LET THE GAMES BEGIN

By Bob Tregear

Welcome to the 2014 WRFL football season. Following a hectic off-season, football in Melbourne's west is set for a successful and interest-packed

future with the birth of another new club and return home after 17 years for another.

Tarneit Titans Football Club will make its much anticipated debut this weekend fielding Seniors, Reserves, Under 14s, 10s and 9s. Hot on the heels of successful debuts by Manor Lakes and Sanctuary Lakes last year, the Titans will bring to 24 the total of new teams launched in the Wyndham region over the past 12 months, reflecting the rapid population growth. We welcome the Titans and wish them a long and happy future in the WRFL.

Perennially-strong Werribee Districts Football Club returns to Division 1 senior competition following 17 years in the VAFA. With Seniors, Reserves and two Under 18 teams to add to its existing 9 junior teams, the Tigers look set for a bright future. Their return to WRFL senior competition represents a huge vote of confidence in the quality and reputation of our league.

In response to the rapid competition growth in the outer western region, umpire numbers are planned to grow beyond the 350 mark this year. To cater for the growth, a second (interim) umpire training base has been established at Saltwater Reserve Point Cook. It is hoped that a permanent, state of the art umpire training headquarters can be developed at Williams Landing in the next 2 to 3 years.

A successful season launch function last week provided the opportunity for us to thank the growing band of commercial partners whose support is so vital

to our operations. Along with the list of more than 20 established partners, we welcomed Seven News as our newest supporter. Seven News sports anchor Tim Watson was on hand for the formal announcement, along with Seven News Melbourne Director Simon Pristel. Tim and Simon will be featuring WRFL events and personalities in the 6pm nightly news throughout the year; and will deliver the Grand Final cup and match balls to Avalon Airport Oval Werribee in the Seven News helicopter. Look out for opportunities to provide newsworthy items to Tim and the crew; and tune in to Seven News for the best coverage of football in the west.

The 2014 season has already borne fruit for the WRFL with our Senior Interleague team defeating Southern Football league in the AFL Victoria Metropolitan Championships last Saturday. Led by Coach Brett Jacobs and Captain Jason Cloke, the team's impressive win has earned it the right to challenge the Eastern Football League in 2015. Thanks to all of the players, coaches and support staff who so willingly and enthusiastically supported our first senior interleague campaign for 12 years.

The signs are bright for a successful and intriguing year of WRFL competition, particularly with the split to 3 senior divisions after round 13. The extra division is aimed to provide a more even balance of completion; and to give us a framework for growth as the population continues to grow in the outer west.

On behalf of President Bruce Mildenhall, the WRFL Board and staff, best wishes to all for an enjoyable and successful 2014 WRFL season.

SOUTH SENT PACKING BY BEST IN THE WEST

WRFL completes successful return to Rep football with big victory

THE Western Region Football League marked its return to interleague competition on Saturday with a 36-point victory against the Southern Football League at Visy Park.

The WRFL withstood early pressure from the SFL, but an unanswered five-goal burst either side of half-time proved the decisive period in the contest.

Winners are grinners: The WRFL Senior interleague side take home the cup after beating the SFL by 36-points.

The Brett Jacobs-coached WRFL booted nine goals to five after quarter-time to claim an 11.16 (82) to 6.10 (46), with inaccuracy in front of goal the only blot on the winner's copybook.

"We kicked badly, but we weren't expecting a six-goal win, that's for sure," Jacobs said.

"We put a big emphasis on pressure and, being a pre-season format, we thought that would be the best way to go ... and it worked for us."

Altona's Lee Spiteri was influential on the wing for the WRFL and was awarded the best-on-ground medal.

Bradley Sutcliffe (Port Melbourne Colts) and Tim Jenkins (St Albans) worked hard in the middle, skipper Jason Cloke (Spotswood) and Matthew Dean (Werribee Districts) were outstanding in defence, while Kwame McHarg (Deer Park) owned the forward half.

Mitchell Turnbull (Altona), Jenkins, McHarg and Spiteri finished with two goals apiece.

Jacobs went to school on the WRFL's opponent before the clash.

"We did a bit of work ... doing as much research as we can. We got some valuable information.

"I shouted one of my old mates who played in the league a lunch earlier this week and got a bit of juice out of him, so it was beneficial I think.

"The majority of the players in the league made themselves available, so we had a good squad to choose from.

"Obviously when you get the win, you've made the right calls I suppose."

Saturday's metropolitan interleague carnival was the first at a senior level since 1999.

The WRFL's victory moves it to fourth spot on the rankings and it will tackle the Eastern Football League next year.

"I think you'll find a lot more players will put their hand up to participate next year, so we hope it goes on for a few more years. It's fantastic," Jacobs said.

In other matches, the Northern Football League defeated the Essendon District Football League by 37 points, 13.9 (87) to 7.8 (50), while the Victorian Amateur Football Association scored a convincing 46-point win against the EFL, 12.8 (80) to 5.4 (34).

2014 SEASON'S LAUNCH

By Kirstie Fitzgerald

Politicians, TV stars, league stalwarts and some of the region's best football players gathered at the Yarraville Club last week to welcome in a new year of football at the WRFL's Season's Launch.

With the room at capacity, over 190 people listened to the league's new president Bruce Mildenhall welcome guests into a fresh year both on and off the field, speaking about a new era full of growth and prosperity for the WRFL in 2014 and beyond.

League executive officer Bob Tregear also took to the stage, where he thanked our loyal sponsors to the night as well as welcoming some new partners with the likes of Sherrin and 7News supporting the league in 2014.

Among the high profile guests was former AFL player and Western Bulldog CEO Simon Garlick who spoke of the benefits of community football in one of the state's fastest growing regions and the strengthening relationship between the Western Bulldogs and the WRFL.

