FINALS IN FULL SWING

By Kirstie Fitzgerald

Back at the start of the year all players, officials and supporters had one thing in mind.....to be involved in the 2013 finals series. Having endured six months of Melbourne's unpredictable weather during weekly training sessions and on match days, finals time is here.

It is important that during this finals series our clubs and supporters are provided with the very best facilities available. In ensuring this outcome is met, the Western Region Football League has secured the use of the Werribee Football Club's Avalon Airport Oval as the home for our finals series.

This week the finals are in full swing when the Division One Seniors, Reserves and Under 18s commence Week #1 of their finals series, this Saturday and Sunday at the Werribee venue. Each week over the next month, the Division One competition will battle it out at Avalon Airport Oval for the chance to hold up the coveted premiership cup, on Grand Final Day-Saturday September 14. Whilst the Division Two competition got a good feel for Avalon Airport Oval last weekend during their first week of finals, they will play the next fortnight of their finals series at Crofts Reserve in Altona before returning to play in the Grand Final at the Werribee venue on Sunday September 8.

Avalon Airport Oval offers excellent facilities for the players both in respect to the condition of the ground as well as its VFL standard changing rooms. It's one of the best venues for spectators in Victoria with plenty of car parking and presents an almost amphitheatre environment around the ground.

The Werribee Football Club and the Wyndham City Council should be congratulated on enabling their community football league to utilise their facilities. They understand that community sport is so important for both physical and mental health reasons for their community members and also recognise the value of sport and sporting clubs in providing social capital to the local communities, an immeasurable benefit.

In other football news, this Sunday sees the conclusion of our Junior Finals series for season 2013. Well done to all teams whose efforts throughout the year have earned them a premiership flag, and congratulations to all the other teams who no doubt have enjoyed the year and look forward to getting back into in 2014. For all the latest results from the junior competition, please check out page 39 of our Footy Record or visit our website www.wrfl.asn.au

In this week's edition of the WRFL Footy Record, we announce the winner of this season's SEN Most Valuable Player Award (pg 5) , the top ten Leading Goal Kickers for the year (pg6) and of course all the latest team lists and game reports. If you haven't already, remember to have a look at the latest WRFL LEGENDS OF THE WEST SERIES episode, featuring some of the league's greats of the past including Len Murphy, Robert "Bones" McGhie, Terry McGarity, Andrew Gibson, Des Tuddenham, John Lloyd and Barry Priest.

If you have any news or stories you would like to see in the WRFL Football Record, please contact me at k.fitzgerald@wrfl.asn.au or keep up to date on our Facebook and Twitter pages.

Until then, play hard, fight fair, kick straight and best of luck to you and your team on the weekend.

PROUD SUPPLIER OF THE WRFL

WHO WILL THIS YEAR'S MELBOURNE INJURY LAWYERS UNSUNG HERO BE?

While we all tend to focus on what happens on the field, especially around finals time, the league believes it's also very important to recognize the 'unsung heroes' without whom, we wouldn't have a league to play in. These men and women, boys and girls work tirelessly for their local club and league without looking for or receiving the public recognition and acknowledgment they deserve. While we are sure all clubs show their appreciation in their own way to these volunteers, as a league we also need to recognize them.

Melbourne Injury Lawyers make this award possible. Melbourne Injury Lawyers, who have a number of offices around the metropolitan area, including Altona, became a sponsor of the WRFL in 2011 and see this award as a positive way to support the community within they operate.

You may recall Ray O'Hara (Yarraville Seddon) was recognized last year. PHOTO

The league is currently seeking nominations from all clubs and associations within the WRFL, for this Unsung Hero recognition award. We are looking for volunteers who may mark the lines, strap the goal posts, cut the oranges, clean up the rooms, help out with the juniors, pick up elderly supporters to take to the game and a million and one other things that get done around the club every week. All these jobs are 'assumed' by the general public to 'just happen'because they always have.

If you know anyone who you think should be nominated, contact your club secretary with your recommendation and a digital photo of the nominee if possible, who will then pass it through to the

club committee for consideration to be submitted to league. We have asked clubs to complete their nominations by Monday the 9th of September so be quick, as there is not much time left! The winner will be announced on the night of the Senior Presentation evening and publicized through our E newsletter and website.

Applications are invited for the position of Senior (Playing or Non Playing) Coach for 2014 and beyond.

The successful applicant will need to have the ability to lead by example, have good communication skills, the ability to work within a team and a desire to be successful.

Applications or enquires are to Marc Raak Football Manager, CSFC.

