# D-DAY FOR DIVISION TWO

*By Kirstie Fitzgerald*

Its Grand Final day for the Division Two competition, and after a busy season full of hard work, blood, sweat and tears, it all comes down to today. This year it is fantastic to see some new faces make it to the final

round in September, including league newcomers Manor Lakes who's Reserves will compete for the coveted premiership trophy against Parkside, whilst Newport Power's inaugural Under 18s squad will take on minor premiers in Glen Orden. The much anticipated Senior Grand Final between Glen Orden and Parkside will kick off at 2:15pm, where the top two sides will battle it out in what should be a riveting four quarters of football to end a terrific year of the Division Two competition.

Of course this year's competition would not be possible without the support from our Division Two sponsors, the Trade Institute of Victoria and Werribee Football Club. Trade Institute of Victoria (TIV) are passionate about educating and building the bright futures for people who are working or wishing for a career in the building and construction industry. The Trade Institute of Victoria joined the WRFL as a partner in 2012 taking on the naming rights to our Division 2 competition, to not only inform the football community of what it has to offer, but also to be able to support the WRFL who involve thousands of local western suburban families. The Werribee Tigers Football Club have been a long term partner of the WRFL. In 2013 they extended their partnership to take on the naming rights of the league's Under 15 and 16 competitions, joining their existing partnering of the Under 18s. The Werribee Tigers Football Club has been very generous in their support of the league and the western community generally through their allowing the league to utilise its venue for finals and

other activities including the Morris Barlow Squad.

Today we also pay tribute to our WRFL Life Members at our annual Life Members function. Over the past 80 years, the FDFL/WRFL has seen many changes both on and off the field and today we welcome a number of our Life Members who have dedicated their time and effort into making the league and wider football community such a great success it is today.

# NEVER TOO OLD TO PLAY

By Anthony Laughton

There's no such thing as retirement for a wave of footballers who are continuing to take to the field well into their 40s.

There's a few more grey hairs than they used to be.

Those silky smooth handballs are slightly off target.

The kicks are not as long, or as penetrating.

But don't be fooled. This is Masters Football, and it's just as competitive as any junior grade of the game.

The concept is a simple one: to provide players over the age of 35, an opportunity to keep taking to the field.

It's expanded from humble beginnings in Victoria in 1980, to become a nationally overseen game.

Of the more 119 teams playing throughout Australia, it's here in the western suburbs where the game is particularly strong.

Just ask Mark Batten, who is the current playing coach at Williamstown Superules.

"I have been involved for 11 years, I am currently the coach and player for Williamstown Superules Reserves and also coach and play for the Over 45's Victorian Superules Side," he said.

But it doesn't end there.

Williamstown is in the Premier League fielding four sides – Over 35's, reserves, Over 47's & Over 52's, while Werribee have three Sides in Division Two—Over 35's, Reserves & Over 47's.

"I believe the Sunshine Kangaroos have an over 35's side in Division Two," said Batten.

For those who are not familiar with Masters Football, there are four levels including:

- SUPERULES: Aussie Rules Footy for Over-35s
- MASTERS: Aussie Rules Footy for Over 40s (Except in certain circumstances)
- LEGENDS: Aussie Rules Footy for Over 47s
- VETERANS: Aussie Rules Footy for Over 52s

Across the Victorian Metropolitan area, there are 37 teams that lace up the boots and run out to play every fortnight, with most playing in the Over 35s category.

And it seems this ever growing sport has expanded interstate, with the very best teams set to travel to Darwin later this month, for the National Carnival,

*Mark Batten discussing strategy with his team during the half time huddle.*

held between September 29 and October 5.

It all comes under a new national body, AFL Masters, which administers a set of standardized rules throughout the country, to reduce the risk of injury to the players' ageing bodies.

Not that the threat of injury concerns the participants.

"The main reason people who love the game can still play with people in their own age group in a safe and friendly environment," Batten said.

"(It) also allows a person to maintain a healthy life style."

The WRFL's Glen Orden Football Club is also involved in Masters Football, with the league's only Over 47s team.