"It's fantastic to see the growth and development in the western suburbs of Melbourne and the Western Bulldogs are excited to be working with the WRFL to assist in ensuring the community has an outlet to play our great game at all levels."

With the announcement of the new partnership between the WRFL and 7News, special guest speaker Tim Watson needed no introduction as he made his way to the stage.

Having played 307 games for Essendon and the face of sport for 7News Melbourne, MC Kevin Hillier interviewed Watson about his time in the AFL and his outlook on community football.

"Growing up in Dimboola as a country boy and being selected to play senior football at a young age, I really saw the value of community football and am delighted to have 7News get involved in supporting another great grassroots league in the WRFL."

Also in attendance was North Footscray legend Sam Fenech, who was awarded with a WRFL Life Membership.

Dedicating a copious number of seasons as a trainer for the Devils, Fenech was humbled to receive his award.

"I'd like to thank the league for this award, as well as my wife who has allowed me to do what I love and who has been by my side supporting me throughout the years."

While the night celebrated the upcoming football season, the premierships teams of 2013 were also honoured for their efforts from the season gone, receiving their premiership pennants.

Glen Orden took home bragging rights taking home two new flags for their Division Two Senior and U18 wins, whilst Deer Park, Hoppers Crossing, Parkside and Altona took home their respective flags.

New clubs Tarneit and Werribee Districts were also honoured and officially welcomed to the competition ahead of their debut seasons in the league.

Yet the highlight of the night came when the Senior Interleague side was presented with their representative jumpers ahead of their clash against the Southern Football League in the AFL Vic Metro Championships.

Thirty of the league's best players including interleague captain Jason Cloke and head coach Brett Jacobs took to the stage as the league's senior representative side for the first time since 1999 when the last interleague carnival was held.

With the formalities now done and dusted the 2014 season can officially begin, as footy fans across the region can pull out their team colours and head to the nearest ground, ready for another year of sensational football in the west.

TIGERS ARE BACK AFTER NEARLY TWO DECADES AWAY

Werribee Districts' 26 point win over Parkdale in the final game of the 2013 Victorian Amateurs Football Association (VAFA) Premier B season, not only marked the end of their 2013 campaign, but also the end of their 16 year stint in the VAFA.

For the first time since 1997, Werribee Districts will play football in the WRFL as they join the Division One competition as one of the 10 teams who will make up the top flight in 2014.

According to club President Rod Harrington, one of the driving forces behind moving back to the WRFL was re-aligning with their junior teams who have competed in the WRFL junior competition for over a decade.

"It's fantastic for the club to amalgamate both our seniors and juniors under the one league again," Harrington said.

Although both the junior and senior sides have always played under the one name and remained the one club, Harrington believes playing in the same league will strengthen the ties between the two.

"Whilst we have always been the one club, it'll be great for all of us to play in the same league which will just bring us together even more."

The Tigers will field a senior and reserves team who will both compete in Division One, as well as two Under 18s sides and their usual collection of junior teams.

Leading the Tigers in their first season back in the WRFL will be former Sydney Swans midfielder Wade Chapman. He brings a wealth of past coaching experience, which also includes knowledge of the area, having spent time as a senior assistant coach at the Werribee Tigers in the VFL.

"It's really exciting to be involved with Werribee Districts as they have a really good, young up and coming list which I think has great potential and I'm really looking forward to working with them all," Chapman said.

The Tigers have landed two former AFL players to boost their 2014 squad in Brent Prismall and Ben Sharp. Before playing a number of seasons at Geelong and Essendon, Prismall played junior football with Werribee Districts in the WRFL, whilst Sharp comes to the club having won the best

and fairest award at Werribee in the VFL, after also spending time at West Coast.

Despite both the senior and reserves teams struggling last year, Werribee Districts' Under 18s had an outstanding 2013 season, making it all the way to the Grand Final. They move across to the WRFL hoping to emulate that form this year.

Unlike other new teams to the WRFL, the Tigers face the prospect of moving straight into Division One. However, they don't seem to be fazed by the challenge.

"People in our club have a competitive streak and competitive nature. We are not looking to go to the WRFL just to make up numbers; we want to be the best," Harrington said.

The president also believes the unknown quantity which comes with joining a new league could work as an advantage for the Tigers.

"I've said all along that we don't know what to expect but I think the other side of the coin is that the other teams in the competition don't know what to expect of us."

Chapman agrees with those sentiments.

"Going into Division One will be great for the boys and I'm sure they will enjoy the challenge that awaits us."

The Tigers begin their second stint in the WRFL this weekend in Round 1 against suburban neighbours Hoppers Crossing from 2:15pm at Soldiers Road Reserve.

DIVISION ONE

SENIOR PREVIEW

That is the question on the lips of many WRFL followers, on the eve of another season of football in Melbourne's west.

The answer to that question does not come easily. Especially after back-to-back Grand Finals, separated by a solitary point.

As with any off-season, there were plenty of changes to personnel. Not just on the field, but also off it.

ALBION

(Finished 8th in 2013)

If any tipper was to have a nightmare, it's fair to say the Albion Football Club would be the source.

Last season there were big wins, big beltings, and then surprisingly competitive battles against sides further up the ladder. The club will be hoping some of its off-season additions will edge the gap in those losses. One of those is Josh Bench, the former Western Jet who was playing for Williamstown in the VFL up until last season. Even though he's short and a light framed player, Bench is loaded with talent evidenced by his Barry Round medal as the Jets' 2012 best and fairest. While after winning a premiership with Kerang in the CMFNL (Central Murray Football Netball League, big man Troy Kelm will add some size to Albion's ruck stocks.