DIVISION ONE

SEN Most Valuable Player Award

Spotswood's Chris O'Keefe has been announced as the Western Region Football League's SEN Most Valuable Player for season 2013. Taking up the role as playing coach this year, O'Keefe has had a stellar season to date, finishing with 29 votes ahead of Altona's Steven Kennedy (27 votes) and Yarraville Seddon's Ibrahim Atik (25 votes).

Now in its third year, the SEN Most Valuable Player Award recognizes the Western Region Football League's best overall senior player in the Division One competition.

SEN 1116, became a major partner of the WRFL in 2011, providing advertising time on their radio station to allow the league to service existing sponsors and to attract new partners.

In return the league provides SEN with the naming rights to the league's runners tops, SEN partner the league in its 'Most Valuable Player' Award which is awarded to the Division One player who is not necessarily the 'best player' but one who embodies leadership, versatility, ability to play under pressure, skill and courage, respect for all umpires and overall value to their team.

Voted on by the opposition coach each week throughout the home and away season using the 3,2,1 system, it is an award that recognizes those footballers who the players, coaches and league hold in high regard.

Welcome to the big show and what a finals series we have in front of us for 2013. There is no dispute the five best sides made it through to the business end of the season and while it will be hard to match the nail biting finish of the 2012 Grand Final, I am sure all five sides will give it a red hot go.

Deer Park finished on top and has the week off to watch the other four flag contenders. No one knows if that will be a good or bad thing for the team, only the final results can determine that.

Are Sunshine the surprise packet of the season finishing in third spot and enjoying the double chance? I think not, they recruited quality and play a brand of football that could take them deep into the finals. This week they face a very disciplined Spotswood who has flair, talent and experience in big games, plus some new faces that have blended in perfectly. Sunshine will need to be bold and dictate the flow of the game and they have the players to do that on their day. The Kangaroos have some guns in the Wiggins brothers- Patrick and Simon, Tommy Millar and Rusty Douglas all big game players capable of being match winners. Spotswood has Chris O'Keefe, Jason Cloke, Tom Langlands, Michael Fogarty and Murray Boyd all stars of this competition. Forget Spotswood's 28 point win a few weeks back, it counts for zip now. I expect a very close physical game and the Woodsmen to get up by 10 points.

St. Albans and Altona have both regained some of their big names for the finals after players went overseas mid season, a fact that must have bemused coaches Eames and Denny. They played each other in Round 16 and the Saints got up by

Who will make it through to see another week of football in 2013? St Albans or Altona? Photo: Darrell Jones and Kayla Wolf.

a point. The Saints have won their last three while the reigning premiers have only won one of their last three games. Altona have been a shadow of the side that triumphed last September and while they have winners like Steve Kennedy, Jayden Post, Jordan Robbins and Reece Miles they have not been as dominant as last year. They just haven't clicked this year. I referred to them at the "not quite right" shop last week on the radio. The Saints have some very good players in Aaron Henneman, Tim Jenkins, Lachie Badderly, Jack Sims and the veterans Henderson and Fitzpatrick. I think their form is coming good at the right time and I think they can cause an upset on Sunday and knock over the Vikings, but it will be close. My tip, the Saints by 8 points.

ALAN MANCE MOTORS

Hi there, Phil Mance here from Alan Mance Motors. We've enjoyed our partnership with the WRFL this year and congratulate everyone involved.

Football brings communities together and Alan Mance Motors hopes all players, officials, volunteers and supporters from all teams across Melbourne's western suburbs enjoyed the year, whether their team made the finals or not.

Not everyone can be a winner in football....but everyone can be a winner when they purchase a vehicle from Alan

Mance Motors. Alan Mance Motors not only offer all associated with the WRFL the opportunity of purchasing a great car at a great deal from one of their local dealerships at Footscray, Melton or Bacchus Marsh, but are also supporting community football clubs in the west by offering a generous rebate program. Each WRFL Club could be eligible to receive a 'spotters' fee for every new or used car sale (new car vehicle - \$300, used car - \$150....) when the buyer of the vehicle mentions the name of their club.....and this offer doesn't end at the final siren in September...it goes all year round.

So when you're thinking of buying a new or used car, think about helping your club as well as getting a great deal yourself.

And remember-don't lose your shirt....don't lose your pants...don't take a chance, go to Alan Mance!

There is a Storm brewing in the WRFL Division Two competition. It's called the Manor Lakes Football Club and it's in its first year of the competition. Last Saturday they dismantled Parkside by 27 points and had control of the game all day. The match started well but was majorly delayed in the first quarter with a big collision involving Storm player Cameron Baker who was eventually taken from the ground via ambulance. This weekend the boys from Howqua Park have earned the right to go up against the competition powerhouse in Glenorden in the Second Semi-Final at Crofts Reserve.