Coach Ago Guradiano has been involved with the club for 15 years, and loves nothing more than getting down and playing footy with the boys.

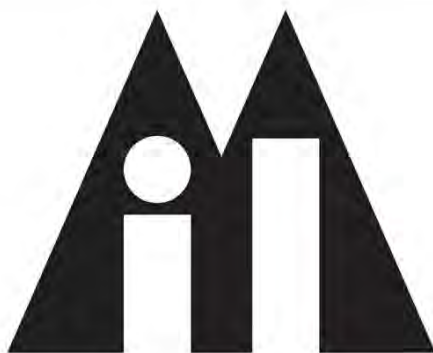

"I am the oldest at 58 years young," Guradiano said with a smile.

The Hawks' team started seven years ago and currently has 24 players on the list.

Not only a coach, but also a player, Ago sees plenty of positives to come out of the game for older men.

"I love footy and it keeps you active. Socially you get to make a lot of new friends and it keeps you in touch with old mates."

If you would like more information on how to get involved with Masters Football, visit <http://www.aflmasters.com.au/>

# AFFILIATE REPORT-WESTERN JETS CHARGE INTO THE FINALS

The Western Jets are set to tackle the Calder Cannons this Sunday in Week two of the Under 18s TAC Cup finals series after defeating the Murray Bushrangers by nine points in a cut throat Elimination Final last weekend.

Whilst trailing the Bushrangers for most of the day, the Jets hard work and persistence shone through in the last term, kicking two goals in the last five minutes of play to seal the win.

“Overall the year’s been a great success and it’s not finished yet as we still have more finals to play,” said Western Jets Under 18 TAC Cup squad coach, Torin Baker.

“We’ve won more games than we’ve lost this year and we’ve had a season where in every game bar one, we’ve been within a winning chance.”

Finals preparations is well underway with Baker ensuring that his team is in the best possible shape they can be both on and off the field, devising plans against each potential opponent to help secure a win.

Before entering the world of coaching, Baker played a number of games for the Spotswood Football Club including one game this year and was a vital member in the club’s past two Grand Finals appearances.

“I’m 34 years old now, and whilst I loved playing football, I started to really enjoy the other side of football coaching on the sidelines after dipping my toe in the role as an assistant coach at the Jets for two years before taking up the role of the under 18s head coach,” Baker said.

Whilst he still gets down to watch his old Spotswood teammates play a few games during the season, his affiliation with the club doesn’t affect his decisions when selecting his team each week.

“Our players play on their merits, it doesn’t matter what club they come from. We just want the best quality football to come through the door.”

Although the players who represent the Western Jets are standouts in their own right, many players have their roots at a number of WRFL clubs. Baker praised the efforts of Mitch Norton, the team’s leading goal kicker (29 goals for the season), who hails from Hoppers Crossing and Connor Menadue from Spotswood.

“As a coach one of the most important things is building positive relationships with your players.”

After six years of coaching, Baker reveals that the two most important parts of the role is getting to know the players on a personal level and assisting them with their football so that they can grow and improve throughout the season.

Baker’s main goals for the season were for the team to be competitive, as well as players enjoying individual success through performing well in national championships.

Finishing the home and away season in fifth position, it appears the Jets’ next match against the Cannons will continue to be an arm wrestle, with the Cannons finishing the season in fourth place.

Despite beating the Cannons by two points in Round Three earlier in the home and away season, their last encounter saw the Cannons get over the line by a single one point, which makes way for a close Semi Final this weekend.

*It was always going to be a tight contest between Sunshine and Altona last weekend, but the Kangaroos live to fight another day against Deer Park this week. Photo: Jesse Johnstone*

The Spotswood Football Club is the envy of every WRFL club and rightly so as they sit ready to take part in their seventh Division One Grand Final in a row. The seamless transition from Luke Theodore to Ben Kelly to Chris O'Keefe as senior coaches in that time plus the turnover of players has been so well managed that the club continues to thrive. They recruit well, but they also reward their juniors who are blooded into a team environment second to none in suburban football. Spotswood again showed the class, poise and determination last Saturday that wins big games. In the heat they never relented even when they were behind on the scoreboard. "Harder-Stronger-Longer is their finals mantra and they certainly stuck to that against Deer Park.