ALTONA

(Finished 4th in 2013)

One of the big question marks hanging over any side this season is Altona. A host of talented players

have been either snapped up by Williamstown or the Western Jets. Among them include Nathan Giles and James Flack (VFL), in addition there is the exits of Mitchell Norton and Pele Manivong (TAC Cup). There is also the loss of Steven Kennedy (Darley), Reece Miles (Melton South), Travis Lunardi (Aberfeldie) and Kane McKenzie (Spotswood), the brother of Gold Coast Suns' star Trent. As a result the Vikings have pushed up several players from their junior club, most of who played in last year's premiership winning Under 16A side. Altona has acquired the services of valuable Spotswood contributor Luke Ryan, who has shown he is more than once capable of making an impact.

DEER PARK

(Finished 1st in 2013)

It's hard not to back last year's premiers to follow up their 2013 flag with another. The Lions will arguably head into the season with a stronger line up, than the one that claimed the silver wear in last year's decider against Spotswood. Former AFL players headline the recruiting drive, with the club acquiring the services of Brent Guerra, Ryan Hargrave, Ryan Houlihan and Bret Thornton. Retired as they may be from the 'big time', any footy fan would have no complaints about having those names to pick from. It's an unrivalled recruiting drive this off-season, matched by few other clubs competing in community football competitions not just in Victoria, but anywhere in the country.

HOPPERS CROSSING

(Finished 6th in 2013)

It's been a mixed bag during the off-season for Hoppers Crossing and coach Steve Kretiuk. With the departures of some senior players, Kretiuk has focused on developing his young side, moving up a number of home grown talents which is sure to surprise many come the opening bounce. Former Western Bulldog Brodie Moles (Strathmore) is among some of the regular first team players to move on. Jarryd Ramsey (Melton) is also another loss, having featured in the best and kicking a bag of five goals on against Yarraville Seddon last season. However former AFL and VFL big man Wayne Skipper, who notched up 60 games at the Bulldogs and Hawks, signed on late last year. The club is hopeful he'll be able to coach and teach some of the team's key position players and ruckmen.

PORT MELBOURNE COLTS

(Finished 7th in 2013)

Defender Matthew Campbell headlines some of the ins at Port Melbourne this season. Formerly with Shepparton and just last year with Cobram, the mid-footy-aged player will add some versatility to the Colts back line. Former Essendon and Hawthorn player Danny Jacobs could

DIVISION ONE SENIOR PREVIEW

very well join him across the back flank, with the 33-year-old coming across from Division One rival Sunshine. Key forward Jase Perkins who came across at the end of 2012, begins his first season in the VFL for what is the inaugural year for the Western Bulldogs affiliate Footscray. Ricki Newton has headed north with the well know Tiwi Bombers outfit.

ST ALBANS (Finished 5th in 2013)

According to St Albans coach Marcus Barclay, his side has a gap that needs filling. Despite making the finals last season, the Saints have all the hallmarks of a side on the rebuild. There is a host of quality veterans, complementing a flavour of younger players, some as young as 18. With the need for some bigger bodied players, Albion's Stephens brothers were recruited. Sam and James can fill a number of roles and carry with them the pedigree of being premiership players at the Cats. The Saints brought across some faces from the EDFL. Hard running Keilor midfielder Chris Raftopoulos, as well as the former VFL listed player Dion Lawson have jumped on board. While Glenroy utility Gordon Hillsdon could feature early in the year, after a strong pre season. With a host of fresh faces, with runs on the board elsewhere, it's hard to see the Saints slipping backwards in 2014.

SUNSHINE (Finished 3rd in 2013)

Sunshine kept itself busy during the off-season, making some changes to the side that just fell short in 2013. As mentioned earlier, Danny Jacobs has defected to Port Melbourne, which could just open a hole in the Kangaroos defence. However the club has turned to Maribyrnong Park in recruiting Liam Reeves and Aaron Edwards, while also picking up Melton players Darren Haby and Jesse McLellan. Jacob Koroneos returns, after spending some time overseas. The club is hopeful of bleeding some young faces, including Jack Hilton, Abera Afewerk and Hamish Andrew in the senior ranks early in the season.

WERRIBEE DISTRICTS (Finished 10th VAFA Premier B in 2013)

The WRFL's new kids on the block in 2014, will be coached by a new face - former Sydney Swans player Wade Chapman. The new Division One side will be keen to finish higher than last year's bottom placing in the VAFA. Make no mistake; the newest addition to the league is set to give the competition a shake. The biggest recruiting coup coming in the form of Brent Prismall- the former Geelong and Essendon midfielder. He'll be juggling his commitments with the Tigers, and VFL side Footscray. Ben Sharp from VFL side Werribee comes across as another marquee signing, having won a best and fairest in the past. The good news is the majority of the Tigers' playing list has stayed put, including Brent Morrow.

YARRAVILLE SEDDON EAGLES (Finished 9th in 2013)

Former North Melbourne player Jesse Smith, jumps on board as one of the Eagles' biggest off-season recruits. However he won't be taking the field, but rather assuming a spot in the coach's box. The club is hopeful he'll be the right man to help develop several young kids who were given invaluable experience playing senior football in 2013. Yarraville Seddon has been bolstered by news that 2013 Alan Smith medalist Jessi Lampi is joining the club after leaving Sanctuary Lakes as well as Conor Ross, a product of the Western Jets and St Kevin's systems. A player with great closing speed and spoiling ability, he is a valuable addition to the backline. Scott Miller comes up the highway from Leopold, where he played a handful of games GFL Reserves. While Jake Rycroft who heads over from Parkside will be hoping for more game time, after only mustering two matches last season.