To beat Parkside is one thing, but do to it convincingly is another thing. From the outset it was clear that Manor Lakes wanted it more. They were harder at the contest, outworked their opponents defensively and hit more targets within scoring range. They also had a more even spread of contributors across the park, none more so than Shayne Killender. Matthew Kozole (4 goals) was the beneficiary of several forward entries after it appeared the Magpies game plan had focused on stopping Ty Priest, who did manage the one goal to bring up the ton for the year. Over in the Magpie camp, the big story was that star playmaker Chris Muratore was well held all game. Nathan Juegan and the club's brains trust need to make sure that the ball finds its way to their star rover's hands more often, starting with this week's do or die clash with Wyndhamvale. They were best served by Nicholas Towns.

In the Elimination Final last Sunday, Wyndhamvale made light work of Sunshine Heights recording a 49 point victory in perfect conditions at Avalon Airport Oval. For the Falcons, Quinten Suckling booted three whilst for the Heights Kade Privetera kicked four in a quality display by the respective forwards. In the final wash up the Falcons had far too much run and firepower, recording 30 scoring shots to the Dragons 11. As for Sunshine Heights, coach Daniel Xuereb can be proud of the season produced

Congratulations to Manor Lakes' Ty Priest who kicked his 100th goal for the year last week against Parkside. Photo: Lavan Ruban.

by his boys. With a list which has several players under 21 years of age the future looks promising at Ainsworth Reserve. As for Wyndhamvale, well they meet a fired up Parkside mob who will want to attain for their poor performance last week.

UNDER 18 DIVISION ONE

Update

The final round of the Under 18 Division One home and away season is now done and dusted, with the results determining this week's Qualifying and Elimination finals.

St Albans started Round 18 in third place, with their opponents Deer Park sitting at fifth.

Wanting to maintain the all important double chance, the Saints started off strong, having seven scoring shots in the first quarter, while keeping the Lions scoreless.

But Deer Park hit back in the second term to reduce the margin back to just four points at half time, and a mere three points and three quarter time, in what was a very low scoring affair.

Despite their slow start, it seemed the Lions were determined to finish the season off on a high note, kicking away in the last quarter, while holding St. Albans to just two behinds, to run out 18 point winners.

Deer Park's Timothy Knight, Craig Plant, Blaize Warden, along with new inclusion Josh Schembri, were among the side's best. Their teammates Spiros Amarantidis and Sohrob Ismail also did their job for the side, kicking two goals apiece.

For the Saints, Andrew Tieppo kicked two majors of his own, in an exceptional performance.

Whilst the results did not affect the Lion's ladder position, the loss see St. Albans drop to fourth place and miss the vital double chance every team wants to have come finals.

As a result, the two teams will face each other again, in a 4th vs. 5th Elimination Final this Saturday morning at Avalon Airport Oval.

Elsewhere, Spotswood managed to hold off a very competitive Altona squad at McLean Reserve.

Despite sitting in sixth position, the Vikings kicked true in the opening quarter to lead at the first break.

Not happy with their opening performance, the Woodsmen kicked it into overdrive and piled on five goals in the second term to leave the field at the main break with their noses in front.

Whilst the Vikings applied some scoreboard pressure in the third term, the home side managed to kick three goals to one in the final quarter, to escape with a six point win.

Despite missing finals, Altona can walk away on a positive note after their impressive Round 18

performance, which they will use to build on for season 2014.

Over at Yarraville Oval, the Eagles were unable to record their first win of the season against Albion. The Cats were playing for third position, and were never going to take to this game lightly, dominating all facets on the field to run out nine goal victors.

Albion's win sees them move from fourth to third position on the ladder, securing the all important double chance as they face Spotswood in the Qualifying Final this weekend. Had they lost, they would've faced Deer Park in an Elimination Final.

Having had the bye last weekend, Hoppers Crossing finished the home and away season as minor premiers, having not dropped a game all year. Locking in top position weeks ago, the Warriors will have yet another week off this Saturday to prepare for their Semi Final clash between the winner of Spotswood and Albion.

DIVISION TWO – UNDER 18

Update

NEWPORT is in danger of bombing out of this year's finals series in straight sets, if it suffers another loss this Saturday against West Footscray.

This year's newcomers have impressed all through 2013, however stumbled on the big stage of Avalon Airport Oval last weekend.

With an opportunity to hang onto the second chance and test themselves against Glenorden, the Power narrowly went down to Hoppers Crossing in an arm wrestle like contest.