Today Sunshine has the opportunity to send a message to the WRFL football community. That message is clear, this season is no fluke- we are the real deal. Brett Jacobs was disappointed with their effort against Spotswood two weeks ago, and they showed against Altona last week that they can rise to the big occasion. When your side boasts talent like Hahn, the Wiggins Brothers, Douglas, Millar and Goring you should expect a bold showing. If the timid Sunshine team runs onto Avalon Airport Oval, Deer Park will be picking over the leftovers by half time. The Kangaroos need to be up and about from the first bounce and their leaders need to be on top of things on the ground.

Deer Park did not make the most of the opportunities they had early in the Spotswood game and have given themselves a real task to get to the big one. Sunshine was the first team to blot their copybook in the home and away season and that will be in both sides' minds. The fitness of Coach Marc Bullen is crucial to their chances as is the impact Heath Ayres can have on the game. Broadbent is a gun

*Will Sunshine be able to hold off the Lions this Saturday afternoon, or will Deer Park run away with a win into the Grand Final? Photo: Darrell Jones*

and rarely has a poor game and Shaun Harrison is vital for their speed out of the middle. He sat the last quarter out with an ankle last weekend. Chris Stewart is a major factor and if he can win the ruck and swing forward for a few goals, he will have done more than his fair share to get the Lions home.

I always look for the X factor from a player or players that can do something to give their side the advantage and get them over the line.

For Sunshine for me, it is Macauley Goring and Patrick Wiggins. If they are on top early it seems to lift the entire side. You expect Hahn and Douglas to lead the way but Goring and Wiggins are the icing on the cake.

Deer Park are a good side who seem to be saving their worst performances for the business end of the season. Their X factors for me are not players, but their hunger, desire and commitment to the cause.

There is no tomorrow for one team and for me that team is: Sunshine.

They say a week is a long time in football. Well then two weeks must be an eternity in a football sense. Just look at Parkside who will play Glenorden in this year's WRFL Division 2 Grand Final after turning the tables on Manor Lakes in last Sunday's Preliminary Final at Crofts Reserve. Going into the match it appeared as though the men from Howqua Park had the Magpies measure, after beating them in their two other encounters this year. One of those wins was in the Qualifying Final just a fortnight ago where the Storm were hungrier, classier and a lot more organized than their respective opponents.

I for one had all but written Parkside off. But you can never write off a champion team and that is what Nathan Juegan's men are. They came good when it mattered most. No doubt they will have their work cut out coming up against the all-conquering Glenorden on the big stage at Avalon Airport this weekend. However if anyone can upset the Hawk applectart it is the men from Henry Turner Reserve who can do it. They are the only team this year to beat the Brown and Golds when they did so in Round 14, meaning that both sides have beaten each other once during the season. It was the men from Heathdale Oval who got the job done in Round three by 25 points.

There is no doubt in my mind that the Magpies have to try something out of the ordinary to take home

the cup. Chris Muratore is a class act but has been heavily tagged throughout the finals and he needs to be set free for Parkside to be a chance. Glenorden have a star studded midfield and an AFL flavoured forward line with Damien and Adem Yze sitting alongside Kent Kingsley. With a week's rest under its belt and a warm day expected, the Hawks should be too strong.

We take this opportunity to dip our lids to Manor Lakes who have had an A Grade season. They have passed with flying colours and still went close to beating Parkside on the weekend but just fell short by nine points. They were well served by usual suspects Charles Hunter, Frank Pavez and Cameron Baker who made a miraculous recovery after coming off in a sickening collision just two weeks ago. There is a lot to like about the way the Storm go about their business on and off the field. They also happen to be taking part in this year's Reserves Grand Final after knocking off neighbour Wyndhamvale by 15 points in the Preliminary Final. They will come up against Parkside in the big one and so already a good rivalry is forming there. The Magpies reserves have been super this year losing just the one game against Wyndhamvale in Round five. They will be keen to set the tone of the day for the club by bringing home the bacon.