HERE COME THE TITANS

By Shannon Brien

There once was an oval, way out in the western suburbs of Melbourne. The Wyndham City Council envisioned this once vacant oval to become a facility for junior football in the future. After a number of council meetings since that idea and hard work by the committee, the Tarneit Titans Football Club will finally come to fruition this Saturday afternoon in their debut match in the WRFL.

What started out as a search for junior teams has grown to include a senior and reserve sides and the Titans couldn't be more surprised at the result.

"We never expected to get a seniors side, let alone a full one in our first year," club treasurer Matt Drake-Brockman said.

Yet whilst it was easy to get players involved in the club, the idea of choosing a guernsey colour was a little more difficult.

"We wanted something unique, that existing clubs didn't have," Drake-Brockman said.

"Most clubs have blue and gold so we just wanted to stand out."

Inspired by the AFL's Brisbane Lions jumper, the Titans' placed a modern twist on the old Lion's guernsey, finishing with the colours maroon, blue and white.

Presenting the seniors with their new jumpers at the Season's launch last Friday, Club President Sue Thornton said the new senior's team is one with a mixture of talent across all levels.

"A couple of players haven't played in a long time and a couple haven't played at all, however we see this as an opportunity to grow as a team and learn from each other as we go," she said.

Whilst the club is still in its infancy, Thornton revealed that there have already been a few memorable moments within the club.

"In one of our practice matches one of our players, who's 23 and never played football, kicked a goal in his first game, which was just sensational to see."

For Drake-Brockman it was the boys running out along side each other in last week.

Filling team places in the seniors wasn't as hard as forming a juniors side. Besides forming an under 14s team, Thornton explained that recruiting

players in the 12 and up category was harder than first thought.

"We did manage to get an under 9s, 10s, 14s and Auskick side up and running so that was really pleasing to see."

Yet it seems the council was right in their prediction for another junior football club in the Tarneit region, with big numbers turning up at the club's Auskick day last week.

"We had our open day for Auskick last week and I reckon we had about a thousand people there," Drake-Brockman said.

It is evident that the club already has such overwhelming community support. At every step of the way the Titans have tried to instil themselves in the Tarneit community, with club BBQ's before and after Christmas so that parents, families, partners and players get to know one another. As well as support from the wider community, local businesses have also been happy to lend a hand, with the employees from the local dental clinic coming down to fit the players with mouthguards.

With such a strong support base from the community Thornton is confident the Titans will do Tarneit proud.

"As a club, we obviously hope to win a couple of games throughout the year, but more importantly, we just want to get our name out there and continue to establish a club which people are proud to be a part of."

UMPIRES CORNER

By Graeme Hodgart

Well, another season has arrived. It only seems like yesterday that the umpire's kit was thrown into the far recesses of the cupboard for the summer months. Even so, the umpires have been hard at training since early February training twice a week as well as adjudicating a number of practice matches in the lead up to the season. This means that when the umpires walk out onto the various grounds today, they will be prepared and ready to officiate better than ever.

This year, the WRFL umpires have been utilising not one, but two training venues this season. As well as the long term home at Scovell Reserve in Maidstone, the men and women in white are also using a synthetic oval at the new Saltwater Reserve in Point Cook. Unlike other ovals, the new synthetic track provides near perfect surface in all weather conditions, allowing our umpires to train to the best of their abilities. While Scovell is used on both Monday and Wednesday evenings, Saltwater is available on Tuesday and Thursday nights. This gives the individual umpires more flexibility and allows those who struggle to get to training on particular days, the opportunity to attend on an alternative day.

In other news, the WRFL was proud to have a number of league umpires adjudicate in the AFL Vic Metro Championships last Saturday at VISY Park. Officiating Game Two between the Essendon District Football League and Northern Football League was field umpires Greg Denison, Adrian O'Donnell and Mathew Westgarth. Running the boundary was Patrick Galea, young gun Josh McMorrough, Lewis Spiker and sole female umpire Bianca Michetti. Keeping the scoreboard in check at both ends were longtime goal umpires Paul Battaglia and Tim Moloney. All umpires involved did an outstanding job, and are a great example for young up and coming umpires who wish to peruse their umpire careers to the next level.

On Thursday April 10, the WRFL umpires will converge on Saltwater Reserve for a special training

Our WRFL umpires selected to adjudicate at the AFL Vic Metro Championship last weekend.

session with current AFL umpires Troy Pannell (field), Josh Mather (boundary) and Chris Appleton (goal). With Pannell and Mather being former WRFL umpires, the league is excited to have some home grown talent return to where it all began to teach others what they have learnt throughout their careers. The three guest umpires will take part in a special training session before finishing the night with a hard hitting Q&A forum.

Good luck to everyone this year, all players, umpires, officials and volunteers as they take to the field for their first official hit-out for Season 2014.

1st/2nd Semi final: Weekend of 23/24 August**Preliminary final:** Weekend of 30/31 August**Grand finals:** Weekend of 6/7 September

Note: At the conclusion of Round 13 of the 2014 season, the fourteen (14) Division 2 clubs be split into Divisions 2 and 3, based on ladder positions of their Senior teams, with the top eight (8) teams to form the new Division 2 and the remaining six (6) teams to form the new Division 3.

DIVISION TWO PREVIEW

By Justin Lemmon

ALBANVALE – Competitiveness and the need to play four quarters will be the catchcry at Albanvale this year as the Cobras continue to develop its core group of players to build towards season 2014. While newly appointed senior coaches John Thrush and Adam Borg will miss two of last seasons' prime movers in Jerome Caterino (off to Caroline Springs) and Dallas Redfern (to Lara), they are buoyed by the shape the group is in. "Numbers have picked up now and it's probably the fittest I've seen the core (group) in my time here," Borg said. While not wanting to put a number of wins or ladder position on where they are aiming for, Borg says the aim is to simply give a four quarter effort and be as competitive as possible.

