy at times throughout the season and will be keen to give a good account of themselves. Caroline Springs host North Sunshine and will seek to finish the season on a strong note by delivering a hefty blow to the Roadrunners on Saturday afternoon.

## **Ankle Blues – Ben Davies – Physioplus Footscray**

We are now approaching the business end of local Australian Rules Football, Soccer, Rugby, Netball, Basketball and Lacrosse seasons, and this, as you know, commonly leads to injuries. One of the most common of these is an acute ankle injury (Goudswaard, 2008).

Even for the ‘simple’ lateral ligament sprain treated with conventional treatment (early weight bearing +/- ankle support) the clinical course can be problematic for patients. A systematic review of 31 studies conducted by Van Rijn et al., (2008), describes 5-33% of patients still experience ankle pain after one year, 3-34% re-sprain their ankle and only 36-85% report full

recovery within 3 years. This was also reflected in a phone survey of 2078 people in NSW in which 23.7% reported a prior ankle injury with ongoing chronic limitations (Hiller et al., 2012).

This highlights the importance of evidence based treatment and an individualised rehabilitation program designed to correct the risk factors associated with re-injury and chronic limitations for even the ‘simple’ ankle sprains. These include; abnormal joint position sense (Payne et al. 1997), increased postural sway in single leg stance (Munn et al. 2009), increased body weight and BMI (Tyler et al. 2006; Fousekis et al., 2012), calf/ankle strength, ROM and endurance (McKay, 2002; Fousekis et al., 2012).

Physiotherapy treatment from Physioplus will include best immediate management, an individualised progressive exercise program, education, structured return to sport/work plan and hands on techniques such as joint mobilisations which have been shown to decrease pain (Cosby et al., 2011), increase speed of recovery (Eisenhart et al., 2003) and significantly improve dorsiflexion ROM versus conventional treatment (Pellow & Brantingham, 2011; Beazell et al., 2012).

So next time you hurt your ankle, even a ‘simple’ lateral ligament sprain, and you want the best immediate and long term outcome for your ankle with one on one treatment and evidence based practice, consider coming to see us, at Physioplus Footscray.

Update

Sitting on six wins a piece after Round 14, the clash between third placed Albion and fourth placed St.Albans was always going to be a cracker.

The Cats had a slow start, registering only a single point for the first quarter, to the Saints nine points. But Albion kicked it up a gear in the second quarter, leading by 20 points at the half and a game high 39 points at three quarter time.

Whilst St Albans managed to bang on four goals in the final quarter, Albion were the better side on the day, defeating the Saints by 31-points.

Albion's Mathew Serafin had a field day, finishing with five goals to his name, whilst teammates Dylan Sloman, Mohamed Dib, and Jamie Day kicked combined for seven goals.

For the Saints, David Pavlides, Anthony Michetti, and Anthony Fawcus, did what they could in a losing side, finishing with two majors each.

Albion's Cameron Holdsworth was the best on ground, while St Albans' Jordon Mune once again produced a solid performance.

The win now sees Albion created a little bit of breathing space from the Saints and retain third spot on the ladder, with St Albans trailing closely behind.

Around the grounds, seventh-placed Yarraville Seddon put up an exceptional performance against the second-placed Spotswood, though fell short by 14 points.

Yarraville Seddon only scored three behinds in the first quarter, allowing Spotswood to establish a demanding 28 point lead. The Eagles hit back, restricting the Woodsmen to just one behind in the second quarter, closing the gap to just 19 points.

In the end though, inaccuracy cost Yarraville Seddon dearly, kicking 13 behinds for the match, allowing Spotswood to record their ninth win of the season.

At Grant Reserve, Hoppers Crossing weren't troubled in their match against Altona, thumping the Vikings by 104 points.

Solid pressure from the Warriors forced Altona to remain goalless for most of the match, until the Vikings finally converted their first goal for the match in the last quarter. Nevertheless, it was another comprehensive win for Hoppers Crossing, with Hayden Bray kicking seven goals for the day.