# ALAN MANCE MOTORS

Hi there, Phil Mance here from Alan Mance Motors. We've enjoyed our partnership with the WRFL this year and congratulate everyone involved.

Football brings communities together and Alan Mance Motors hopes all players, officials, volunteers and supporters from all teams across Melbourne's western suburbs enjoyed the year, whether their team made the finals or not.

Not everyone can be a winner in football....but everyone can be a winner when they purchase a vehicle from Alan

Mance Motors. Alan Mance Motors not only offer all associated with the WRFL the opportunity of purchasing a great car at a great deal from one of their local dealerships at Footscray, Melton or Bachus Marsh, but are also supporting community football clubs in the west by offering a generous rebate program. Each WRFL Club could be eligible to receive a 'spotters' fee for every new or used car sale (new car vehicle - \$300, used car - \$150....) when the buyer of the vehicle mentions the name of their club.....and this offer doesn't end at the final siren in September...it goes all year round.

So when you're thinking of buying a new or used car, think about helping your club as well as getting a great deal yourself.

And remember-don't lose your shirt.... don't lose your pants...don't take a chance, go to Alan Mance!

# DIVISION TWO GRAND FINAL

*Seniors – Glen Orden v Parkside*

## FROM THE COACH: GLEN ORDEN

I have been coaching on and off for around 18 years and have been at Glen Orden for two seasons. It's been a tough year which we have been fairly successful. The competition is very tough with at least 5 clubs capable of winning the premiership. My team is feeling good physically and mentally. Like all teams, we have our injuries but have managed them better, thanks to our training staff. The whole of Glen Orden from Coaches, players, football department to our partners and all the awesome supporters are pumped and excited for Grand Final week. Our build to Grand Final day has been a touch unusual. We have had two weeks off during the finals which I feel have helped get us to get our bodies right. We have trained really hard for about 4-5 weeks now. A big thank you to my wife Nazlie and my kids Aaron, Shanelle and Joel for their ongoing support. This Grand Final is for me as well as my coaching staff Stuart Daly, Perry Meka and Louie Elevato. To all our supporters and everyone at our club hopefully we can do this for them. The Club has been through some lean times. To all my players that don't get chosen to play, chin up and train to get better, bigger and stronger. Unfortunately, 30 players doesn't fit into 22.

**Nick Diker**  
*Glen Orden Senior Coach*

## FINAL WORDS FROM THE COACH: PARKSIDE

I have been at Parkside since 2004; started my coaching as a Senior Assistant in 2007 then took over as Senior Coach in 2009, 2010, 2012 and 2013. I feel that the top four sides have been strong as any of the past five years; unfortunately there was a big divide from the top four sides and the remainder of the competition. I understand how hard it is for all clubs to recruit players as the demand on football budgets is at an all time high which is unfortunate and until a points or cap system is in place I cannot see this changing in the near future. We are very excited as anyone in a Grand Final would be; we have fielded very strong and consistent sides over the past six years within the clubs mean. We now give ourselves a chance to win Parkside its 15th Premiership. We have played three tough games to make it here today and hopefully match fitness and momentum will be a positive for us today. I don't think any one player from either side will win a Grand Final; it truly comes down to getting 22 contributors on the day. A sincere thanks for all the supporters, sponsors, committee, coaches and all the players for putting in so much hard work. We have a lot of loyal and passionate people at Parkside which makes our club so special!