BRAYBROOK – The Bombers will be out to make sure season 2014 is a successful one as they celebrate their 140th year. The club will have a relatively fresh off and on field approach with new appointments Harley Smith taking on the role as president and Michael Shepperbottom returning to the club at which he has a long and proud history, as senior coach. After finishing mid table last year, Braybrook will be hoping key signings in ruckman Gary Bradford (Campbells Creek), tough onballer/half back Callum Docherty (EDFL) and key position player Lachlan Sidebottom (Congupna) will bring the high end talent all clubs will need in 2014 to both remain in Division Two and push for a top four finish.

CAROLINE SPRINGS – Having added some experienced footballers this year, Caroline Springs look set to be one of the rapid movers in Division Two. Headlined by big name signings Michael Pisani (EDFL) and Blake Richards (Heathcote District Football League), new senior coach Paul Gowcott should have some extra firepower come the regular season. Heading into their fourth year as a senior club, coaching director Marc Raak believes the Lakers are well set for a successful year and are aiming to be a top 3 or 4 side. "We have brought in some experienced first division players," Raak said. "They are quality footballers and quality people." Combining this new influx with the continued improvement of the playing group over a productive pre-season, Caroline Springs should have a finals series in their sights come August.

GLEN ORDEN – Speak softly and carry a big stick seems to be the motto down at the Hawks this year, as the club has quietly put together a relatively fresh, strong squad ready to take on any potential challenger. Last year's assistant coach Stu Daly will take over the senior role this season, believing any perceived pressure on his team is coming from outside the club. "We're not putting any pressure on ourselves to emulate the feats of last year; we're just trying to attract the right people to the club." With a raft of new signings and the improvement of last year's premierships winning Under 18 crop, the Hawks should be quietly confident they have managed to get the right people in brown and gold come the home and away season. Along with other big name signings Jonathan Miller, Reece Duffield Mark Pozzuto and Cameron

Henson, be sure to watch out for the clubs home grown talent led by last year's Under 18 Best and Fairest winner Nathan Johnson.

LAVERTON – Even the most one-eyed Magpie supporters will admit this has been a tough pre-season. After a sudden change of coach and with relatively poor numbers on the track, it looked like Laverton were in for a long year. Yet the appointment of new head coach Chris Smith may see things start to turn around. President Scott Mizzi is excited by what Smith brings to the club, "Chris is a really positive guy... he's bringing the fun back into the footy club, our structures and rebuilding from day to day." After a spike in numbers at training in recent weeks, with close to 35 players running around, it seems the appointment is already starting to have an impact. It will be that old adage of taking things one week at a time at Laverton and seeing how the season unfolds.

MANOR LAKES – In the club's debut season last year, Manor Lakes lived up to their name and took the competition by storm with a third place finish and a preliminary final. On the back of a core group of talented youngsters that have been retained again this year, it's hard not to see the club being amongst the contenders come the pointy end, especially with another pre-season under their belts. Senior coach Heath Hunter will have even more quality across the park with some key inclusions bringing more pace and run to the big ground at Howqua Reserve. "We went out looking for midfielders and a couple of key backmen just to stock up our backline, so overall we think we're balancing out," Hunter said. With a maturing list that includes five members of the 2013 Division Two Team of the Year, led by the anointed best coach of 2013, Manor Lakes has valid hopes of going a few steps further than last years' preliminary final loss.

NORTH FOOTSCRAY – The Devils will be out for redemption with finals in their sights, after a painful 2013 that left the senior side winless and relegated from Division One. With a raft of new talent and two new head coaches, expect North Footscray to bounce back with a vengeance this season under the co-tutelage of best mates Shaun Borlase and Matthew Walsh. While both have near enough to 20 years of football experience at a first division level, Walsh has completed the last two seasons as an assistant at Hoppers Crossing before taking the helm alongside Borlase, a former North Footscray footballer. On the field Walsh is excited by the talent coming into the club, "Kieran Murphy from Sunshine is a quality on-baller and David Mitchell from Hoppers, has had a couple of years off with coaching but has experience, having played over 100 games at VFL level." With a great pre-season under their belts, the expectations are high at Walker Oval and at this early stage it's easy to see why.

NORTH SUNSHINE – It will be a fresh and skilled group at North Sunshine under new head coach Joe Larizza and while they may have one of the youngest lists with an average age of only 23, they are setting high targets for themselves. On

the back of a tough 2013 that yielded only one win and a foot of the table finish, Treasurer Daniel Matcham says the players could not be more ready to make amends. "Raring to go is an understatement, they're counting down," he said. Matcham believes the club and group has set itself high standards this year and remaining in Division Two is at the forefront of that, "We are looking for at least seven wins which is a big challenge, but we think we're capable of it. We're very adamant there's no way we're going to look at Division Three this year, the boys are very determined."

PARKSIDE – Parkside has filled some holes over the off-season and the quality recruiting should see the Magpies tough to beat once again. Having lost consecutive Grand Finals and with losses in four of the last five, the perennial bridesmaids will be hoping new recruits like key forwards Benjamin Collins, Nicholas Grigg and classy ball users Luke Buttigieg and Michael Licciardo have enough of an impact to bring their first flag since 2003. Head coach Nathan Juegan says having identified weaknesses in their playing group, they have attempted to address them in the off-season. "We turned the footy over a fair bit the last few Grand Finals so we just looked for a few more blokes who could use the footy and make smart decisions and obviously a couple of key forwards." While on paper the Magpies look as strong as ever, Juegan is happy to temper expectations. "We have a long way to go, so our goal is obviously to make finals and see how we go from there."