*Albion player Jamie Day had a great game last weekend, kicking multiple goals against the Saints in his team's 31-point win. Photo: Darrell Jones*

Deer Park will be looking to continue to get back into the season after coming off a bye last week and will face a confident Spotswood outfit at home. With Albion coming up against Hoppers Crossing, this could be the Lions' chance to restore their once-high ladder position.

The other match between St Albans and Altona will be an interesting one, with a win for the Saints potentially seeing them move into third position, strengthening their finals hopes.

Yarraville Seddon will enjoy the bye this weekend and hopefully use it to practise kicking in front of goal, in preparation for their Round 17 clash between Altona.

# UMPIRES CORNER

*By Graeme Hodgart*

Those of the older generations will remember when, on the odd occasion, the single field umpire award the team with the mark or free kick a 15 metre penalty. Nowadays, it's a 50 metre penalty and it seems to be handed out quite liberally.

In the WRFL, the 50 metre penalty is used in all senior and reserves grades, as well as in the Under 18s, U16s and U15s competitions. In all the other junior grades from the Under 9s -U14s, the penalty is only 15 metres.

In the Laws of Australian Football (2013), there is a list of when the 50 metre penalty is imposed. Usually the rule is applied after a player has been awarded a free kick or taken a mark and a player (or official) from the opposing team has encroached over the mark.

Other situations where a 50 metre penalty is awarded includes:

- If abusive, insulting, threatening or obscene language is used towards an umpire. This penalty can also be applied if a player or official behaves in an abusive, insulting, threatening or obscene manner towards an umpire or disputes the decision of an umpire.
- If a player enters the protected area around a player with the ball unless they are following an opponent or if the football is not returned directly and on the full to the player who has marked the ball or received a free kick, then this penalty will be applied.
- If the opposing player engages in any conduct that invokes a free kick against a player who has marked the ball or has already been awarded a free kick, then the 50 metre penalty will be used.
- When a player has taken a mark and an opponent, who was not in the contest, holds him or when a player who was in the contest but holds his opponent unreasonably

after he has taken a mark or been awarded a free kick, then 50 metres will be awarded.

Whenever the penalty is applied, the field umpire shall advance the mark by 50 metres in a direct line with the centre of the goals. If the penalty is awarded less than 50 metres from goal, then the mark shall be advance to the centre of the goal line.

Possibly the most famous 15 metre penalty in senior football happened in the 1987 preliminary final when Melbourne great, Jim Stynes ran through the mark. This allowed Hawthorn's Gary Buckenara to advance closer to goal and kick truly after the siren to win the game by two points and deny Melbourne a spot in the Grand Final.

The most talked about 50 metre penalty in the WRFL's recent history was awarded in the 2002 Division One Senior Grand Final between Hoppers Crossing and Parkside. The scores were level and in the dying moments of the game, when Hoppers had a set shot for goal from about 50 metres on the grandstand flank at Yarraville Oval. Against a slight breeze, the ball was kicked into the man on the mark but the field umpire, Andrew Harper, correctly awarded a 50 metre penalty. The resulting goal gave the Warriors victory and the 2002 WRFL premiership.

Hopefully, you have learnt a little bit more about the umpires decisions behind the 50m penalty and that there aren't too many 50's handed out this weekend.

*This WRFL umpires signals a free kick in one of the matches over the weekend.*

# DIVISION TWO – UNDER 18

## Update

It was gritty, tight and fierce, but in the end, Glenorden showed the rest of the Division Two Under 18s they are the team to beat.

In a contest against fellow lead chasers Newport, last Saturday's game at Heathdale Oval was never going to disappoint.

Early it was the Hawks defence, which stood firm, limiting the Power to just three behinds in the opening term.

But as quickly as the brown and gold raced out to a lead, it evaporated, and at half time they trailed the visitors by a straight kick.

One of this year's toughest arm wrestles would set the stage for an intense second half.