# DIVISION TWO GRAND FINAL

*Reserves – Parkside v Manor Lakes*

## FINAL WORDS FROM THE COACH: PARKSIDE

This is my second year coaching at Parkside and I have enjoyed it immensely. I have seen a strong development of players working hard and trying to better their football. The work that the club and Senior Coach Nathan Juegan have undertaken to strengthen the list has been fantastic and I have been happy to play my role in that as well. Overall we have been happy with the season and have a strong understanding of the hard work that goes into each year. To finish the home and away fixture on top of the ladder was great for the players and the club but collectively we understand that there is still a lot of work to do and a very important match to be played. The players have responded well through the end of the season and first couple of weeks of finals. All have continued to train and remain committed to what we are attempting to achieve and all are excited about today's match. All players have remained focused and entrenched in what this club is working towards; not just for the Reserves but also the Seniors as we consider the entire playing group as one and work all together to improve, learn and develop as a group during the finals as we have done so all year. At this stage of the year I think it is important just to thank all Parkside Football Club Members, Supporters and Past Players. The support that the entire playing group receives throughout the entire year is absolutely fantastic and I believe that it has been one of the strongest support bases I have been a part of.

**Paul Tamburro**  
*Parkside Reserves Coach*

## FINAL WORDS FROM THE COACH: MANOR LAKES

As a first year coach of this brand new club, I believe the overall season has been a success on and off the field, with both our seniors and reserves finishing 3rd on the ladder and played in finals. As a brand new club all we wanted was to be competitive and build a great culture in our first season. All year we have been the underdogs, with many people out there believing we were simply here to make up the numbers. But as a club I believe we proved our critics wrong and have become a club who other teams should fear. The team and club are so excited and eager to get the big game started. It has been a long season of hard work and creating history is only four quarters away from us. I would like to take this opportunity to thank our president Gary Sheppard for all his hard work and getting this fantastic club up and running, our hard working committee, as well as Peter Mark and seniors coach Heath Hunter for giving me the opportunity to be the first Reserves playing coach of the Manor Lakes Football Club. Thank you to my assistant Stephen Omalley and Shane White for sticking with me all year and helping on the sidelines. To all our fans and volunteers including our trainers Kevin and Carmel and our camera man and umpires escort Darren Mercieca, we appreciate all your support. All the sponsors who got on board this year they are so important to our club, who without their support we probably wouldn't be in this position. To all the blokes who will unfortunately miss out this week, I thank them for sticking with us, it's a great commitment. My last thank you is to my Reserves team, for supporting me as a player coach, but for all their hard work on and off the field, they have been a great bunch of blokes to coach and deserve this opportunity. Go Storm!

# UMPIRES CORNER

*By Graeme Hodgart*

During the finals at Avalon Oval, the elevated coaches' boxes on the grandstand side of the ground become the favourite haunt of the various WRFL umpiring coaches. A commanding view of the entire oval is on offer which can be readily complemented by a strong pair of binoculars.

Of course, there are those coaches who like being closer to the play and prefer to be somewhere on the fence rather than being perched five metres about the general crowd. Out on the sidelines, there is the opportunity to hear the verbal communications offered by some of the running umpires to their compatriots or to the bemused players. Most of the goal umpires' observers prefer to be close to one of the goals which means that they are able to see the exact positioning taken up for each shot on goal. The field umpiring observers and the boundary umpiring observers generally prefer the view from the coaches' boxes as it gives an overall view of the whole ground. The positioning of each umpire can be quickly assessed in relation to the set of the play but also in regards to the position of the other umpires.

Listening to the comments and views of the relevant coaches is quite an experience. And experience is something that the coaching panel has plenty of. Sitting in the small room viewing the various finals' games were Mark Westgarth, Brett Carter, Mark Mather and Rene Van Kuyk (field umpiring), Leigh Rowbottom (boundary) and Graeme Hodgart (goal umpiring). Altogether they boast over one hundred years of experience of field, boundary and goal umpiring in different football leagues throughout Victoria. Their remarks on this particular day covered fitness, uniforms, development of skills and abilities over the season, attitude, training, concentration, future prospects and many references to positioning and decision-making.