SANCTUARY LAKES – Last year's impressive Division Two debutants will be out to show in 2014 with the talent displayed so readily last year has progressed enough to push the top echelon clubs. With six wins and a few they should have pinched in their debut season, it's safe to say there is enough underlying talent at the Sharks to surprise. Despite the loss of last year's Alan Smith Medal winner Jessi Lampi and brother Jordan, player manager Rod Davis believes the club's core group is good enough to remain in Division Two and hopefully push for finals. Handy inclusions such as Dustyn Nixon- a running half back across (Chadstone) and Daniel Harrison (Laverton) should help the young bodies, yet the focus at the Sharks though is on growing from within. "We like developing our juniors and our young blokes" Davis said. Sanctuary Lakes' sustainable path of youth development and growing their talent should lead to bigger and better things in 2014 and beyond.

SUNSHINE HEIGHTS – New head coach Rick Munn will be buoyed by what he has at his disposal during season 2014, both in terms of the players already at the club and the ones he has been able to bring in. While last year's Best and Fairest award featured seven players under 21 in the top ten, the Dragons were still able to make finals and will be looking to do the same this season. In order to complement the young group, Munn has brought in some more key signings. "I went for defenders first and foremost, locked in a full back and centre half back, then I went looking for experienced midfielders." Those expected to play key roles in 2014 will

include Jordan Haynes (South Australia), Will Dawson (Western Australia), Tristan Furr (Point Cook) and Jordan Lampi (Sanctuary Lakes). With good work completed over the off-season, Munn is enthusiastic about his teams' chances. "We have set ourselves the goal of challenging this year and we want to hold ourselves accountable to that."

TARNEIT – In one of Melbourne's largest growth corridors, new boys on the block, the Tarneit Titans will be hoping they can take full advantage of the areas potential and stamp themselves as a key player in the competition. With 60 registered senior players already and a core group in the 22-28 year age bracket, the starting base is in place for Tarneit to make some initial waves. Club secretary Danny Andjelkovic believes that even if the scoreboard doesn't necessarily go their way, the clubs' culture and ethos will be obvious. "Because we are brand new, our attack on the ball will be pretty fierce... it may not show up on the scoreboard but the goal is to win games," he said. "We have to start somewhere so let's show we're a tough football club and here to play." The inaugural captain will be Ash Fletcher, who has impressed over the pre-season along with other key names such as tough on-baller Cody Guy (Hoppers Crossing), Michael Waddell (Canberra league), Aaron Borg and Joel Turner.

WEST FOOTSCRAY – West Footscray is one of the big talking points after pre-season with some big name signings and the return of long time clubman Trevor Davies as head coach. Damien Yze will need no introduction to WRFL followers and the former Glen Orden star will be joined by other big names- Tobi Bray (Geelong and District Football League) and Adam Magnabosco (Altona) to list just a few of the raft of top quality signings. Head coach Davies is pleased by the upside coming into the club. "There are a couple of short term goals, the first one is to win enough games to finish in Division Two and the second is to win enough games to finish top four." Rooster supporters have reason to be excited after a few lean years and with quality signings on and off the field, it looks as though they are rapidly moving in the right direction.

WYNDHAMVALE – From the outside looking in it seemed as though Wyndhamvale had a relatively good 2013, finishing in fourth place, but such is the expectation at the Falcons that fifth year coach Luke Dennerley is looking for great improvements this year. On the back of signings such as level-headed midfielder Chris Graham, the clean kicking, hard running Clint McNabb and 200cm ruckman Chris Jones there is a lot to be excited about. Dennerley believes last year's results has given the group some added incentive. "We demand a lot of ourselves, the coaching group and the players don't want to rest so it has been a bit of a key driver for us into this year so we'll continue to improve." With some fresh faces, a competitive group, the gradual development of young players such as Blake Parker and Tito Nyawela and the construction of some new facilities and light towers, it's an exciting time to be in the green and gold.

YOUNG GUN LEARNS FROM THE BIG BOYS

Albert Einstein said that he never taught his pupils, he simply provided conditions in which they were able to learn. For young gun Lachlan Furniss, it's hard to imagine a better atmosphere in which to study the finer points of footy than among 30 of the Western Region Football League's finest senior players. Already a three time premierships winning centre half-back at the Hoppers Crossing Football Club, Lachlan was the fortunate Under 18s player selected to shadow the senior WRFL interleague group, participating in training and getting an up close view of their triumph over the Southern League in last Saturday's AFL Vic Metro Championships at Visy Park.

The initiative is aimed at giving one of the talented youngsters from the local area a valuable insight into the elite level they aspire towards. While we all see the game day highlights; the big grabs and the clean skills, it's the training standards which set the great apart from the good- the laps are run that much harder, the hits are more intense and the ball doesn't seem to touch the ground. Not yet 18 years old and with three premierships medallions and nearly 150 games, it's clear Lachlan Furniss is an accomplished player in his own right. Yet as the sole player selected from a multitude of peers for the interleague experience, he notes how great the achievement has been.

"I was very proud because there are so many Under 18's out there, I was pretty honoured even just to train with the squad."

The squad itself contained a crop of players with a plethora of experience and awards over long careers. Names like Jason Cloke, Timothy Jenkins, Lee Spiteri and Bradley Sutcliffe are all tipped to be prime movers in the league this year while head coach Brett Jacobs was named the 2013 Division One Coach of the Year. In spite of the big names and reputations Furniss says it's the simple things in his game that have improved.

"The fundamentals, the outside running and positioning, just the small things that improve your game."

Hoppers Crossing's Lachlan Furniss (back row, second from left) pictured with some of the WRFL senior interleague players and coaches.