But the opening term did not play out according to that script, as the boys in teal jumped out of the blocks to race to a quarter time 14 point lead.

Wajih Taleb provided a constant target up forward, and loomed as the forward Hoppers would need to keep a close check on.

Chances went begging in the second term, as the Warriors booted seven behinds to cough up a chance to head into the main break with the advantage.

Instead they went in one point behind.

Both sides went almost goal for goal in the second half, but Hoppers continued to waste chances in front of the big sticks.

Fortunately they wouldn't be ruing those missed opportunities to put away Newport, finishing 7 points in front. Ironically, they had scored 7 more behinds than the Power for the morning.

On Sunday a flu-weary Wyndhamvale were always going to be up against the odds against West Footscray.

With a host of players succumbing to illness the week before, a result against the in form Roosters was never going to be easy.

Despite being just 10 points the difference at three-quarter time, the Roosters kicked on in the last – stretching the result out to 29 at the final siren.

Dubbed this year's "team to beat", Glenorden will come off a week's break, refreshed at the prospect of facing Hoppers Crossing on Saturday.

Hoppers Crossing's Division Two U18s ran away with a 7-point win over Newport Power last weekend, can they do it again this Saturday against Glenorden? Only time will tell. Photo: Kayla Wolf.

The loser of that game will face the winner of Sunday's battle between Newport and West Footscray.

If the Warriors lose as is expected, they'll be hoping the Roosters find a way over the Power, the latter of which has given Hoppers a tough time all year.

Week 2 of the Division Two finals series will be played at Altona North's Crofts Reserve, with both Under 18s matches penciled in for a start time at 9.30am.

UMPIRES CORNER

By Graeme Hodgart

Last Sunday saw the commencement of the majority of the WRFL Junior Grand Finals for season 2013. This weekend sees the completion of the remaining Junior Grand Finals with the U16C, U14A, U12B, U11A, U11B, U11C and Youth Girls competitions. Congratulations to all teams and clubs who will be, and have been successful in their quest to win a premiership, and commiserations to those who were not as fortunate, and had to make do with second best. Sometimes, after having such a good season and then falling over at the last hurdle can be quite devastating. Whilst the premiership can only go to one team on the day, there are many individual and team successes during the season that players, officials and supporters should remember and be proud of.

During last week, the WRFL Umpires acknowledged some individual successes of their own, at their annual WRFL Junior Umpires Presentation Night. An important event on every umpire's calendar, the night saw the major junior umpiring awards presented, as well as the appointments for all Junior Grand Finals. Getting bigger and bigger over the last three seasons, the Presentation night was held at The Club in Caroline Springs where close to two hundred parents, umpires and other family members attended.

WRFL CEO Bob Tregear was amongst the special guests in attendance, as well as current AFL Field umpire, Troy Pannell who was the guest speaker on the night. Troy began his umpiring career with the WRFL in 1990 as a 14-year-old and developed quickly, umpiring the Division One Senior Grand Finals in 1994, 1995 and 1996. After a two year stint in Queensland umpiring, he was added to the VFL list and finally promoted to the AFL list in 2005. Not everything went his way, but he is back on the top list and has umpired 122 AFL matches including one final. In his speech, he emphasised that young umpires should be prepared to ask questions, seek guidance from those more experienced and to listen to advice. Troy also mentioned that communication and composure were two key elements in an umpire's development.

After Troy's speech, the award presentations commenced. Boundary umpire Joshua McMorrow received the Bruce Pain Perpetual Trophy while

Boundary umpire Joshua McMorrow was this year's Bruce Pain Perpetual Trophy winner. Photo Barry Webster.

goalie Emma Humphries won the President's Award for her persistent effort throughout the season. Nicholas Robson was presented with the Most Improved Umpire Award. Trophies were also handed out to the best umpires at each of the academies. The umpires concerned were Ebony Stevens and Riley Coleman (Caroline Springs), Zoe Harrison and Lachlan Pietsch (MacKillop), Aimee Cassar and Lachlan Farrow (Maribyrnong) and Mitchell Taleb (Scovell).

Many of these umpires featured in the Junior Grand Finals over the weekend, which were announced to the crowd on the night. The individual awards and the appointments to various Grand Finals are just some of the rewards that the young WRFL umpires can receive as they continue in their formative years of umpiring. Hopefully, many of them will continue their umpiring careers next season. The more games that they umpire, the more they will build and develop their skills, abilities and experience. Just possibly, in a few years time, some just like Troy Pannell did back in 1994-96, will be able to umpire in a Division 1 Grand Final. Only time will tell.

The Glen Orden Sports Club seeks junior and senior players and coaches for cricket season.