There was another person in the room with an even greater knowledge and experience in regards to field umpiring. It was Bill Torney who has been involved in umpiring since the 1960s. Some of the old timers will remember his name being printed in the VFA

*Director of Umpiring Mark Westgarth instructing the umpires before the Division One Senior Match between Deer Park v Spotswood.  
Photo: John Tsavdaridis.*

Recorder way back in the early 1970s. It was on Saturday 27th June 1970 that field umpire W. Torney was in charge of the VFA Camberwell v Werribee game that was televised by Channel O. Camberwell went on to win 11-9 to 9-16. These days, Bill Torney, spends his weekends in the football season travelling around metropolitan Melbourne and beyond, observing and providing feedback and advice to young aspiring field umpires who are interested in taking the next step into the ranks of the VFL.

On this particular Saturday afternoon, Bill Torney had come to see young Stefan Bjelosevic team up with Mathew Westgarth and Jason Murray in the Division One clash between Deer Park v Spotswood. From the comments made during the afternoon, all three umpired with control and authority. It will be interesting to see if any of those three field umpires can go all the way and gain a berth in the Division One Senior Grand Final next week.

The other question is whether or not Stefan is ready to step up and have a pre-season trial with the VFL next season or the following year. On one hand it is always a great achievement to have a local lad promoted to a higher level but often it means that that person is lost to the WRFL.

## Update

Hoppers Crossing have booked in their ticket to the 2013 Grand Final, after demolishing the second-placed Spotswood to the tune of 114 points.

In true Hoppers Crossing fashion, the Warriors' stamped their dominance on the match early in the piece, taking a quarter time lead of 40 points, and extending it at every break thereafter.

Eleven goal kickers featured for the Warriors, with Hayden Bray, Mitchell Appleby, Brenden Wilson, and Daniel Strnak booting four goals each.

Despite their dominant performance in the Qualifying Final over Albion, Spotswood was restricted to just nine scoring shots against the Warriors, 14 less than what they had during their first week of the finals.

Jesse Worthing was the Woodsmen's only multiple goal kicker, finishing the day with two majors, and named amongst his side's best six.

Warrior Nicholas Jones had a standout performance, and was named best afield, while Joshua Norton was the Woodsmen's best.

The dominant win not only keeps the Warrior's unbeaten season intact, but also sees them head straight through to the Grand Final for the second time in a row.

Despite the loss, Spotswood's Grand Final hopes are still alive, as they lace up the boots once again to take on St.Albans, who lived to fight another day after defeating Albion by 22 points.

While the Saints led at every change, Albion managed to cut the margin down to a mere seven points at three quarter time, going into the last break with a sniff and more importantly momentum.

Yet a two-goal to five last quarter, sealed the game for the Saints, booking them a place in a do or die Preliminary Final.

*Hoppers Crossing U18s player Kane Galley takes a ripping mark in his team's 114 point win over Spotswood last Saturday. Photo: John Tsavdaridis."*

The Saints' Jesse Bickley, Benjamin Kuypers, and Anthony Fawcus kicked eight goals between them, while Albion's Mathew Serafin and Matthew Aquilina combined for six.

St.Albans' Joshua White took out best on field honours for his team, whilst his Albion counterpart, Dylan Sloman was his side's best, for the third week running.

While Albion will have to wait until season 2014 for redemption, St Albans will also aim to seek redemption against Spotswood after going down to the Woodsmen by 26 points two weeks ago in the Qualifying Final.

Having other close battles throughout the home and away season, the Preliminary Final will be an arm wrestle to say the least, as all involved will be playing their hardest in order to secure the final spot in the 2013 Grand Final.

# **2013/14 MORRISBARLOW SQUAD**

For the 4th year the Werribee Football Club will again be running the Morris Barlow Squad in preparation for the 2013/14 Werribee Football Club preseason. The Squad is open to players that have a desire to play football at the highest level possible. The two week program will consist of testing and training, with selected players given the opportunity to take part in the Werribee preseason.

The squad is named in honour of Dale Morris and Michael Barlow, both players came through the Werribee Football Clubs VFL development pathway before making their way onto AFL lists.

We are seeking nomination of players for the 2013/14 squad. Applicants must be aged between 18-23 and have not been a part of the 2013 U18 TAC Cup program.