For Furniss who admires the way North Melbourne's Scott Thompson goes about his footy, it looks as if a game based upon getting the fundamentals right first and hard running will be his focus- tenants all good careers are built on.

After meeting the well spoken backman in the rooms post match, it is easy to see why he has been marked as one to watch. He is tall and rangy for his age, but it is the collected head on his shoulders that is most impressive. Furniss speaks comfortably and confidently, it comes as no surprise that leadership is one of the key traits when asked about his strong points.

"Communication and defence, setting up structures, and just keeping everyone in line."

The heights Lachlan Furniss will reach are as blurred as those of any 17 year old, but what is certain is that he will be no worse off for his time with the senior interleague squad. Perhaps we will see him marshalling its defence in the not too distant future.

Every leather Sherrin is made today the very way T.W. Sherrin intended back in 1880.

NEW VICTORIAN LAWS BAN SMOKING WHERE CHILDREN PLAY

From 1 April 2014, smoking is banned at outdoor areas where children are playing, swimming or participating in sport. This is intended to create healthier, smoke-free environments where children and young people can enjoy themselves without being exposed to harmful second-hand tobacco smoke. The bans also aim to make smoking less visible and so less socially acceptable to children and young people.

Ban on smoking at outdoor children's playground equipment

Smoking is banned within ten metres (about two car lengths) of all children's playground equipment in outdoor public places. Children's playground equipment includes an individual piece of equipment as well as clusters of playground equipment, such as climbing frames, swings and slides. The ban also applies to outdoor dining and drinking areas within ten metres of outdoor children's playground equipment.

Ban on smoking at outdoor skate parks

Smoking is banned within ten metres of all skate parks in outdoor public places. Skate parks are areas specifically designed and equipped with structures for rollerblading, rollerskating and skateboarding or the use of BMX or non-motorised scooters. The ban also applies to outdoor dining and drinking areas within ten metres of an outdoor skate park.

Ban on smoking during organised underage sporting events

Smoking is banned within ten metres of an outdoor sporting venue during an organised underage sporting event. This includes training

or practice sessions to prepare for an organised underage sporting event, and breaks or intervals during the course of the event, training or practice session. The ban also applies to outdoor dining and drinking areas within ten metres of an outdoor public sporting venue during these times. A 'sporting venue' includes:

- a playing field, track or arena
- a court or rink
- any permanently or temporarily erected public seating
- any seating, marshalling area, warm-up area, podium
- any other part of the venue reserved for the use of competitors or officials.
- an 'organised underage sporting event' is planned in advance and conducted according to established rules.

Ban on smoking at public swimming pools

Smoking is banned within the outdoor areas of all public swimming pool complexes, including outdoor dining and drinking areas.

Where the bans do not apply

The bans do not apply to a person at residential premises, in a vehicle being driven through the smoke-free area, or in an area separated from the venue by a road. The bans do not apply at an outdoor sporting venue when no under 18s event is underway. However, sporting clubs may have their own smoking bans in place that cover other times.

DIVISION ONE U18 PREVIEW

ALBION

- Ladder Position: 3rd
- Win/Loss Ratio: 8 Wins 7 Losses
- Coach in 2014: James Doherty

Earning the double chance by cementing their place in the top three last season, the Cats bowed out of the finals in straight sets, losing to both Spotswood and St.Albans. Yet the urge to bounce back is fueling the young Cats this year, looking for redemption and some unfinished business. With a number of top age players moving on to senior football, the Cats may have a few surprises install for the rest of the competition under new coach James Doherty.

ALTONA

- Ladder Position: 6th
- Win/Loss Ratio: 5 Wins 11 Losses
- Coach in 2014: Sean Grima

Finishing in sixth place last season, the Vikings will be hoping to chalk up a few extra wins on the board this year in order to secure a finals berth. Training hard over the summer with the senior squad, Sean Grima's men are ready to put practice into action this weekend when they come up against Albion at home.

DEER PARK

- Ladder Position: 5th
- Win/Loss Ratio: 8 Wins 7 Losses
- Coach in 2014: Colin Clohesy

With good form leading into the finals last year, it came down to percentage to split third from fifth ladder position, with the Lions missing out on the all important double chance behind Albion and St.Albans finishing in fifth. Eliminated in the first week of finals, the Lions are looking to move up that next step in order to cement their spot in the competition this year.

HOPPERS CROSSING

- Ladder Position: 1st
- Win/Loss Ratio: 14 Wins 0 Losses
- Coach in 2014: Jason Rainbow

It's not every day a team can boast a perfect win-loss ratio during the home and away season, but

last year's Hoppers Crossing outfit can attest to just that. Clenching their fourth consecutive Under 18 Division One premiership, the Warriors are looking to secure their fifth flag under new coach Jason Rainbow who replaced Brad Murphy at the end of last year.

SPOTSWOOD

- Ladder Position: 2nd
- Win/Loss Ratio: 10 Wins 6 Losses
- Coach in 2014: Matthew Dean

Defeated in the Preliminary final against St.Albans by 26-points last year, it seems Spotswood is out to complete some unfinished business in 2014. Winning ten games for the season last year, Spotswood has been working hard to reduce the losses and close the gap between first and second position this time around- and with Matthew Dean back as coach this season, there is every chance they will.

WERRIBEE DISTRICTS

- Ladder Position: New to the WRFL
- Win/Loss Ratio: New to the WRFL
- Coach in 2014: Steve Frankel

Unknown to many in the WRFL circles, the Tigers are the team to watch this season. New to the competition this year after leaving the VAFA last season, the boys from Soldiers Road are ready to get stuck into local football with coach Steve Frankel leading the charge. With their opening Round 1 clash against defending champs Hoppers Crossing, the stage is set for the Tigers to make their debut match in the WRFL to be a memorable one!