Ahmad Elkurdi tried hard all day for the Power, as did Mahmoud Badra who kept their side within touch of Glenorden.

But there was only so much they could do and at the final siren, all that separated both teams were behinds – a three points Hawks win.

While not as thrilling, Wyndhamvale's loss to Hoppers Crossing is a pivotal one in the contest of the season with two games remaining.

The Warriors' 37 point win now boosts them into second place, and with their noses in front of Newport at the end of Round 16.

2013's wooden spoon also appears certain to head to this year's newcomers Manor Lakes, who were belted by the second last Caroline Springs.

The first thing to note as Round 17 gets underway this weekend, is that all three matches have different starting times.

The first at the normal Saturday morning time, between West Footscray and Hoppers Crossing shapes as the most interesting of the game.

Both will play finals, and there's every chance they'll meet in August.

At 10.30am, Newport will search for a return to the winners list, which the Power will be confident of doing against Wyndhamvale.

In the late game at 2.45 in the afternoon, bottom of the ladder Manor Lakes faces a next to impossible task of upsetting Glenorden.

Caroline Springs have the bye this week, ahead of their season ending clash next Saturday at home against Hoppers.

# CLUB HISTORY

## Parkside Football Club

**Name:** Parkside Football Club

**Year it was formed:** 1897

**Inducted into FDFL:** 1931, as one of the foundation FDFL clubs.

**Total Club Premierships:** 30, 14 of which were in the FDFL/WRFL.

**Team colours:** Black and white

**Team mascot:** A Magpie

**Home ground:** Mervyn G. Hughes Oval, Footscray

The Parkside Football Club was formed in 1897, under the name 'Oblinagil' - an Indigenous Australian word meaning 'near the park' or 'beside the park'.

Dr. Anderson was the club's first president. He lived on Moore Street, Footscray, in a residence called Parkside, which was adopted by the club as their official name in its inaugural year in 1897.

Parkside's first home ground was at Newell's Paddock, and was originally used as a night soil dump in the 1880s, by its owner David Newell.

Despite brief stints at Footscray's Schintler Reserve, and at Maidstone's Dobson Reserve, the club In 1923, the club moved to a ground now known as Merv Hughes Oval, and has remained there to this day.

In the late 1800s, the club enjoyed some premiership success, winning a trifecta of Grand Finals from 1899 to 1901, against North Kensington, the North Melbourne Stars and the Carlton Blues.

Before entering the Footscray District Football League as a foundation club in 1931, Parkside played in many other senior competitions, including the YCW National Football League and the Metropolitan Football League, where they amassed 11 premierships, against teams such as Ascot Vale, Moonee Valley, Richmond, South Yarra, and the Kensington Imperials.

Throughout the club's rich history, there's no doubt that Herb Pascarl is one man who stands out as one of the club's greatest members.

One of the founders of the FDFL, Pascarl became involved with the Parkside Football Club in 1921, where he eventually became a life member of both

the Parkside Football Club, and of the Western Region Football League.

Such an influence on both the club and the league, the Division One Grand Final Best on Ground award has been named in his honour as well as the pavilion at Merv Hughes Oval.

Whilst we commonly recognise Parkside from their distinct black and white uniforms, it is interesting to note that their original guernsey featured red, white, and blue. However, in 1932, the vice-president of the club left, taking with him 50 of their players and their guernsey, to form a new club called Riverside. As a result, Parkside adopted the black and white stripes onto their guernsey, which are the same colours they wear today.

Coincidentally, it was Riverside who defeated Parkside in the 1932 Grand Final, before Parkside bounced back to defeat Riverside in the Grand Final the following year. Despite a Premiership to their name in 1932, Riverside disbanded four games into the 1934 season.

Parkside have won a further 16 premierships in the FDFL/WRFL, increasing their total premiership tally to 30. They have also won numerous reserves and junior premierships, and even a Division One Women's premiership.

Having moved into the Division Two competition in 2008, Parkside has been a force to be reckoned with, sitting in second position on the senior's ladder this season.