**Nominations can be forward to the Werribee Football Club via email [sballoch@werribeefc.com.au](mailto:sballoch@werribeefc.com.au) or for further enquiries please call 9741 6688.**

# DIVISION TWO GRAND FINAL

*Under 18s Glen Orden v Newport Power*

## FINAL WORDS FROM THE COACH: GLEN ORDEN

This is my first season at Glen Orden, after coming across from Hoppers Crossing. It's been a great season overall to finish in top spot and be in a Grand Final is a great effort. We have had our ups and downs however there was a turning point in our season which we handled and since then have been undefeated, and made our team bond stronger. Everyone is very excited for the club to have two teams in the Grand Final, seeing where it was not long ago and the U18s side doing well gives an indication of a strong future for the club, with the boys being the club's first U18 side to make a Grand Final is a great effort. We have tried to keep our usual routine and not change anything, on the weeks off we have trained and some of us watched the other games to study our opposition a little. It's too hard to pick just a few standout players to look out for as we have a very good balance of players in our team, so I would say spectators should keep an eye on all 25 of our "Meerkats" as everyone at the club calls them. Without the help of a lot of people who put time in helping out running water, time keepers, team managers we wouldn't be able to have a team so to everyone who has been involved and supported these young kids in making a Grand Final, thank you.

**John Temuskos**  
*Glen Orden Under 18s Coach*

## FINAL WORDS FROM THE COACH: NEWPORT POWER

I've been coaching for the last 13 years, having been involved with club from a young age playing as an U14 through to seniors at the old Newport centrals club. This season has been a lot tougher than first thought. It's taken a large amount of time to get the players gelling together as a team and understanding one another's strengths and weaknesses. We're all really looking forward to it, and are absolutely stoked to be playing in the Grand Final in our first year, for a lot of the players this will also be their first appearance as well. It's been a quiet week on the track as we are looking to polish off our skills and remove any niggling injuries. The hard work has all been done, now it's just honing our skills, looking at our match ups and going over the game day match plan. Thanks to those who have helped out throughout the season, starting from the preseason right through to now. The support from the club has been evident from the word go, right from the President and Executive Committee, including the coaches: Mark, Busitil, Karl El-Hassan, Dennis Lazaridis, and Tyrone Patterson, down to those volunteers and supporters who have helped at games throughout the season. I would especially like to thank the players for their commitment, hard work and efforts throughout this season, and hopefully we can celebrate the end of the year with a win!

# UNDER 18 DIVISION TWO

## Update

PREMIERSHIP glory is just one win away for the two best teams of the Division Two Under 18s competition.

Powerhouse Glenorden takes on the league newcomer Newport, in what is the WRFL's first Grand Final fixture of 2013.

Both sides have interesting stories as to their rise up the ladder to reach September action, but perhaps none more so than Newport.

The Power was desperately unlucky not to begin the finals series with a win a month ago.

Despite leading for most of the Qualifying Final against Hoppers Crossing, the Warriors edged out a win by just seven points.

While the Power quickly bounced back over West Footscray in the First Semi Final, they would inevitably face the Warriors again in the Preliminary.

And didn't last week's rematch play out to a different tune.

In a ruthless first quarter, Hoppers were kept scoreless as the Power peppered the goals to be on 4-8-32.

A late surge from the Warriors did a little to put some respectability on the scoreboard, but the result was sealed. The final margin 7.7.49, to Newport's 10.16.76.

Last Sunday's result will give Newport plenty of confidence it has what it takes to cause an upset.

The last time these two teams met, it was Round 16 at Heathdale Oval and the margin was just three points and a Hawk win.

Both teams met less than a month earlier, in Round

*The Warriors were unable to catch Newport last weekend, going down by 27 points. Photo: David Newton.*

13, which Glenorden took by 21 points.

While way back in May, both teams met for the first time and the Power won that encounter by just two points.

It all points to what fans will be hoping for; a close and entertaining Grand Final at Avalon Airport Oval.

Catch all the action there this Saturday morning, from 9.30am.