YARRAVILLE SEDDON EAGLES

- Ladder Position: 7th
- Win/Loss Ratio: 0 Wins 15 Losses
- Coach in 2014: Greg Wray

Ending the 2013 season without a win to their name, the Eagles are fired up to make a fresh start in 2014. With a number of top age players moving up to the senior ranks, an influx of new faces to the group could be just what the doctor ordered, sparking the Eagles to their first win. Putting in the hard yards during the off-season, the Eagles will be keen to put training into practice as they get stuck into 2014 in Round 1 against Deer Park.

NEW LOOK FOR JJ HOLLAND PARK

By Sara Luczak

Picture this.

The rain is falling heavily, the football oval is drenched and 30 junior players are covered in mud from head to toe. Having played their hearts out, the kids from Flemington Juniors Football Club return

to old-fashioned club rooms, not equipped with the proper facilities modern day football requires.

With no proper space in which to change, no kiosk and no place to sell merchandise, this was what the Flemington Juniors Football Club was faced with at JJ Holland Park, prior to commencement of the football season.

Having used the same facilities for a number of years, 2014 marks the start of new beginnings for Flemington Juniors with brand new rooms completed just in time for the opening bounce.

Finished in November last year, the new rooms at JJ Holland Park are a vast improvement on the previous facilities. Included in the improvements are a new open kitchen and lounge, a canteen facility, increased storage and the ability to view both grounds from the interior.

The new rooms also boast modern shower facilities and eight change rooms, instead of the four that existed previously.

Funded by Melbourne City Council, the redevelopment took approximately two and a half years to complete and according to club President Bil Johnstone, couldn't be more different from the old facilities.

"The place looks great, much more contemporary than what we had previously.

"The new developments will provide several benefits for the club beyond just the physical changes, but will provide an identity for our members in the football community."

Johnstone hopes that the new rooms will lead to the club becoming more of a focal point in the community and that the ultimate goal is for more people in the local area to become interested in joining and supporting the club.

With brand new club rooms and a fresh footy season underway, here's to wishing a fantastic season for the Flemington Juniors!

DIVISION TWO U18 PREVIEW

WYNDHAMVALE

- Finished 5th on the ladder in 2013.
- 2013 win/loss ratio: 7 wins 8 losses
- 2014 Coach: Craig Prior

Losing their opening finals clash against West Footscray in 2013, the Falcons are confident they can reach the next step in 2014 with solid training over the pre-season setting them up for a competitive year ahead. With a number of fresh faces recruited over the summer months, it seems a finals berth is theirs to lose!

CAROLINE SPRINGS

- Finished 6th on the ladder in 2013.
- 2013 win/loss ratio: 2 wins 13 losses
- 2014 Coach: Gus Leon

This year the Caroline Springs Football Club is focused on what is in front of them—that is to improve in all aspects across the board, whilst also aiming to be more competitive on field. Having won just two matches last season, the Lakers are looking to bounce back and push for finals in 2014.

HOPPERS CROSSING

- Finished 2nd on the ladder in 2013.
- 2013 win/loss ratio: 12 wins 4 losses
- 2014 Coach: Anthony Chapman

Finishing second on the ladder after the home and away season, the Warriors missed out on a Grand Final appearance, going down to Newport Power in the Preliminary Final. With a number of top age players elevated to senior ranks this year and a new coach in Anthony Chapman at the helm, there may be bigger and better things on the horizon for Hoppers Crossing this season.

WEST FOOTSCRAY/SUNSHINE

- West Footscray Finished 4th on the ladder in 2013
- 2013 win/loss ratio: 8 wins 6 losses

Finishing in the middle of the pack last year, the Roosters will be hoping to take things to the next level in 2014. With a lack of numbers during the pre-season, the Roosters have merged with Sunshine to create a combined Under 18s team. Bowing out to Newport in the Elimination Final last year, perhaps the added inclusions of their new Sunshine teammate may prove the missing ingredient for the Roosters this season.

SANCTUARY LAKES

- 2013 Ladder position: New in 2014
- 2014 Coach: Sam La Chimia

After a successful debut year for the club in 2013, the Sharks are excited to debut their inaugural under 18s team. Coached by Sam La Chimia, the Sharks have been pleased with the response from training over the summer months and go into Under 18 waters with great expectation for the upcoming season.

WERRIBEE DISTRICTS

- 2013 Ladder position: New in 2014
- 2014 Coach: Justin Smyth

Finishing up their time in the VAFA, the Tigers Under 18s side is planning to stamp their authority on the rest of the competition in season 2014. Fresh to the league, the Tigers have an advantage holding the element of surprise card close to their chests. With no other teams having played against them before, the Tigers are sure to surprise a few teams this season, which makes for an interesting first few weeks of football.

NEWPORT POWER

- Finished 3rd on the ladder in 2013
- 2013 win/loss ratio: 10 wins 5 losses
- 2014 Coach: Jason Coghlan

Finishing third on the home and away ladder last season, the Power is hoping to take things one step further this year and reign supreme on the last day in September. Defeated in the Grand Final by just 8 points against Glen Orden, the Power is keen to make a mends with new coach Jason Coghlan at the helm. With last year's premiers unable to fill a team this season, Newport is firming up as favourites for premiership glory in 2014.

MANOR LAKES

- Finished 7th on the ladder in 2013
- 2013 win/loss ratio: 1 win 15 losses

In their debut season last year, the Storm is looking to improve this season with the hopes of pushing up the ladder rankings in 2014. With just two wins to their name last year, the Storm has been working hard during the pre-season to rectify the situation and come out swinging for Round One against the new West Footscray/Sunshine outfit.
